Matthew Heckles has spent his career in the public sector promoting affordable housing and community development in the mid-Atlantic area. In January, he returned home as Director of the Delaware State Housing Authority (DSHA).

Join a 'fireside chat' discussion with Matthew Heckles, moderator Stephen Metraux, and a distinguished panel to hear about Matthew's plans for DSHA, and how he, as its Director, will spearhead the State's response to the pressing problems of homelessness and affordable housing.
