

MEMORANDUM

REGULAR CITY COUNCIL MEETING

November 7, 2022 at 7:00 PM

TO: City Council

FROM: Rich LaBombard, City Manager

DATE: November 7, 2022

SUBJECT: Douglas Park Project GT Wave Purchase and Budget Amendment – Resolution 40-2022

The Douglas Parks Project volunteers have been diligently raising funds to improve the playground equipment for the City of Douglas parks. Beery Field has been completed, as well, as the tot area at Schultz Park. The next planned purchase will be the 5–12 year-old play structure for Schultz Park, as well as the adult fitness area.

Due to anticipated cost increases, the Douglas Park Project members would like to secure current pricing for an accessible play structure from Sinclair Recreation, LLC of Holland. The current price for the GT Wave structure including delivery is \$84,022.88. The cost of this purchase will be covered by donations from the public to the Douglas Parks Project. Approval of this purchase will require a budget amendment to the General Fund – Parks & Recreation & Cemetery account 101-751-979. These costs were not previously budgeted.

During the three-month manufacturing process for the GT Wave, City staff will be applying for a Michigan Spark Grant through the Michigan Department of Natural Resources (DNR). Should the City be awarded the grant this proposed budget amendment would no longer come from the Douglas Parks Project fund, but instead come from the grant award. This grant is a reimbursement program and will be paid to the City of Douglas at the percentage listed in the grant agreement of the cost up to the grant amount.

Sample Motion: I recommend City Council approve Resolution 40-2022 for the purchase of the GT Wave play structure from Sinclair Recreation, LLC of Holland, and amend the budget for the General Fund – Parks & Recreation & Cemetery account 101-751-979 in the amount of \$84,022.88.
