Donee’s failure to deliver a Notice of Approval or Notice of Cancellation shall constitute Donee’s election not to proceed with the acceptance of the Property.

#### **4. Covenants, Representations, and Warranties**

**4.1 Donor’s Warranties and Representations.** Donor makes the following representations and warranties, and agrees to the following covenants and obligations for the benefit of Donee which shall be true and applicable as of and survive the Closing Date as provided herein:

(a) Donor has full right, power and lawful authority to enter into and carry out the terms and provisions of this Donation Agreement and to execute and deliver all documents which are contemplated by this Donation Agreement and all actions of Donor necessary to confer such power and authority upon the persons executing this Donation Agreement and all documents which are contemplated by this Donation Agreement on behalf of Donor have been taken.

(b) All requisite action has been taken by Donor in connection with the entering into this Donation Agreement, the instruments referenced herein, and the consummation of the transaction contemplated hereby, and any required consent of any partner, member, director, officer, shareholder, trustee, trustor, beneficiary, creditor, investor, judicial or administrative body or other party has been obtained as may be required.

(c) This Donation Agreement and all documents required hereby to be executed by Donor constitute valid and legally binding obligations of Donor, enforceable against Donor in accordance with their terms (except to the extent that enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency, or creditors’ rights and by the availability of injunctive relief, specific performance, or other equitable remedies).

(d) Neither the execution and delivery of this Donation Agreement by Donor, nor the consummation by Donor of the transaction herein contemplated, will conflict with or result in a breach of any of the terms, conditions, or provisions of any statute or administrative regulation, or of any order, writ, injunction, judgment, or decree of any court, any governmental authority, or of any arbitration award, in each case applicable to Donor.

(e) There are no parties in possession of any portion of the Property as lessees, tenants at sufferance, trespassers, or otherwise.

(f) All taxes, liens and other encumbrances have been or will be paid by **Donee** at or prior to Closing.

(g) There are no condemnations, or other proceedings or litigation pending or, to the best of Donor's knowledge, threatened against Donor or any basis therefor that arises out of the ownership of or any other matter relating to any part of the Property or that might detrimentally affect the value or the use or operation of the Property for its intended purpose or the ability of Donor to perform its obligations under this Donation Agreement. During the Contract Period, Donor shall notify Donee promptly in writing of any such litigation of which Donor becomes aware.

(h) Donor has no knowledge (direct or indirect) of any material, physical, or mechanical defects relating to the Property, and has no knowledge of the location and nature of any underground storage tanks or similar activities, buried trash or foreign materials, disposal areas or other sites of this sort on the Property, whether these sites are visible from the surface of the land or not.

(i) Donor represents and warrants that Donor has not, nor does Donor have any knowledge of any actual or alleged use, placement, storage, discharge or release of any hazardous or toxic wastes or substances as defined or regulated under federal, state, or local laws ("Hazardous Substances") on or under the Property nor any action or proceeding related thereto, nor, to the best of Donor's knowledge, have any Hazardous Substances at any time been used, placed, stored, discharged, or released on the Property by any third party. To Donor's knowledge, the Property is not in violation, nor has Donor received any notice of any investigation for violation, of any federal, state or local law, ordinance or regulation relating to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under or about the Property including, but not limited to, soil and groundwater conditions. Donor hereby assigns to Donee as of the Close of Escrow all claims, counterclaims, defenses or actions, whether at common law, or pursuant to any other applicable federal or state or other laws which Donor may have against any third parties relating to the existence of any Hazardous Substance in, at, on, under or about the Property. Donor agrees that Donee or its agents or contractors may, without liability to Donee, make all disclosures and file all reports which are required by law with respect to discovery of Hazardous Substances as a result of investigations conducted by Donee, its agents or contractors.

(j) Donor has not received written notice from any governmental agency that the Property is in violation of applicable hazardous materials laws. Donor has delivered to Donee copies of any environmental assessment reports in Donor's possession and of written information relating to the presence of wetlands on the Property. Donee shall have the right to conduct an independent investigation of the presence of hazardous materials and of wetlands on the Property.

(k) Donor has not received and has no knowledge of any written notice from any city, county, municipality, or other governmental authority or agency of zoning, building, fire, health code, or any other violations of applicable laws, ordinances, or regulations pertaining to the Property that have not been previously corrected.

(l) Donor represents that neither the execution by it of this Donation Agreement nor the consummation of this Donation: will constitute a violation or breach by Donor of any contract or other instrument to which it is a party, or to which Donor is subject, or by which any of Donor's assets or properties may be affected, or any judgment, order, writ, injunction or decree issued

against or imposed upon Donor; or will result in a violation of any applicable law, order, rule or regulation of any governmental authority.

(m) Donor shall not commit or suffer to be committed any waste in or upon the Property. Waste shall include, but not be limited to, any injury to the Property which renders it in a condition materially different from its condition at the date of this Donation Agreement. Donor shall permit no dumping of any material on the Property, and in the event, such occurs with or without Donor's permission, Donor shall remove same prior to Close of Escrow.

(n) Donor represents and warrants that the Property will not at the Close of Escrow be encumbered by any obligation, written or oral, or recorded or unrecorded mechanic's liens, to pay or reimburse any party for the design, analysis, engineering, testing, legal fees, or construction of improvements for the benefit of the Property, which Donor has incurred up to the Close of Escrow. Donor agrees to promptly pay all consultants retained by Donor.

(o) Except as specified herein, Donor shall not cause title to the Property to become further encumbered or clouded after the date of this Donation Agreement without Donee's written consent.

(p) Neither the Donor nor its members are a party to a bankruptcy proceeding, and if any such proceeding arises prior to the Close of Escrow, Donor will provide notice to Donee, whereupon Donee shall have the right to terminate this Donation Agreement without liability to Donor or any other party and Donee shall be entitled to a full refund of any sums deposited with the Escrow Holder.

(q) Donor will deliver to Donee, good and marketable title to the Property. Donor has not alienated, encumbered, transferred, leased, assigned or otherwise conveyed its interest in the Property or any portion thereof, except as set forth in the Preliminary Report, nor has Donor entered into any agreement to do so, nor shall Donor do so prior to the Close of Escrow.

(r) To Donor's knowledge at Close of Escrow there are no easements, encumbrances, encroachments or other clouds on title to the Property which would adversely affect Donee's Intended Use or marketability of the Property.

(s) Donor represents and warrants that no party other than Donee has any right to acquire the Property (by contract, option, or otherwise).

(t) Donor represents and warrants that from the Effective Date and continuing during the period the Donation Agreement remains in effect, Donor shall not directly or indirectly, through any representative or otherwise, market, solicit, or entertain offers from, negotiate with, or in any manner encourage, discuss, accept, or consider any proposal of any other person relating to the sale of the Property, in whole or in part, whether through direct purchase, merger, consolidation, or other business combination.

(u) Donor is not, and will not be at the time of Close of Escrow, a foreign person as defined in Section 1445 of the Internal Revenue Code of 1986, as amended; and Donor shall deliver to Donee at Closing a non-foreign person affidavit to that effect.

(v) The representations and warranties of Donor set forth in this Donation Agreement shall be true on and as of the Close of Escrow as if those representations and warranties were made on and as of such time.

The truth and accuracy of each of the representations and warranties, and the performance of all covenants of Donor contained in this Donation Agreement, are conditions precedent to the Close of Escrow. Donor shall notify Donee immediately of any facts or circumstances that are contrary to the foregoing representations and warranties contained in this Subsection 4.1. Donor's representations and warranties under this Subsection 4.1 shall survive Closing and delivery of the Deed (as defined below).

**4.2 Donor's Covenants.** Donor hereby covenants and agrees to allow Donee, its agents, employees, representatives, and contractors reasonable access to and entry upon the Property during the Contract Period, without further notice, to enter upon and, at Donee's expense, commence due diligence inspections, studies, testing, investigations, or evaluations of the Property, including as set forth in Section 3 of this Donation Agreement. Donee agrees that in making any physical or environmental inspections of the Property, Donee will restore promptly any physical damage caused by the inspections.

**4.3 Donee's Warranties and Representations.** Donee hereby represents and warrants to Donor that: (a) as of the Closing Date Donee shall have, full power and lawful authority to enter into and carry out the terms and conditions of this Donation Agreement and to execute and deliver all documents which are contemplated by this Donation Agreement; (b) all actions necessary to confer such power and authority upon the persons executing this Donation Agreement and all documents which are contemplated by this Donation Agreement to be executed on behalf of Donee or its assignee have been taken; and (c) this Donation Agreement constitutes a valid and legally binding obligation of Donee, enforceable against Donee in accordance with its terms (except to the extent that enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency, or creditors' rights and by the availability of injunctive relief, specific performance, or other equitable remedies).

The truth and accuracy of each of the representations and warranties, and the performance of all covenants of Donee contained in this Donation Agreement, are conditions precedent to the Close of Escrow. Donee shall notify Donor immediately of any facts or circumstances that are contrary to the foregoing representations and warranties contained in this Subsection 4.3.

## **5. Conditions Precedent**

The defaulting party shall pay all costs of cancellation. If the Closing does not take place for any reason other than a default by one of the parties, the parties shall each pay one-half of the escrow fees and the parties shall be released from any and all obligations (except for those which survive Closing) under this Donation Agreement.

No party shall intentionally perform any act or intentionally omit to perform any act which, if performed or omitted, would prevent or excuse the performance of this Donation Agreement by any party hereto or which would result in any representation or warranty herein contained of said party being untrue in any material respect as if originally made on and as of the Closing Date.

7.8 **Prorations.**

- A. Unless otherwise specifically provided for herein, assessments, taxes, utilities, rents, insurance, interest, and other recurring expenses or charges relating to the Property (excluding property taxes which shall be solely paid by the Donee), if any, shall be prorated between Donor and Donee as of the Closing Date.
