SECTION 1: INTRODUCTION

1.01 Policies Established

These policies and all amendments hereto shall be the official personnel policies of the City. The City retains the right to unilaterally change policies in this Manual and will advise employees of those changes. All prior policies are hereby repealed.

1.02 Purpose

This Manual is adopted by the City Council as a guidance document, not a contract. Through this Manual, the City Council strives to bring uniformity, consistency, and fairness to its employment practices.

1.03 Applicability

These policies apply to all City employees, except where inconsistent with state law, federal law, City ordinance, or the particular instrument hiring a specific employee. In the event of such inconsistency, the state or federal law or ordinance shall prevail.

1.04 Objectives

The City seeks to achieve these objectives through the systematic, uniform application of modern personnel practices. The City's personnel policies strive to:

- (a) promote and increase productivity, efficiency, and responsiveness to the public, and economy in the City service;
- (b) provide fair and equal opportunity for qualified persons to enter and progress in the City's service in a manner based on merit and fitness;
- (c) maintain recruitment, advancement, and other practices to enhance the attractiveness of a City career;
- (d) develop and maintain consistent, up-to-date position classifications and compensation plans;
- (e) develop high morale among City employees by fostering good working relationships, and by providing uniform personnel policies, opportunity for advancement, and consideration of employee needs and desires;
- (f) retain employees on the basis of the adequacy of their performance, correct inadequate performance, and separate employees whose inadequate performance cannot be corrected; and
- (g) assure that employees are protected against coercion for partisan political purposes and are prohibited from using their positions with the City for the purpose of interfering with or affecting the results of any kind of official election.

1.05 At-Will

- (a) All employees of the City serve at-will.
- (b) These policies and the benefits described herein do not constitute a contract of employment or a contract between the City and any employee to provide any benefit. Nothing contained herein shall create an entitlement to, or property interest in, continued employment with the City.
- (c) The City may alter, modify, amend, or terminate any of the policies or benefits set forth herein at any time, with or without notice. Notwithstanding any statement contained in these policies, or in any other document or statement issued by the City or any of its representatives to the contrary, the City shall have the right to terminate any employee from employment with the City, at any time, with or without cause, subject to state and federal law.

1.06 Dissemination

The City shall make every effort to thoroughly acquaint employees with the materials in these personnel policies and any subsequent revision. Copies of these policies and all amendments shall be furnished to each employee. Notwithstanding the foregoing, it is each employee's responsibility to become familiar with the contents of these policies, and to ask questions when necessary, for a full understanding.

1.07 City Administrator

The term "City Administrator" as used in this Manual includes the City Administrator, Deputy City Administrator, and others specifically designated by the City Administrator to act as agents.

1.08 Chain of Command

Each employee has a supervisor who should be consulted should any work issue arise. If the supervisor is unavailable, or a response is determined by the employee to be inadequate, the employee may discuss the issue with the Department Director, the Deputy City Administrator, or City Administrator, unless a different procedure is described herein. The supervisory chain of command for each employee shall be listed in the employee's job description. Engaging in activity outside the chain of command as relates to employment matters is detrimental to the employment relationship and harms the ability of the City to react effectively and consistently when presented with employee issues. Each month the City Administrator shall prepare a report for the mayor that lists the hiring, termination, staffing levels, and significant employee actions.

SECTION 2. CLASSIFICATIONS

2.01 Classifications Listed

There are 5 classifications of employees with the City: (1) Full-Time—Exempt; (2) Full Time—Non-exempt; (3) Part-Time; (4) Temporary; and (5) Seasonal. While not considered an "employee" under this Manual, a sixth classification is Contract Services.

2.02 Full-Time—Exempt

Employees who work a regular schedule of more than 30 hours a week and meet the federal law requirements of an employee exempt from overtime shall be considered full-time—exempt. The employee’s average of hours worked per week is not considered when determining whether an employee is full-time—exempt.

Pursuant to the Fair Labor Standards Act, as may be amended (FLSA) and applicable state laws, exempt employees are those who qualify as such under the statute because they fall into one of the exempt categories. Exempt employees are not entitled to overtime compensation pay (but are entitled to compensatory time, as explained elsewhere).

2.03 Full-Time—Non-exempt

Employees who work a regular schedule of more than 30 hours a week and who are hourly employees who are eligible for overtime based on their job duties or compensation shall be considered full-time—non-exempt. The employee’s average of hours worked per week is not considered when determining whether an employee is full-time—nonexempt.

2.04 Part-Time

Employees who work a regular schedule of less than 30 hours a week shall be considered part-time.

2.05 Regular

Employees who work for an indefinite period of time (not temporary or seasonal) shall be considered regular employees.

2.06 Temporary

Employees who work for a short period of time shall be considered temporary employees.

2.07 Seasonal

Employees who work solely for a specific time of year shall be considered seasonal employees. Seasonal employees may not be employed more than three months in any one year and should start and end employment around the same time every year.

2.08 Contract Services

At the discretion of the City Council, officer or employee positions may be staffed by professional services providers on a contract basis.

