

# New Dripping Springs Community Library Proposed Community Spaces

The Dripping Springs Community Library has long served as more than a place to borrow books- it is a vital cornerstone of our community.

It provides an inclusive, welcoming environment where individuals of all ages and backgrounds can come together in pursuit of lifelong learning, civic engagement, and cultural enrichment. As our community continues to grow and evolve, so too must our facilities. To meet the changing needs of current and future residents, we propose the addition of community spaces. These additions will not only expand the library's physical footprint, but also significantly enhance our programming capacity and the ability to serve a diverse and

The strategic location of the new Dripping Springs Community Library fosters a collaborative partnership among the City, the School District, and the Library. This initiative directly supports the TIRZ objectives by enhancing the vitality, reinforcing the community character, and strengthening the economic and cultural vitality of

Building the new library within walking distance of the high school ensures students have easy access to books, technology, programming, and study spaces that support their education. Nestled between the district office and the high school, the library's central location
