II. AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants described herein, the parties hereto agree as follows:

- A. The City does hereby grant DSYSA "First Priority" to use those certain areas of land designated as athletic fields in the Parks, and more fully described in Exhibit "A" and Exhibit "B", attached hereto and incorporated for all purposes (the "Areas"). First Priority describes DSYSA's right to reserve park Areas for DSYSA use *after* the City has reserved park Areas for City use and *before* members of the general public reserve park Areas for public use.
- B. The City does hereby grant DSYSA First Priority to use park Areas in accordance with the following:
1. DSYSA shall be permitted to place portable storage buildings in the Areas or nearby in the Parks, provided that there is no objection from the Texas Parks and Wildlife Department, or its successors ("TPWD"). If TPWD objects to the placement of storage buildings in the Parks, the City will use its best efforts to allow DSYSA to use the City's storage facilities in the Parks. The placement, design, and location of the storage buildings must be approved by the City in advance.
 2. The use of the Areas shall be for DSYSA-sponsored sports events, including but not limited to, games, practices, tournaments, workshops, and related activities. All said activities, events, etc., shall be scheduled around any regularly City scheduled activities and uses of the Parks. The City and DSYSA will communicate and agree on a calendar of events for the following 6 months in June and December of every year.
 3. DSYSA will not schedule activities other than repair or maintenance during the months of December and July, or a thirty (30) day period in close proximity to these two (2) months, without first obtaining City approval to allow for "turf rest".
 4. DSYSA is entitled to First Priority use. The City may allow public use of the Areas at all other times.
 5. Sunday shall be the one (1), twenty-four (24) hour period each week that two (2) fields at Sports Park and one (1) or two (2) fields at Founders Park will be open to the general public. This shall be a day for which the City has not scheduled City-sponsored activities, and to which DSYSA's First Priority use shall not apply. At Founders Park, there shall be an additional day that the one

(1) or two (2) fields will be open to the general public. The City Administrator (or the City Administrator's designee) must approve which days the fields will be available to the general public. The fields cannot be watered on these days.

6. DSYSA shall erect signage in the Areas informing the public of the days the fields are reserved for public use. The City Administrator (or the City Administrator's designee) must approve the location and content of the signs.
7. The City reserves the right to adapt the "Parks" for 210 water reuse. Should the City wish to move forward with 210 water reuse, the City will provide DSYSA with 365 day notice and ongoing communication and coordination with DSYSA as to the location of those improvements.
8. The City reserves the right to repair, improve, relocate, or remove lighting at the "Parks" to be in compliance with Article 24.06 of the City of Dripping Springs Code of Ordinances. City will provide DSYSA with 180 day notice and ongoing communication and coordination with DSYSA as to the location and types of those lighting changes and the disruption in "Parks" access during the changes.

C. As consideration for the granting of the use of the Parks, DSYSA agrees, under its financial responsibility, to maintain the Parks:

DSYSA shall be responsible for paying for all utility services supplied to the Areas.
3. DSYSA will maintain the Areas. Maintenance shall include mowing the Areas at least once a month.
4. The City will pay up to, but not to exceed, \$13,000.00 for the water used on the Areas and for the water used in the rest of the Sports Park.
5. DSYSA will pay for the miscellaneous expenses for all Areas.
6. The City will pay for the maintenance and miscellaneous expenses for the rest of the Parks (e.g., playscape, trail, multi-use course, volleyball court, landscaping, picnic tables, benches, bar-b-que pits, wildscape garden area, signage, etc.).

9. DSYSA will be responsible for the security of the Youth Baseball and Softball Fields except for when those fields are being used for non-DSYSA activities as authorized by the City. 12. DSYSA and the City will agree to a water use schedule for the Areas that will become part of this agreement. Once the City and DSYSA agree to a water schedule, at no time can the schedule be changed or modified without prior notification and agreement by both parties, unless required by watering restrictions or conservation requirements. Notification must be in writing and submitted seventy-two (72) hours in advance. Only those persons listed in this Agreement are authorized to operate the instrumentation/control boxes for the sprinkler systems or authorize a change in the watering schedule.

During a season, no Area shall be illuminated between 10:30 p.m. and sunrise, except to conclude a scheduled recreational or sporting event in progress that began prior to 9:30 p.m. DSYSA agrees to illuminate the fields only during a season unless otherwise authorized by the City. DSYSA will inform the City of any changes to season schedules throughout the year.
- D. The City does hereby grant DSYSA use of the Concession Stand and Restroom Facilities at Sports Park in accordance with the following terms:
1. In consideration of the City granting DSYSA the ability to temporarily occupy and operate the Concession Stand, and DSYSA paying for all utilities necessary