SECTION 3: HIRING

3.01 Hiring Authority

The City Council is the hiring authority for all City officers as described in Local Government Code Chapter 22 or as otherwise designated by the City Council. These officers include City Administrator, Deputy City Administrator, City Secretary, City Attorney, Parks and Community Services Director, City Treasurer/Finance Director, Public

Works Coordinator, Maintenance Director, Building Official, Emergency Management Coordinator, and others designated by City Council.

The City Administrator has the authority to hire any position if such hiring is not required to be authorized by the City Council pursuant to this provision or other resolution or ordinance. The City Administrator may delegate hiring positions to a department head. For employees of Dripping Springs Ranch Park, the Dripping Springs Ranch Park Board of Directors may be involved in the hiring process as described by city ordinance and park rules and policies. The City Administrator has the authority to hire any Dripping Springs Ranch Park position, other than those listed above as hired by the City Council but may consider the input of the Dripping Springs Ranch Park Board, if any, in making the hiring determination.

3.02 Interim Appointment

When an emergency exists that requires the services of personnel who are not otherwise available, such employees may be immediately hired by the Mayor or City Administrator for a period not to exceed 90 days without regard to normal recruitment and selection requirements. If the hiring of the interim employee is not confirmed by the primary hiring authority for that position or the City Council within the 90-day period, the employee is considered to be automatically discharged as of the 91st day.

3.03 Vacancies

The City Council may fill all vacant employment positions for which primary hiring authority has not been delegated by this Manual or other document. The Mayor may make interim appointments for any position for which the City Council is the primary hiring authority, provided the issue is brought before the City Council at the next regular meeting for confirmation. The City Administrator may fill all vacant employment positions for which the Administrator has been delegated primary hiring authority.

3.04 Notice

- (a) The City Administrator shall provide, by appropriate means, public notification of vacancies to be filled within the City service and shall maintain a list of current announced vacancies for public inspection. Notice is not required for those vacancies to be filled internally via promotion, transfer, temporary promotion, or reinstatement.
- (b) Each job announcement, insofar as practicable, shall specify the title, nature of the job, required minimum qualifications, and the deadline for and method of application.

3.05 Evaluation

The City Administrator shall determine the most appropriate means of evaluating applications against job requirements to identify the best qualified applicants. Interviews, background checks (criminal and credit), written tests, and/or other screening procedures may be used as appropriate. Applicants shall be required to provide any job-related information necessary to demonstrate compliance with prescribed minimum qualification requirements for the positions involved.

3.06 Residence

There shall be no residence requirement for City employment, except as may be provided by law. Employees likely to be called to work in cases of emergency may be required to reside within reasonable commuting ranges of their places of work as may be specified in their job description.

3.07 Introductory Period

All employees shall serve in an introductory capacity for the first 90 days of employment, promotion, or reassignment. During this introductory period, new employees shall be subject to close evaluation. New employees shall not be entitled to standard employee benefits, including paid leave, except to the extent specifically authorized by this Manual. However, (1) health benefits begin after the 30-day introductory period; and (2) TMRS benefits begin immediately upon full-time eligible employment with the City. Completion of the introductory period does not alter the at-will relationship, create a property interest in employment for any duration, or obligate the City to retain the employee for any certain duration. If this policy conflicts with a separate city contract with an employee or an employment benefits provider, the contract prevails over the personnel policy.

3.08 Youth Employment

It is the policy of the City of Dripping Springs that no individual under the age of fifteen (15) shall be hired. Applicants between the ages of fifteen (15) and eighteen (18) shall be required to show proof of age to the satisfaction of the City Administrator or the Administrator's designee. Employees under the age of eighteen (18) shall not have duties or perform work that is prohibited by state or federal law.

3.09 Job Descriptions

The City Council shall be the approving authority for all new positions. All positions shall have a job description. The City Council shall be the approving authority for all job descriptions for new positions and for all positions hired by the City Council. The City Administrator may make minor amendments to any job description for which the Administrator is the hiring authority.

3.10 Job Posting

All job openings shall be posted as deemed appropriate and best designed to hire the most qualified candidate. Job postings may be placed in the newspaper, on the City website, or in any other manner. The City Administrator may post any existing position regardless of hiring authority as soon as a vacancy exists. The City Administrator may post for a new position as soon as the job description and creation of the position is approved by City Council.

SECTION 4: COMPENSATION

4.01 Appropriations

Wages, salaries, and working schedules for all employees shall be in accordance with the provisions of the City budget currently in effect, including amendments, and within the

limitations of the financial provisions of each department, as approved by the City Council for each fiscal year.

4.02 Timesheets and Time Clock

(a) Timesheets: Each exempt employee as defined in Section 2.02 of this Manual is required to turn in the employee's timesheet by the final day of each pay period (see 4.03(a)) to the Department Head. Each Department Head must approve and submit the approved timesheets to the City Treasurer by 9:00 a.m. the next business day following the final day of each pay period. Absences for the pay period must be submitted with each time sheet.

