## APPLICATION FOR SPECIAL EVENT PERMIT

The City of Douglas offers two types of permits for events within the City. A **Special Event** is described as a large gathering of people that covers a broader range of the City, such as, the entire park(s), right-of-ways, trails, street closures, sidewalks, etc. These events also require significant coordination and requests of City resources, such as, Douglas Police Department, Department of Public Works, and Saugatuck Township Fire Department. **Special Event Permits will require approval from City Council and need to be filled out in its entirety and returned to the City Clerk's office a minimum of 60 days prior to the scheduled event.** A **Park Reservation** permit is described as a small gathering confined to a small area of a park and does not require significant City coordination or resources.
