**STANDARD PAYMENT TERMS**

Products and quantities needed are the responsibility of the customer. All products are produced to individual customer specification and unless otherwise stated, require a 50% down payment before manufacturing along with a sign off on this quotation. Balance of materials, freight and packaging and sales tax (if applicable) is due before products ship. This payment method is an effective and efficient system to ensure timely production and scheduling, ultimately providing greater cost savings to the client. MasterCard®, Visa®, American Express® and Discover® are accepted payment methods.

Credit card orders will be immediately activated. Client may pay balance C.O.D. with a cashiers check. C.O.D. also requires an additional fee to the trucking company, payable with a second cashiers check. Please note that full truck shipments cannot be sent C.O.D.

- The remaining 50% of total costs is due before the products will ship from the factory. Upon notification from Client Services, the remaining balance is payable by approved credit card, check or money order.