(b) Time Clock: Each non-exempt employee as defined in Section 2.03 of this Manual is required to use the Time Clock to clock in and out each day with the employee's timecard if the employee works at the site where a time clock is located and accessible. Each employee is required to sign the employee's timecard agreeing that the time card accurately and completely reflects all time worked during the period in question and that no hours were worked that do not appear on the card. It is a violation of city policy to:

- (1) allow another to clock in or out for the employee;
- (2) fail to clock in when the employee arrives;
- (3) fail to clock out when the employee takes a lunch break or leaves work;
- (4) fail to submit all hours worked; or
- (5) fail to follow time clock policies or procedures issued by the City Administrator.

Any failure of this policy may result in disciplinary action.

A non-exempt employee who works or trains off-site, comes to the off-site location or leaves from the off-site location, or who is approved to use a time sheet, may use a time sheet for that time. The time sheet shall be submitted pursuant to Section 4.02(a). Any nonexempt employee whose primary work location is at a location that does not have a time clock shall use a time sheet in the same manner as listed in Section 4.02(a). These non-exempt employees include, but are not limited to, those who are primarily employed at Dripping Springs Ranch Park.

Any discrepancy between the timecard and the employee's work hours requires notification to the employee's supervisor within seventy-two (72) hours whether the discrepancy is based on employee error or time clock malfunction. Only an employee's supervisor, the City Administrator, or the Deputy City Administrator may make manual changes to an employee's timecard or time sheet. Time recorded will be the work-time paid or employees will be paid from time sheets verified by actual recorded times. Any adjustments to the recorded time on a timecard or time sheet must be approved by the employee's supervisor. Supervisors will be accountable to the City Administrator for any manual changes submitted.

4.03 Payment Procedures

- (a)** Employees will be paid every other Friday. Approved timesheets must be turned in by 9 a.m. on the first business day following the end of each pay period. If a payday is scheduled for a City holiday, the payday will be processed the day before the City holiday or holidays.
- (b)** Paychecks shall not be given to third parties without the express written authorization of the affected employee or as required by state law.
- (c)** If an employee receives a paper paycheck and is absent on a scheduled payday, the employee's paycheck shall be held until the employee returns, unless a written request for other arrangements has been delivered to the City Administrator prior to such payday.
- (d)** Direct deposit for employee paychecks is encouraged. To enroll in direct deposit, an employee shall complete the form provided by the Accounting Department and the form must be signed in ink and the original must be submitted to Accounting.

4.04 Overtime

- (a)** Overtime commences for each hour a non-exempt employee works beyond the standard 40-hour week in the seven-day work period. Overtime shall not be calculated to include vacation, holiday, sick leave, or any other paid leave taken during the same seven-day work period as "hours worked." Hours worked for purposes of overtime are any hours worked in the seven-day work period. Special pay for work during nonbusiness hours, nights, or weekends will not be given unless otherwise specified in this manual.
- (b)** All nonexempt employees are eligible for overtime compensation in accordance with the FLSA.
- (c)** Overtime compensation shall be calculated in accordance with Section 5.03(f).
- (d)** Each nonexempt employee shall be responsible for notifying the employee's supervisor if an assignment cannot be completed within the employee's regular 40hour workweek. No employee shall work overtime unless the employee's supervisor has determined that such overtime is required. Any employee who works unapproved overtime may be subject to discipline.
- (e)** All exempt employees are entitled to compensatory time. Compensatory time shall accrue in accordance with §5.03(f) (below).
- (f)** An employee who requests the use of accrued compensatory time shall be permitted to take such leave within a reasonable period after making the request unless the employee's absence would unduly disrupt the operations of the City.

4.05 Raises, Merit Increases, and Cost of Living Adjustments

City Council has the sole authority to pass ordinances affecting pay scales. Raises, merit increases, and cost of living adjustments shall be considered at the time of annual employee evaluations or when brought to the City Council by the City Administrator. An employee who desires to request a raise or merit increase at a time other than at the time of annual employee evaluation, may make the request in writing to the employee's supervisor and the City Administrator. The City Administrator, in consultation with the employee's supervisor, shall decide whether to bring a recommendation for a pay raise or merit increase to the City Council.

4.06 Promotions

When possible, job openings within the City are filled by promoting qualified employees. A promotion is based on several criteria which includes, but is not limited to, performance in the employee's current job, attitude, attendance, punctuality, experience and interest in the City and qualifications for the open position. Positions that become available will be posted on the City's municipal office Bulletin Board. An employee applicant will be considered in a fair and appropriate manner as would any applicant. After considering qualifications, experience, etc., an opening will be filled by the person best qualified for the position. All promotions are made without regard to race, color, religion, sex, age, national origin, disability, or marital status. No supervisor may alter the terms of employment from "at-will" to a contracted relationship due to a promotion of an employee to a different position.

4.07 On Call Policy

(a) Roles and Responsibilities

(1) Department Directors:

- (A) The Deputy City Administrator, Maintenance Director, and the Parks and Community Services Director, will schedule employees for On-Call duty. Priority will be given to employees who volunteer for duty and have the necessary knowledge and skills for On-Call duty.

