## Overview

The applicant is requesting a zoning map amendment change for two (2) tracts generally located northwest of the intersection of Bluff Street and Hays Street, within the Hays Street Historic District. Tracts 1 and 2 are requesting to rezone from Two-Family Residential - Duplex (SF4) to Single-Family Attached Residential District (SF-5) Garden Home (SF5) with a Conditional Overlay.

The zoning district Single-Family Attached Residential District (SF-5) Garden Home is intended to promote stable, quality, residential development on individual lots at slightly increased densities. Individual ownership of each lot is encouraged. This district may be included within certain areas of neighborhoods or, when in accordance with the intent of the Comprehensive Plan, may provide a “buffer” or transition district between lower density residential areas and multiple-family or nonresidential areas or major thoroughfares.

Permitted Uses: Those uses listed for the SF-5 District or any less intense residential district in Appendix C [Appendix E] (Use Charts) as “P” or “C” are authorized uses permitted by right or conditionally permitted uses, respectively.

Both tracts are within the Hays Street Historic District. When a lot is within the historic district, they shall comply with the Historic District Overlay as well as the Zoning District Use Chart. Certain uses could be prohibited in the Historic District but allowed in General Retail.

The applicant is also requesting a Conditional Overlay that would help complement the development of the lot to have a similar aesthetic to the properties south on Hays Street.

Staff worked with the applicant to find restrictions that complemented the neighborhood aesthetic the following conditions within the Conditional Overlay are below:
