IMPROVEMENTS:**

**SUBJECT: PRESENTATION/DISCUSSION on Annexation Strategies**

---

**EXECUTIVE SUMMARY:**

Staff will be presenting the concept of a staggered annexation plan to the Mayor & Council.

**BACKGROUND:**

On August 14, 2019, the Mayor and Council established an Annexation policy through resolution 19-1357. Subsequently on June 17, 2020, the Mayor and Council authorized city officials to start an annexation attempt for the Sunnyside Fire District/Bay Acres area. Due to the pandemic, the annexation attempt began until 2021. After the one year allowed, the attempt was unsuccessful.

**DISCUSSION:**

The presentation will provide lessons learned from our previous attempt and introduce the four areas where staff would like to continue annexation attempts in a staggered fashion with the Mayor & Council's authorization. Maps will be displayed in the presentation for the Westward Reach, Sunnyside Fire District/Bay Acres, Pirtleville and Northern Peak areas being considered.
