Re: Engineer's Concurrence for Driftwood Golf & Ranch Club (DGRC) Ranch Phase 3B Subdivision

Dear Mr. Sorenson,

This letter is to inform you that the permitted civil infrastructure for this section has been completed per the final as-built plans and a site inspection of the project has been performed for DGRC Ranch Phase 3B. The City of Dripping Springs inspector conducted the final walk and concluded the items were satisfactorily addressed.

Please accept this letter as my certification that the civil portion of this project is complete and has been built in accordance to plans and specifications. All punch list items generated from the final walk-through have been completed and I have submitted As-Built drawings to your office.

Sincerely,
