Subject: Resignation from Fire Board

Rich, Mayor Donovan, Pam, Jane, and Chief Janik:

It's been an honor to serve for almost 5 years on the Board for the Saugatuck Township Fire District. It's an organization that we can all be proud of, with dedicated men and women who serve our community well. As my term ends on Douglas City Council, please consider this my resignation from the Fire Board, effective immediately, so that an incoming Council Member can claim that seat.

I'm still here in Douglas, and hope to serve again in the future.

Thank you,
Aaron Miller
