Subject: DSYSYA Recommendation for Parks and Rec Commissioner

Dear Members of the Commission,

I am writing to recommend **Larry Lane** to serve as the DSYSYA representative on the Dripping Springs Parks and Recreation Commission.

Larry brings a thoughtful, collaborative approach and a strong understanding of youth sports operations, facilities, and community partnership. He is well-respected within DSYSYA and consistently demonstrates sound judgment, accountability, and a long-term perspective that aligns well with the Commission's mission.

I am confident Larry would represent DSYSYA professionally and contribute meaningfully to discussions around parks planning, youth programming, and shared community resources. Please feel free to reach out if any additional information would be helpful.

Sincerely,
Tyson Joe
