Area Variance

An area variance shall be evaluated on the following criteria: **Please state how your request meets each of these four (4) criteria.**

1. The nature of the zone in which the property lies;
2. The character of the immediate vicinity and the contained uses therein;
3. Whether, if the restriction upon the applicant's property were removed, such removal would seriously affect neighboring properties and uses; and
4. Whether, if the restriction is not removed, the restriction would create unnecessary hardship or exceptional practical difficulty for the owner in his efforts to make normal improvements in the character of that use of the property that is permitted uses under the provisions of the zoning ordinance.

Signature

I Matthew Brown do affirm that I am the property owner on which the variance is sought and that all the information provided in this application is accurate to the best of my knowledge and belief.
