Jacob,

My name is Andrew Binz and I am the new Parks & Community Services Director. Michelle has asked me to follow up with you on the new Founders Memorial Park Pool sign. I believe the attached rendering is the latest version per Michelle's requests from her email on June 2nd. I guess the next step would be to get an official quote from you to make the sign and install it. I will need to get a PO done through finance and present it to the Parks and Recreation Commission at their July 18th meeting for approval before I can place the actual order.

Thanks Jacob and please let me know if you have any questions.
