March 14, 2014

Hello,

My husband and I have lived, full time, year around, in Douglas for the past 4+ years. Prior to that we owned a second home in this community.

I am recently retired, having had a long career working hard to build on my experiences with increasing responsibility. I have worked in multiple industries including automotive and pharmaceutical, working for companies including Johnson Controls, Pfizer and Cardinal Health. I have learned so much in my career, but hard work and honest leadership stick out to me as what has been the most important.

I believe that my work experience, as well as my experience with volunteer work at organizations including Special Olympics and Girls on the Run, lend themselves well to serving this community by joining the city council.

We love living in this community. I walk my dog every day and think how lucky I am to be able to live here and how proud I am of this town. It would be my honor to serve in a way that helps preserve the culture and enable growth for the businesses and people, while maintaining what is unique about this area.

In conclusion, I think I will be an asset to the people of Douglas, and be able to honestly and transparently represent them and help make decisions on their behalf.

Sincerely,

Terry Vuckovich
