CERTIFICATE OF APPROPRIATENESS- Staff Review Summary:

Historic Resource Background / Survey Information:

301 W US 290

Historic District Contribution Status: "Non-Contributing."

Historic Resource "Priority Rating:" N/A

Project Overview: 301 W US 290

The applicant is requesting approval to park a food truck in the northeast corner of the parking lot. The proposal is not not a building, but a separate, detached mobile and removable structure which does not impact or affect the existing Historic Resource (the property is Non-Contributing). The general development standards for the Hays Street Historic District, including the guiding vision & character statements, broad design principles & guidelines apply. These, along with the Historic District "overall compatibility" determination (see detailed review below), become the main considerations and governing factors.

* * *

Design Standards Consistency: "Hays Street Design and Development Standards"

The proposal is found to be consistent with the applicable design and development standards (Comparative Summary Below), and "Approve as submitted" is recommended.

Character/Vision: Consistent: "Adaptive reuse/Sensitive infill."

Design Principles: Consistent: "Allow Context-Sensitive Infill At Vacant Properties And Hwy 290." "Protect Historic Neighborhood Scale And Character (building street frontage is unaltered), "New Construction shall be compatible with surroundings."

Preferred Uses: Consistent: "Retail/Commercial - Hwy 290."
