APPLICATION FOR SPECIAL EVENT PERMIT

The City of Douglas offers two types of permits for events within the City. A **Special Event** is described as a large gathering of people that covers a broader range of the City, such as, the entire park(s), right-of-ways, trails, street closures, sidewalks, etc. These events also require significant coordination and requests of City resources, such as, Douglas Police Department, Department of Public Works, and Saugatuck Township Fire Department. **Special Event Permits will require approval from City Council and need to be filled out in its entirety and returned to the City Clerk's office a minimum of 90 days prior to the scheduled event.** A **Park Reservation** permit is described as a small gathering confined to a small area of a park and does not require significant City coordination or resources. Park Reservation permits require only City administration approval. Please see the City of Douglas' Event Policy for more information. **Required Authorizing Personnel Signatures page must be completed prior to submitting it to City Hall for Council approval.** A Cost Confirmation Form will be provided to the applicant/organization after application submittal. This form will outline the total estimated costs of the event. If the total estimated costs do not exceed \$3,000, then no payment will be required. However, should costs exceed this threshold, then the applicant/organization will be responsible for the additional charges above and beyond \$3,000.
