**FM Committee Meeting Date:** July 28, 2022

**Agenda Item Wording:** Discuss and consider market's operating hours – in unsafe/uncomfortable temperatures – and what returning to normal looks like.

**Agenda Item Requestor:** Charlie Reed

---

**Summary/Background:**

1. After the emergency move to morning hours, we've had two weeks to gather feedback – and the feedback goes in all directions at once.
2. Feedback has included comments in person and across social media with the question: When are you going to open a Saturday market? I believe serious consideration needs to be given to this possibility.
