Dripping Springs Ranch Park -Submitted by: Tina Adams – Event Center Manager

September was an exciting month for DSRP with several successful weddings, large horse shows and preparing for the Upcoming Rodeo in October.

In preparation for the fall show season, the local Hays County 4-H club has started meeting again on Monday nights at DSRP.

The Dripping Springs Fair & Rodeo was postponed until October 16-17th. With the current Covid-19 safety precautions, this event has downsized considerably and will operate at 50% capacity. The DSRP board and CODS city council approved the amended fee schedule for the 2020-2021 DSRP budget. Also 2 major repairs to the Event Center have been completed (NE Corner of new addition door and Warm Up Arena roll up door). The management team is currently revamping the DSRP riding series for this next season/series. The management team is gaining a new member for October. Lily has an extensive background in livestock and equine fields, event planning and customer service. With the event center starting to ramp back up, she will be a welcome addition.

Founders Memorial Park & Pool –

New trail segment has been completed as previously reported. Discussions and plans are being formulated for moving forward on the additional proposed parking area adjacent to future skateboard park.

Community Events & Programs – Submitted by: Maggie Martin, Programs and Events Specialist

Bird City:
We are continuing our efforts for earning the Bird City Designation. Planning meetings with the Bird City Texas Committee have continued and the team is working hard on their designated items to meet our December deadline.

The 'Lights Out' Proclamation passed on September 8th, 2020. Throughout September and October, you can show your support for protecting Dripping Springs bird species by signing the pledge on the Dripping Springs Bird City webpage. The program has been well received by the public with X pledges so far.

In September, the Night Sky Month Proclamation passed, recognizing the month of October Night Sky Month. We are discussing possible events or programs to support IDA and Night Sky Month.

The Charro Ranch Park Bird Interpretive signage has been completed! The Bird guide is currently being printed and will be available for use in October! Head over to the Charro Ranch Birding station to check it out! Thank you to Tom Hausler, a DS Birding Club member and bird photographer, for donating photos to be used in the guide. The project would not have been a success without his generosity.

In other news, Charro is getting love and attention from our fellow Girl Scouts! We have one Silver Award Candidate applying to work with the City on restoring the Charro Ranch Park kiosk! She will spend approximately 50 hours working to make the kiosk more inclusive and relevant. She will be leading the project, and working closely with staff to tackle the project.

Christmas on Mercer:

Continued planning of Christmas on Mercer 2020- sponsorship is open and supporters have already begun submitting their sponsorships. Vendor applications are open as well and are at 60% capacity. We are continuing our efforts of gaining more sponsors and vendors! The PCS department has teamed up with other city entities to update the Traffic control plans, our health and safety protocol, and event site plan to work towards creating a safer event for our community. This year the tree lighting will be held virtually. Movie in the Park:

Continued planning of the Halloween special movie in the park! We have received sponsorship from Austin Realty who have donated to the expense of the event. Sponsors will get a special shout out at the event with their logo (or chosen piece of marketing) will be shown on the screen before the show begins as well as any banners and posts from the City! It will be held at Ranch Park and will adhere to COVID regulations by limiting the number of guests, spacing out parking spots, and using an online, touchless reservation system. Signups will begin at the end of September. We will be showing the new Addams Family (2019)!

Farmers Market – Submitted by: Laurel Robertson, Market Manager

In September, the Farmers Market was able to accomplish a long-term goal of moving weekly booth reservations and payments online. It took several weeks, and plenty of backup support from PCS Team Kelly Schmidt and Maggie Martin, but the new system is operational and vendors are successfully using it. Ongoing tweaks and improvements are expected during the coming months.

Manager Robertson continues to be in conversation with Mayor Foulds about re-opening the market to live music, craft vendors, and public seating as COVID restrictions are lifted. The Mayor okayed increasing craft vendors at this time, with the promise of revisiting the entertainment and seating options soon.

At their September meeting, the Farmers Market Association Board approved offering reduced joining fees for Holiday Vendors (November and December markets) and moving the market indoors at DSRP Event Center during January, February, and the first part of March. Market Manager Robertson will coordinate with the DSRP Event Center Staff on logistics for the temporary move.

Marketing, Website, Social Media, Branding & Communications

The PCS department continues to expand their website pages to encompass the resource as a tool to provide the full scope of services within the department's span of responsibility. Currently, the "Community Services" aspect of the department is lacking in web presence and ease of service access. Staff is in the process of creating an easier application process and information dissemination platform.
