RE: SUB2020-0021
Parten Ranch Phase 2 RP PV
Parten Ranch Parkland Plan
A311-404-311

Dear Ms. Padilla:

This letter is submitted along with the updated Parkland plan for the Parten Ranch Development. The original parkland plan was approved along with the subdivision concept plan, and has been updated to reflect the current development plan along with some minor changes to layout of the streets and lots.

No change in overall impervious cover, lot sizes, or development character has occurred. We have changed the amenity center site (there is an approved site plan and plat) and have reconfigured some open space lots. Additionally, the phasing of the project has been adjusted and Phase 5 is currently under construction, with Phase 3 scheduled to begin first quarter of 2021.

Overall, open space has increased from approximately 305 to 309 acres. We feel the proposed changes are minor but would appreciate consideration and approval of the updated plan by the Parks Commission.

If you have any questions, please do not hesitate to contact me at 512-439-4700.

Sincerely,
