**SUBJECT:** **UPDATE to DOUGLAS TRANSIT SITE SELECTION & ENVIRONMENTAL STUDY (CivTech).**

---

**EXECUTIVE SUMMARY:**

The Transit Site Selection & Environmental Study was initially presented to Mayor & Council on April 14, 2021.

**BACKGROUND:**

The City of Douglas Transit Department received a grant from ADOT to conduct a study and select potential site(s) for a new Transit Facility. The study was started in June 2020, with the presentation of the recommended sites made to Mayor & Council on April 14, 2021. Since that time, Transit Administrative Offices have been relocated to 1815 9<sup>th</sup> Street and had to be included in the site selection study in order to finalize it and submit to ADOT for approval.