SECTION 5: BENEFITS

5.01 Insurance

The City provides varying types of insurance coverage, which includes hospitalization, major medical, life, long-term disability, and dental for full-time, regular employees only. The types of insurance coverage, and the required employee participation, may vary from year to year. Upon employment, an application for coverage shall be completed on the employee and forwarded to the insurance company. The application must be submitted before coverage will become effective. If an employee is on unpaid leave for longer than thirty consecutive days, the absence may affect the employee's insurance coverage and may result in the loss of paid coverage by the City. If this occurs, the employee will be offered continuation of health coverage at the employee's cost (COBRA) for the time of unpaid leave to the extent required by law.

5.02 Workers' Compensation

(a) Workers' Compensation coverage is provided for all employees.

(b) In the event of a job-related injury, a standard Workers' Compensation claim form must be completed and submitted to the City Administrator within forty-eight (48) hours of the accident causing the injury, or within forty-eight (48) hours from the time the employee is physically able to do so. Contact the City Administrator to obtain the necessary form(s).

5.03 Leave

(a) Holidays: Employees are generally not required to work on City holidays. The City may choose to observe the day preceding or following a holiday's official date. Each year the City Council will adopt the official City Calendar and that shall be the official list of City Holidays for employees for that year. City holidays are as follows, but are subject to change pursuant to City Council discretion:

- New Year's Day
- Martin Luther King's Birthday (third Monday in January)
- Washington's Birthday (Presidents Day) (third Monday in February)
- Memorial Day (last Monday in May)
- Fourth of July
- Labor Day (first Monday in September)
- Columbus Day (second Monday in October)
- Veterans Day (November 11)
- Thanksgiving Day and the Day after Thanksgiving
- Christmas Eve
- Christmas Day
- New Year's Eve

Full-time, exempt employees required by their supervisors to work on a holiday shall be given the same amount of substitute time off as is worked, up to 8 hours substitute time off with pay on another date. Full-time, nonexempt (hourly employees who are eligible for overtime) employees who are required to work on a holiday shall be given: (1) 8 hours of holiday pay; plus (2) straight time pay for the hours of work on the holiday. Regular, part-time employees are eligible for holiday pay on a pro-rated basis. An employee on unpaid leave on a designated holiday, or in a non-pay status on a scheduled workday immediately preceding or immediately following a designated holiday, shall not receive pay for the holiday. An employee on preapproved vacation leave on a designated holiday, or any type of paid leave, shall not have the holiday deducted from his or her leave time.

(b) Religious Observance: Employees desiring to observe religious holidays not coinciding with an officially designated City holiday may be given time off without pay, or may be authorized to use accrued vacation leave, a floating holiday, or compensatory time.

(c) Vacation: Upon hire, full-time, regular employees shall commence to accrue paid vacation as follows: 4 hours each month if employed less than 1 year; 7 hours per month if employed 1 to 4 years; and 10 hours per month if employed more than 4 years, but less than 10 years. A full-time regular employee who has been employed more than 10 years shall receive 14 hours per month of vacation leave. Each regular employee will be eligible to use accrued vacation hours after successfully completing a 90-day introductory period.

Vacation leave shall accrue on a prorated basis each year of employment. All requests for vacation leave are subject to the City's staffing needs and must be approved in advance by the City Administrator. On January 1st of each year accrued vacation time will be reviewed for each employee and any accrued vacation hours over 120 hours shall expire. Accrued vacation leave that has not expired will be paid out when an employee leaves service with the city up to 112 hours.

- (d) Sick Leave:** Full-time, regular employees shall commence to accrue paid sick leave at the rate of 4 hours per month upon full-time employment with the city. Sick leave may be taken as accrued when an employee is ill, to attend doctor/dentist appointments, or to care for a member of the employee's household. Employees unable to work because of unexpected illnesses shall notify their immediate supervisor as soon as reasonably possible. The City may require a physician's verifying statement for any illness that exceeds 3 working days within a two week pay period, or in the event of excessive absences or absences of extraordinary duration. Sick leave may be carried over to subsequent fiscal years. Accrued sick leave will not be paid out when an employee leaves service with the city. Any employee who exhausts sick leave due to illness may substitute vacation leave or other appropriate paid leave during the time of the illness.
- (e) Injury Leave:** An employee injured on-the-job shall receive benefits as provided in the City's Workers' Compensation coverage. Nothing herein shall prevent an employee from using accumulated sick leave, vacation leave, or compensatory time off during an absence due to injury. An employee shall immediately report any injury incurred in the line of duty, however minor, to a supervisor, and take such first aid treatment as may be necessary. In the event of a job-related injury, a standard Workers' Compensation claim form must be completed and submitted to the City Administrator within forty-eight (48) hours of the accident causing the injury, or within forty-eight (48) hours from the time the employee is physically able to do so.
- (f) Compensatory Time:** Salaried, exempt employees will receive compensatory time with pay at a rate of one hour comp time for every hour worked over 40 in a standard seven-day work period (**1:1**). Compensatory time may be carried over to subsequent fiscal years. Compensatory Time of more than 100 hours may not be carried over to the next fiscal year. The City may either: (1) recommend time off for the employee to use Compensatory Time off; or (2) shall exchange pay for Compensatory Time, at the City Administrator's discretion for payouts of 80 hours or less where the hours cannot be carried over and the employee does not take the hours as paid time off. The Mayor may approve an additional payout of 20 hours of compensatory time off. For payouts of over 80 hours not approved by the Mayor, the issue may only be approved by City Council. This section does not apply to compensatory time off earned in lieu of overtime for nonexempt employees.
- (g) Civic Leave:** Each January 1st each full-time, exempt and non-exempt, regular employees shall accrue 8 hours of paid leave toward satisfying civic activities, such as voting and to report to calls for jury service. New employees accrue the 8 hours of Civic Leave upon employment. Employees granted civic leave for jury service shall retain all juror fees. Employees excused or released from jury service during working hours shall report to their work stations, unless otherwise instructed. Civic leave may not be carried over to subsequent fiscal years.

