Reference Number: CL-1772032

TO LOCAL POLITICAL SUBDIVISIONS:

THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOIDS SECONDARY MANUFACTURERS SETTLEMENTS. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.

Deadline: October 8, 2025

A new proposed national opioids settlement ("*Secondary Manufacturers Settlements*") has been reached with eight opioids manufacturers: Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus ("*Settling Defendants*"). This *Combined Participation Package* is a follow-up communication to the *Notice of National Opioids Settlement* recently received electronically by your subdivision.

You are receiving this *Combined Participation Package* because Texas is participating in the Secondary Manufacturers Settlements.

If a state is not eligible to or does not participate in the settlement with a particular manufacturer, the subdivisions in that state are not eligible to participate in that manufacturer's settlement.

This electronic envelope contains:

- A *Combined Participation Form* for the *Secondary Manufacturers Settlements* that your subdivision is eligible to join, including a release of any claims.

The *Combined Participation Form* must be executed, without alteration, and submitted on or before October 8, 2025, in order for your subdivision to be considered for initial participation calculations and payment eligibility under the *Secondary Manufacturers Settlement*.

Based upon *Combined Participation Forms* received on or before October 8, 2025, the subdivision participation rate will be used to determine whether participation is sufficient for each settlement to move forward and whether a state earns its maximum potential payment under each settlement. If a settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also

reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

You are encouraged to discuss the terms and benefits of the *Secondary Manufacturers Settlements* with your counsel, your Attorney General's Office, and other contacts within your state. Many states are implementing and allocating funds for this new settlement the same as they did for the prior opioids settlements but states may choose to treat this settlement differently.

Information and documents regarding the *Secondary Manufacturers Settlements*, implementation in your state, and how funds will be allocated within your state can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created. You may also visit the Texas Attorney General's Office website at <https://www.texasattorneygeneral.gov/globalopioidsettlement> for information.

This *Participation Packet* is different than the participation packet you recently received from Rubris concerning a settlement with Purdue Pharma, L.P, and the Sackler Family. The *Secondary Manufacturers Settlements* discussed in this *Participation Packet* are different than the settlement with Purdue and the Sacklers, and you may participate in the *Secondary Manufacturers Settlements* regardless of whether you join the Purdue and Sackler settlement.

How to return signed forms:

Please note that the Texas Attorney General's Office is collecting the executed *Participation Form* differently from prior opioid settlements. There are three methods for returning the executed *Combined Participation Form* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Combined Participation Form* electronically through DocuSign will return the signed form to the Implementation Administrator and associate your form with your subdivision's records. Electronic signature is the most efficient method for returning the *Combined Participation Form*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning a manually signed *Combined Participation Form* via DocuSign will associate your signed forms with your subdivision's records.

(3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return an executed *Combined Participation Form* using DocuSign, the signed *Combined Participation Form* may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line *Combined Settlement Participation Form – [Subdivision Name, Subdivision State] – [Reference ID]*.

Detailed instructions on how to sign and return the *Combined Participation Form*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com/additional-settlements/>. You may also contact opioidsparticipation@rubris.com and/or opioids@oag.texas.gov if you have any questions.

The sign-on period for subdivisions ends on October 8, 2025.

If you have any questions about executing the *Combined Participation Form*, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or the Texas Attorney General's Office at opioids@oag.texas.gov.

Thank you,

Secondary Manufacturers Settlements Implementation Administrator

The Implementation Administrator is retained to provide the settlement notice required by the Secondary Manufacturers Settlements and to manage the collection of the Combined Participation Form.
