**RE: Engineer's Final Concurrence Letter  
Driftwood Golf & Ranch Club Subdivision West Water Meter Connection**

Dear Aaron:

I, the undersigned professional engineer, have made a final visual inspection of the Driftwood Golf and Ranch Club Subdivision West Water Meter Connection construction project. Furthermore, I have walked the project with the contractor, Jimmy Evans Company. I, and other Atwell, LLC staff members, have also visited the project site during construction and observed that the planned infrastructure, including utilities and various site improvements, were constructed in accordance with the approved plans with insignificant deviations.

Furthermore, it is my understanding that the punch list items have been addressed to the satisfaction of the City of Dripping Springs. I, therefore, verify the adequate completion of the project.

If you have any questions regarding this project, please contact me by phone at (512) 517-7282, or by email at [sdelgado@atwell-group.com](mailto:sdelgado@atwell-group.com).

Respectfully,  
**ATWELL, LLC**