(h) Bereavement Leave: Bereavement leave shall be available to any full-time or part-time regular employee whose 90-day introductory period has been completed. Bereavement leave shall not exceed three consecutive workdays, and shall be prorated for part-time regular employees. Bereavement leave is available upon the death of an immediate family member or a member of the employee's household. Immediate family member includes children, spouse or partner, parent, grandparent, grandchild, or sibling, whether related by blood or marriage. A member of the employee's household includes any individual who resides with the employee.

(i) Family & Medical Leave: Benefits under the Family & Medical Leave Act will not accrue to any city employee until required by law (when the city reaches 50 employees or the change in the law occurs). When the City has fifty (50) or more employees or otherwise becomes subject to the FMLA, each full-time, regular employee shall be entitled to leave in accordance with the federal Family & Medical Leave Act (FMLA), if applicable. It is the City's policy that any accrued vacation leave, sick leave, and compensatory time shall be applied toward FMLA leave and run concurrently with FMLA leave until exhausted prior to commencing any unpaid portion of the requested FMLA leave. If an employee has a question regarding eligibility regarding FMLA leave, the employee should contact the City Administrator.

(j) Pregnancy & Parental Leave: An employee shall be entitled to non-compensated parental leave of up to twelve (12) weeks of leave. SECTION 9: SURPLUS EQUIPMENT POLICY

9.01 Purpose

The purpose of this *Surplus Equipment Policy* is to establish procedures for managing and disposing of the City’s surplus property and equipment in a manner that is fiscally responsible. This policy applies to all City of Dripping Springs personnel.

9.02 Definitions

Office Equipment: Not office supplies. Includes furniture, electrical appliances, wall hangings, and anything else valued over \$25.00 and/or listed in the City of Dripping Springs liability inventory.

IT Equipment: Machines used to acquire, store, analyze, or process data and information electronically, including for printing, transmitting, and receiving, or storing electronic information such as a computer, computer accessories, or copy machine.

Surplus Property: Equipment, furniture, scrap or salvaged material, or other tangible property that might still have some usefulness but is no longer needed or required by the City of Dripping Springs, regardless of its present condition or estimated value.

Office Supplies: Office tools such as staplers, writing utensils, scissors, and other tools used within the office with a replacement value of under \$25.00.

Salvage Property: Generally, refers to personal property that is damaged, used, or consumed so that it has no value for the purpose for which it was originally intended.

9.03 Procedure

Under this policy, City staff are responsible for:

- (1) Coordinating the transfer of surplus equipment from the City;
- (2) Ensuring that the appropriate paperwork or forms are completed prior to transfer;

- (3) Providing temporary storage until sale or disposal of the surplus equipment or property;
- (4) Maintaining a master list of all surplus equipment that is transferred or is awaiting transfer;
- (5) Updating the master list of surplus equipment accordingly;
- (6) Allocating the proceeds from the sale of surplus equipment properly and in accordance with Texas Local Government Code Chapter 51, if necessary.

Unauthorized removal, disposal, or expropriation of City equipment or surplus property is considered theft and constitutes a serious breach of City policy and may result in disciplinary action, including, but not limited to dismissal, or criminal prosecution.

(a) Reporting Authority: Parks employees shall report issues related to non-IT equipment to the Parks and Community Services Director.

All other employees shall report issues related to non-IT equipment to the Maintenance Director.

All employees shall report issues related to IT equipment to the IT Coordinator.

(b) Surplus Equipment: The City Maintenance Director may declare equipment or property that is no longer useful for the City of Dripping Springs as surplus. Before declaring equipment or property as surplus, the Maintenance Director is encouraged to:

- (1) Trade in the property towards the purchase of new property;
- (2) Transfer the property within the City; or
- (3) Transfer the property to another City office.

The City Maintenance Director shall oversee any of the above transactions or other disposal of surplus equipment or property.

(c) Broken Equipment (Non-IT): The City Parks and Community Services Director and the City Maintenance Director can determine the procedure for the disposition of broken equipment that can be repaired.

