This is to certify that I, the undersigned professional engineer, or my representative, have visited the referenced project site during construction. We have reviewed construction progress reports, logs, shop drawings, and test reports. On this date, I made an on-site inspection of the referenced project finding the project at least 95% complete. We find no discrepancy or deviation from the approved construction plans exist which may materially affect the usefulness of the work for the purpose and life intended for the project by design, except those listed below. I, therefore, recommend acceptance of this project by the City of Dripping Springs upon satisfactory correction of the following items:
