The “Effective Date” of this Agreement shall be the Closing of the Asset Purchase Transaction (as defined herein).

WHEREAS, in connection with this Agreement, Assignor and Assignee, are entering into an Asset Purchase Agreement and other related ancillary documents to effectuate Assignee’s purchase of substantially all of Assignor’s assets (the “Asset Purchase Transaction”); and

WHEREAS, Assignor desires to assign all of its rights, interests and obligations under certain contracts to which it is a party to Assignee as set forth herein, and Assignee wishes to assume such rights, interests and obligations.

WHEREAS, Contract Holder agrees to such assignment and assumption on the terms contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual agreements and covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby assigns and conveys to Assignee for the benefit of Assignee, its successors and assigns, all of Assignor’s right, title and interest in, to and under the contract(s) attached as Annex A (the “Assumed Contract(s)”), together with all rights, privileges and benefits appertaining thereto (collectively with the Assumed Contract(s), the “Assigned Rights”) as of the Effective Date.
2. Assumption. Assignee hereby accepts the assignment and conveyance of the Assigned Rights by Assignor pursuant to paragraph 1 above and does hereby assume, and undertake and agree to hereafter pay, perform and discharge in accordance with their terms any and all of the liabilities, obligations and commitments of Assignor relating to the Assigned Rights as of the Effective Date.
3. Consent of Contract Holder. The Assumed Contract(s) require the written consent of the Contract Holder. The Contract Holder consents to the transfer and assignment based on the information and evidence that Assignee is able to fully perform all obligations that may or will exist under the Assumed Contract(s). Any supplementary documentation provided to Contract Holder pursuant to the Agreement or at Contract Holder’s request is provided on Annex B.
4. Successor. The Contract Holder recognizes the Assignee as the Assignor’s successor in interest in and to the Assumed Contract(s) as of the Effective Date. The Assignee by this agreement becomes liable for all responsibilities and is entitled to all rights, titles and interests of the Assignor in and to the Assumed Contract(s) that will arise on or after the Effective Date. As of the Effective Date, the Contract Holder will treat the Assignee as if the Assignee were the original party to the Agreement.
5. Benefit of the Agreement. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, shall confer on any person or entity other than the parties hereto, and their respective successors and permitted assigns, any rights, remedies, obligations

or liabilities under or by reason of this Agreement, including any third-party beneficiary rights.

6. Condition to Close Transaction. This Agreement is conditioned upon the Closing of the Asset Purchase Transaction (as the term "Closing" is defined in the Asset Purchase Agreement) and upon Buyer satisfying all Conditions for Closing as provided in Section 2.7 of the Asset Purchase Agreement. In the event that, for any reason, the Closing of the Asset Purchase Transaction does not occur, none of Assignor, Assignee or Contract Holder will have any obligation with respect to the matters that are the subject of this Agreement, and this Agreement will terminate, be void, and be of no further force or effect.

Further this Assignment shall be considered as having been prepared jointly and shall not be construed against either Party as a result of the negotiation, drafting, preparation, or execution of the Assignment.

9. Governing Law. This Agreement shall be governed by and interpreted and construed in accordance with the substantive laws of the State of Texas without regard to applicable choice of law provisions thereof.