If broken equipment cannot be repaired, an employee shall inform their immediate supervisor. The Department Director will work with the City Parks and Community Services Director or the City Maintenance Director to dispose of that broken equipment or property with written approval by City Administrator. This does not govern the procedure for disposal or transfer of broken IT equipment or property.

(d) Unused Equipment (Non-IT): An employee shall inform their immediate supervisor if there is unused equipment at their workstation or site. The Department Director will work with the City Parks and Community Services Director and the City Maintenance Director to determine the procedure for the disposition of unused equipment or property

with written approval of the City Administrator. Unused equipment is equipment that is no longer needed due to:

- Lack of continued need
- Lack of trade-in value
- Obsolescence
- Wear, damage, or deterioration
- Major repair is impractical
- Excessive cost of maintenance

(e) **Broken Equipment (IT):** The City IT Coordinator is in charge of processing, transferring, and disposing of broken IT equipment or property. In general, the length of time that an electronic or computing device should be a consideration when determining whether such a device should be deemed surplus, especially if IT equipment is broken, or breaks often. Used IT devices, even broken devices, can contain confidential data and licensed software that are at risk of unauthorized use. To promote the security of confidential information, the IT Coordinator is required to erase data stored on IT devices before their sale, disposal, or relocation.

Many IT devices contain harmful heavy metals that are harmful to the environment when improperly disposed. If these devices are subject to disposal, they cannot be disposed of in landfills or other scrap metal recycling programs. Compliance with local or state recycling programs is requested.

Employees shall inform IT coordinator of broken equipment. If broken beyond repair, IT equipment cannot be repaired, an employee shall inform IT Coordinator. The IT Coordinator may dispose of that the broken equipment or property with written approval by City Administrator.

(f) **Unused Equipment (IT):** The City IT Coordinator is in charge of processing, transferring, and disposing of unused IT equipment or property. In general, the length of time that an electronic or computing device should be a consideration when determining whether such a device should be deemed surplus. If the equipment is unused and can be transferred or sold, then the City IT Coordinator should make that consideration when determining proper disposition procedures for that equipment or property.

Unused IT devices still contain harmful heavy metals that are harmful to the environment when improperly disposed. If these devices are subject to disposal, they cannot be disposed of in landfills or other scrap metal recycling programs. Compliance with local or state recycling programs is requested.

Employee shall inform the IT Coordinator if there is unused IT equipment at their workstation or site. The IT Coordinator can determine the procedure for the disposition

of unused equipment or property with written approval of the City Administrator. Unused equipment is equipment that is no longer needed due to:

- Lack of continued need
- Lack of trade-in value
- Obsolescence
- Wear, damage, or deterioration
- Repair is impractical
- Excessive cost of maintenance

(g) Equipment for Sale: The City Maintenance Director is in charge of selling any surplus equipment or property. Items may be transferred to other City departments, donated to non-profit organizations, or given away at no cost to avoid landfill disposal. Items will be sold at the discretion of the City Maintenance Director with approval from the City Administrator. The City Maintenance Director, with the prior approval of the City Administrator, may donate surplus equipment or property directly to a non-profit organization with proof of the 501(c)(3) status of recipient.

(h) Office Supplies: For office supplies, as defined above, that are broken, such as a stapler or scissors, an employee may dispose of such supply. After disposing of any such property, the employee should inform their immediate supervisor and the Department Director will inform the City Maintenance Director or City Parks and Community Services Director of the disposition.

For office supplies, as defined above, that are unused, such as a stapler or scissors, an employee shall inform their immediate supervisor. The Department Director will inform the City Maintenance Director or City Parks and Community Services Director so that such supply can be stored.

If there is a question of whether an item can be disposed of as an “office supply” or whether an object is “equipment”, the employee should contact the City Maintenance Director or City Parks and Community Services Director for verification and handle such property appropriately.

SECTION 10: TRAVEL AND REIMBURSEMENTS

10.01 Registration Fees

Fees charged for registration for conferences meetings, or seminars are allowed for prepayment or reimbursement. Invoices, registration forms, and supporting information providing documentation of fees or rates must be submitted with the request for payment.

10.02 Reimbursements

Reimbursement for education, training, conference, and other business-related expenditures incurred by City employees and officials in the performance of their duties and responsibilities will comply with standard, uniform procedures. Reimbursements may

be made for the following types of expenditures, upon submittal of an expense report along with the receipts:

- (a) **Transportation:** Coach rate air fare, toll roads, out-of-pocket expenses incurred during use of a City vehicle, mileage at the current Internal Revenue Service established rate. Cost of any taxi fare incurred, plus gratuity. Cost associated with parking of personal or City vehicles resulting from travel or conduct of City business. Each official and employee will use best efforts to use the most cost-efficient travel for each trip. Reimbursements will only be given for the actual cost of travel and will not be given for the use of reward travel or “miles”.
- (b) **Meals:** Cost of meal reimbursement will be based on actual charges and should be reasonable and prudent, not extravagant. The costs of meals will be reimbursed up to the state per diem rate for the location at which the meal is purchased pursuant to the rates established by the U.S. General Services Administration.
- (c) **Entertainment:** Employees are responsible for the costs of their own entertainment.
- (d) **Lodging:** Actual cost of room, plus appropriate taxes.
- (e) **Per Diem:** The City Administrator or Mayor may establish per diem for certain travel events.

