

Discussion of Development of Planning Commission Rules of Procedure

Currently, the City of Dover Planning Commission does not have a Rules of Procedure document outside of the provisions established by the *Dover Code of Ordinances* including the *Zoning Ordinance*, the *By-Laws of the Dover Planning Commission*, and the standard practices of each meeting. This an opportunity to consider the development of Rules of Procedure.

The following documents are examples from other jurisdictions:

- City of Newark, Delaware Planning Commission Public Hearing Rules of Procedure (October 11, 2017 – last Revised February 2, 2021)
- Regional Planning Commission (Kent County, Delaware) Public Hearing Rules of Conduct
- Rules of Procedure of the Planning Board New Castle County, Delaware
