The Contractor shall deliver an ACORD certificate of insurance to the City. Contractor shall continuously maintain required insurance coverage and shall assume full responsibility for the Contractor's work from loss or damage and shall protect all public and private property from injury or loss arising in connection with the Contractor's work.

J. Non-Performance:

In the event that the Contractor shall fail, neglect, or refuse to perform any or all of its duties, obligations, or responsibilities under this Agreement, the City may, after thirty (30) days written notice to the Contractor, perform such duties, obligations, or agreements, or have such duties, obligations, or agreements performed and charge all costs thereof to the Contractor, and the Contractor shall pay all of said costs to the City. If such failure, neglect, or refusal continues for 30 days after such written notice, the City shall exercise its right of termination under Section K, Right of Termination; Notice, of this Agreement, and pursue any and all legal remedies to which it may be entitled.

K. Right of Termination; Notice:

1. Either party shall have the right to terminate this Agreement in the event of a material breach by the other party of any of the covenants, terms, or conditions of this Agreement and such material breach or nonperformance is not substantially cured and continues for a period of 30 days after written notice specifying such material breach or nonperformance in reasonable detail, is provided to the other party. However, if the breach cannot be substantially cured within thirty (30) days, the Agreement may not be terminated if a cure is commenced within the cure period and for as long thereafter as a cure is diligently pursued provided both parties agree. Upon termination, the Residential Unit or Participating Unit receiving Services shall pay Contractor only such charges and fees for the Services performed on or before the termination effective date and Contractor shall collect its equipment, and shall have no further obligation to perform any Services under this Agreement.
2. Either party shall have the right to terminate this Agreement upon prior written notice, in the event that the other party ceases operation of its business by reason of insolvency, bankruptcy, or similar proceeding, whether voluntary or involuntary, or for any other reason. Notwithstanding the foregoing, upon the occurrence of such event, a Residential Unit or Participating Unit receiving Services shall be liable to pay Contractor for all the Services performed till such termination effective date.

3. The City shall have the right to immediately terminate this Agreement in the event Contractor fails to obtain or maintain any licenses, permits, or other approvals required to provide the Services or fulfill its obligations under this Agreement.
4. In the event of a termination under Section 1, 2 or 3 a Residential Unit or Participating Unit receiving Services shall pay Contractor only such charges and fees for the Services performed on or before the termination effective date and Contractor shall collect its equipment. The City acknowledges its obligation, in the event of a termination of this Agreement, to mitigate its damages by engaging a different contractor to render the Services as soon as reasonably practicable after the date of termination. The Contractor shall remain liable to the City for any damages the City may sustain as a result of the Contractor's breach in excess of any such mitigation.
5. In addition to any other remedies available under this Agreement or at law or equity, the prevailing party in any lawsuit between the City and the Contractor to enforce any provision of this Agreement may recover its actual reasonable costs, including reasonable attorney's fees and other legal expenses incurred to investigate, bring, maintain, or defend any action from its first accrual or first notice thereof through any and all appellate and collection proceedings. To the extent not otherwise prohibited by law, the parties agree that the jurisdiction and venue for any action brought pursuant to or to enforce any provision of this Agreement shall be exclusively in the state courts in Allegan County, Michigan.
6. In the event of a termination of the Agreement, Contractor shall endeavor to use its best efforts to transition the Services to a new contractor in order for Residential Units and Participating Units receive continuous and uninterrupted service.

L. Assignment:

1. The Parties shall neither assign this Agreement nor any part thereof, to any person, firm, or organization unless said assignment is first approved in writing by the other party. The Parties acknowledge that such written approval may not be unreasonably withheld, delayed or conditioned by the other party. Any attempt to assign this Agreement without prior approval shall render the Agreement null and void.

M. The Term of Agreement:

1. This Agreement shall be for a term starting on December 1, 2022 and ending November 30, 2025. It is intended that the term of this Agreement shall be for three (3) years with two (2) optional one (1) year extensions unless earlier terminated. The Agreement may be terminated by either party within one hundred eighty (180) days by written notice based on the terms and conditions of the Agreement. The Agreement may be terminated by either party without cause with at least thirty (30) days' prior written notice by mutual agreement or in the event of substantial failure to perform with the terms set forth in the Agreement as described in the Agreement as set forth above. Should extensions be agreed upon, the Parties retain the right to modify elements of the Agreement, if necessary, as addendums.

N. Miscellaneous Provisions:

3. This Agreement has been negotiated and prepared by the parties and their respective counsel and should any provision of this Agreement require judicial interpretation, the court interpreting or construing the provision shall not apply the rule of construction that a document is to be construed more strictly against one party.
4. Neither the City nor the Contractor shall be considered or construed as the agent of the other, nor shall either party have the right to bind the other in any manner whatsoever, and this Agreement shall not be construed as a contract of agency.
5. This Agreement shall be governed in all respects, whether as to validity, construction, performance or otherwise, by the laws of the State of Michigan.
6. If any paragraph, section, clause, or provision of this Agreement be ruled invalid or unenforceable by any court of competent jurisdiction, the validity or unenforceability of such paragraph, section, clause, or provision shall not affect the validity of any and all remaining paragraphs, sections, clauses, or provisions.