10.03 Cash Advances

Employees shall submit receipts accounting for all cash advances made from petty cash.

SECTION 11: DISCRIMINATION

11.01 Equal Employment Opportunity

The City’s employment decisions are made without regard to race, color, religion, sex, age, national origin, handicap, or marital status. Discrimination or harassment against any person in recruitment, examination, appointment, training, promotion, discipline, or any other aspect of personnel administration because of political or religious opinions or affiliations, membership or non-membership in employee organizations, or because of race, color, national origin, age, disability, veteran status, sex, or marital status is prohibited. Any employee discriminated against or harassed shall report such conduct to his or her immediate supervisor or City Administrator; provided, however, if a City Administrator is the alleged source of a claim of discrimination or harassment, the aggrieved employee may address such claim directly to the Mayor, or if the Mayor is the alleged source of a claim, then the aggrieved employee may address such claim directly to any member of City Council.

11.02 General Prohibition

The City shall base all employment actions and decisions on a person's qualifications, experience, performance, demeanor, and behavior. The City shall **not** discriminate against employees on the basis of race, ethnicity, sex, religion, or nation of origin.

11.03 Harassment

(a) Harassment Prohibited

It is City Policy that all employees should be able to enjoy a work environment free from all forms of unlawful discrimination, including sexual, racial, religious, or other harassment. Accordingly, no employee shall engage in harassment of any employee, applicant, or any other individual.

(b) Harassment Defined

Harassment is behavior that is motivated in whole or in part by a person's protected class, that is not welcome, and is personally offensive, or that lowers morale and that, therefore, interferes with an employee's work effectiveness. It can include verbal abuse and gestures. Harassment occurs in many forms, including but not limited to, unwelcome physical contact, verbal abuse, leering, gestures, electronic communication, and more subtle communication or advances and pressure involving the individual's protected class. Harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
- (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individuals; or
- (3) such conduct has the purpose or effect of interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment, whether or not it is directly linked to the granting or denial of an economic benefit.

(c) Harassment is Punishable

Harassment is a form of misconduct that undermines the integrity of the employment relationship. No employee should be subjected to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical or verbal abuse related to a protected status. A finding that any employee has committed any such form of harassment will result in disciplinary action.

(d) Reporting Required

Any employee who believes that the employee has been subjected to any of the forms of harassment set forth above should report this harassment to: (1) the employee's supervisor; (2) the City Administrator; (3) the City Attorney; and/or (4) the Mayor. Complaints against the City Administrator should be reported to the Mayor, the City Attorney, or a member of the City Council. Every supervisor or officer receiving a report

of alleged harassment must notify the Mayor and all persons in the alleged offender's chain of command. Appropriate action must be promptly taken. The first action taken in such event shall include steps calculated to prevent reoccurrence of any such alleged incidents, pending investigation and final resolution of the complaint. Each such report shall be investigated promptly and appropriate corrective action will be taken with the City Administrator's concurrence unless the allegation involves the City Administrator, in which case the appropriate corrective action will be taken by the Mayor.

(e) Investigation Without Retaliation

All good faith complaints of harassment will be promptly investigated, ensuring confidentiality to the maximum possible extent. Disciplinary action shall be taken against any employee in violation of this policy. Such disciplinary action will be determined by the nature of the wrongful act and may result in immediate dismissal of the offending employee. No employee of the City shall be retaliated against for filing a complaint of harassment in good faith or for participating and cooperating in the good faith reporting or investigation of such a claim. However, the City recognizes that false accusations of harassment can have serious effects on innocent men and women, their reputation, and their families. False accusations of sexual harassment will result in severe disciplinary action.

(f) Training Required

It will be the responsibility of the City Administrator to inform all employees of the policy concerning non-discrimination, equal employment opportunities, and harassment, as well as the gravity of such behavior and the procedure to be employed in the event an allegation develops.

11.04 Disabilities

The City shall evaluate all job applicants and employees based on ability to perform the essential functions of the position with or without reasonable accommodation. The City shall comply with the federal Americans with Disabilities Act (ADA).

11.05 Religious Affiliation

The City shall not evaluate or take employment action on job applicants or employees based on the applicant or employee's religious practices or membership. It is imperative, however, that employees not allow their religious activities to interfere with the performance of work-related duties or the completion of assignments. Being a government institution, the City does not allow employees to proselytize.

11.06 Immigration Law Compliance

- (a) Federal law requires that the City ensure all employees are authorized for employment in the United States. Therefore, only individuals lawfully authorized for employment in the United States will be employed.
- (b) In connection with federal law, the City must collect certain information and review certain documentation concerning the employment authorization of individuals

hired. This information and documentation will be used only for compliance with the Immigration Reform and Control Act, as amended, and not for any unlawful purpose. If an employee's employment authorization changes or terminates after the start date of employment, the employee will be responsible for informing the City Administrator or a Human Resources representative immediately.

