Agenda Item Wording: Discuss and consider approval for the purchase of a new identification sign for Founders Memorial Park Pool.

Agenda Item Requestor: Andrew Binz

Summary/Background: PCS staff are recommending the purchase and installation of an identification sign for the Founders Memorial Pool from ES Executive Signs for \$2,726.67. This sign was not included in the Park Signage Design Development Package in February of 2022, but it is designed with the same standards and colors as the future signs included within the plan.

Funding for this sign will come from savings within the Founders Memorial Park Improvements budget. The Cactus Garden Interpretive Panel was budgeted for \$2,000. Improvements to the Cactus Garden were not made as expected, therefore, a new sign was not needed. An additional \$900 of savings is from the Cool Deck Surfacing project completed earlier this year.

Staff Recommended approval as presented.