SECTION 12: DISCIPLINARY MEASURES

12.01 Progressive Discipline

To the extent practicable, the City prefers to pursue a course of progressive discipline, which may include the following options (in no particular order): verbal counseling, training, verbal reprimands, written reprimands, suspension with pay, suspension without pay, demotion, reduction in pay, and discharge.

12.02 Discretionary Discipline

Whether to take disciplinary action rests with the discretion of the City Administrator, Mayor, who shall not be bound by the terms or procedures of this Manual (which is solely a guide).

12.03 Grievance Procedure

- (a)** Employees or recently separated former employees dissatisfied with any employment issue, such as a possible job discrimination matter, health and safety issues, drug-related issues, or a disciplinary matter, may pursue a grievance.
- (b)** Employees or recently separated former employees may submit a written grievance regarding any employment issue to the City Administrator within five (5) business days of the latest occurrence. A written grievance involving the City Administrator may be submitted to the Mayor within five (5) business days of the latest occurrence. The notice must specify what action was taken by the City or what action has been observed, and how the action is either unwarranted or inappropriate.
- (c)** The City will investigate when necessary, allow the initiator of the grievance a reasonable opportunity to bring forth evidence and witnesses to support the initiator's case, and allow the initiator to question and fully refute any charges brought against the employee or recently separated former employee. The City Administrator shall issue a decision on all grievances to the submitting employee. For employees for which the City Administrator is the final hiring and termination authority, the City Administrator's decision is final. For employees for which the City Council is the final hiring and termination authority, the submitting employee may appeal the City Administrator's decision to the Mayor for consideration by City Council within five business days of receiving the decision of the City Administrator.

12.04 Personnel Files

Employees may request access to their personnel files via the City Administrator. In general, for individuals other than the employee, an employee's personnel file should be

accessed only by those who have a job-related need to know or if a law requires the release. Under the Public Information Act, and subject to confidentiality rules set by state law, some or all of an individual's personnel file may be released to a member of the public if requested.

SECTION 13 : SEPARATIONS

13.01 Non-Disciplinary Separations

- (a) **Layoffs:** The City retains the ability to restructure all employment positions and perform any necessary Reductions in Force (RIFs).
- (b) **Resignation:** Employees may resign at any time. To remain in good standing, employees are encouraged to provide two (2) weeks' notice of any intent to voluntarily leave employment.
- (c) **Retirement:** Any retirement intentions must be in conformance with the City's retirement plan.
- (d) **Incapacity:** An employee may be separated if such employee is unable to perform the functions of the employee's position, as expressly provided in the job description for such position, with or without reasonable accommodation. A finding that an employee is Unfit for Duty shall be made only through individual medical determination by a competent medical authority as prescribed by the City Administrator and Mayor. The City Administrator may require that a current employee undergo a Fit for Duty evaluation, at the City's expense, to determine if such employee is able to satisfactorily perform the essential functions of the employee's current position, and whether the employee can satisfactorily perform such functions with or without reasonable accommodation.

13.02 Discharge

Authority to terminate resides with the City Administrator unless the employee is hired by City Council pursuant to state law or this Manual. The City Administrator shall consult with the employee's supervisor and the City Attorney prior to termination. During an investigation related to discipline or discharge, the City Administrator may place the employee on paid or unpaid administrative leave. Either the City or employees may terminate the employment relationship, for any reason, or no reason (so long as the reason is not discriminatory, as established by this Manual).

A non-exhaustive list of grounds for discipline or discharge of an employee by the City include (but is not limited to) the following:

- (a) Insubordination
- (b) Neglect of Duty
- (c) Violation of City Policy, City Ordinance, State Law, or Federal Law
- (d) Failure to conduct self in a courteous and proper manner while on duty. Misappropriation of Funds, Equipment, or Supplies

- (e) Persistent tardiness or truancy
- (f) Carelessness or Recklessness
- (g) Misconduct
- (h) Misuse of City equipment or information
- (i) Dishonesty
- (j) Violation of Personnel Manual
- (k) Incompetency
- (l) Harassment

13.03 Return Items

On or before the last day of employment with the City, all departing employees must return all equipment, supplies, files, and resources provided to the employee by the City during the employee's tenure with the City.

13.04 Payment for Leave

The City will pay separated employees for untaken vacation leave of up to 112 hours if the employee has worked for the City for at least 1 year. Compensatory time will be paid-out upon termination for all exempt employees. Employees who are terminated or do not provide adequate notice of resignation shall not receive accrued vacation leave.

13.05 Reference

All reference inquiries are to be directed to the City Administrator or the City Administrator's designee. The City Administrator may designate an employee or former employee's supervisor or director as the appropriate individual to provide a reference. Under state law, the City is allowed to provide a truthful employment reference regarding a current or former employee. However, the City is not required to provide an employment reference to or about a current or former employee.
