HB520	Oppose	Community and Economic Development	Relating to cottage food production operations.	would, among other things, provide that a local government authority, including a city, may not: (1) require a cottage food production operation to obtain any type of license or permit or pay any fee to sell certain foods directly to a consumer or vendor; or (2) employ or continue to employ a person who knowingly requires or attempts to require a cottage food production operation to obtain a license or permit in violation of (1), above.
HB521	Watch	Elections	Relating to accommodating voters with a disability; creating criminal offenses.	
HB522	Watch	Elections	Relating to the ability of voters with certain disabilities to cast a secret ballot.	
HB523	Watch	Public Safety and Emergency Management	Relating to the authority of the legislature, courts, the governor, and other state and local officials regarding declared states of disaster.	would, among other things, provide that: (1) a state or local official may issue recommendations and nonbinding guidelines to assist with a state of disaster and may coordinate public and private resources to prevent or respond to the disaster; (2) notwithstanding any other law, an order issued by the governor or a state or local official that regulates or infringes on the rights of any private person must be: (a) narrowly tailored to serve a compelling public health or safety purpose; and (b) limited in duration, applicability, and scope to reduce any infringement on individual liberty; (3) district and appellate courts have jurisdiction to hear cases challenging a state or local disaster order and shall expedite hearings for the cases; (4) a court may invalidate or enjoin a disaster order or the application of a disaster order that is not narrowly tailored to serve a compelling public health or safety purpose because of the order's inequality in application to or impact on groups, situations, or circumstances; (5) only the governor may issue an order that infringes in a nontrivial manner on a protected constitutional right, including but not limited to: (a) the rights to travel, work, assemble, and speak; (b) the freedom of religious exercise; (c) the right to contract without state interference; (d) property rights; (e) the freedom from unreasonable searches and seizures; and (f) the freedom to purchase lawfully acquired firearms and ammunition; (6) an order in (5), above, expires on the 30th day after the date the governor issues the order unless the governor or legislature terminates the order on an earlier date or the legislature extends the order on or before the expiration date; and (7) the governor may only suspend state agency orders and rules (not statutory requirements) during a
HB529	Watch	Public Safety and Emergency Management	Relating to eligibility for the bulletproof vest and body armor grant program.	would provide that a law enforcement agency means an agency of the state or an agency of a political subdivision of the state authorized by law to employ peace officers, including an independent school district.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB531	Watch	Elections	Relating to the use of certain devices by a person occupying a voting station.	
HB533	Watch	Other Finance and Administration	Relating to imposing liens for labor and supplies provided by cleaners.	
HB536	Watch	Personnel	Relating to covered benefits under the child health plan.	
HB537	Watch	Land Use	Relating to the authority of certain counties to regulate noise levels in residential areas; creating a criminal offense.	
HB540	Watch	Elections	Relating to the use of preferential voting in certain elections.	
HB545	Watch	Elections	Relating to the appointment of volunteer deputy voter registrars.	
HB546	Support	Property Tax	Relating to the eligibility of land taken by condemnation for appraisal for ad valorem tax purposes as qualified open-space land.	would provide that land owned by an entity other than the state or a political subdivision that acquired the land by condemnation is not eligible for appraisal as open-space land.
HB551	Watch	Open Government	Relating to address information contained on reports of political contributions and expenditures made available on the Internet by the Texas Ethics Commission.	
HB554	Watch	Public Safety and Emergency Man	Relating to the sale of fireworks on and before the Juneteenth holiday in certain counties.	
HB560	Watch	Land Use	Relating to light pollution mitigation for wind turbine generators.	
HB561	Watch	Other Finance and Administration	Relating to the eligibility of certain local governmental entities affected by the realignment of defense worker jobs or facilities to receive grants.	
HB562	Watch	Community and Economic Develop	Relating to the regulation of licensed dog and cat breeders.	would provide, among other things, that: (1) the comptroller shall establish and administer the small municipal revenue recovery grant program; (2) cities with population of 10,000 or less that experienced a decrease in total revenue of at least 15 percent during the preceding fiscal year as the result of a reduction or termination of contracts with private sector entities may apply for a grant from the program; (3) the comptroller may award a grant to a qualified city in the amount of:
HB563	Support	Other Finance and Administration	Relating to the establishment of the small municipality revenue recovery grant program to provide financial assistance for economic development to small municipalities facing severe economic hardships.	(a) not more than \$7 million for economic development programs; and (b) not less than \$100,000 or more than \$7 million to fund one or more specific projects to create or promote the creation of jobs in the city, including the purchase of real and personal property and the construction or improvement of new buildings, facilities, infrastructure, or other improvements.
HB564	Watch	Personnel	Relating to health benefit plan coverage for treatment of autism spectrum disorders.	
HB568	Watch	Elections	Relating to the registration of voters at a polling place and related procedures.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB571	Oppose	Other Finance and Administration	Relating to the use by a political subdivision of public funds for lobbying and certain other activities.	would: (1) except as provided by (2), below, prohibit a political subdivision from spending public funds to: (a) hire an individual required to register as a lobbyist for the purpose of lobbying a member of the Texas legislature; or (b) pay a nonprofit state association or organization that: (i) primarily represents political subdivisions; and (ii) hires or contracts with an individual required to register as a lobbyist; (2) provide that the prohibition in (1), above, does not prevent: (a) a city or county from spending public funds to compensate or contract with an individual required to register as a lobbyist for the purpose of influencing or attempting to influence the outcome of legislation related to the military, military service members, or military veterans; or (b) a full-time employee of a nonprofit state association or organization that primarily represents political subdivisions from: (i) providing legislative services, including services related to bill tracking, bill analysis, and legislative alerts; (ii) communicating directly with a member of the legislature to provide information; or (iii) testifying for or against legislation before a legislative committee; (3) provide that if a political subdivision engages in activity prohibited by (1), above, a taxpayer or resident of the political subdivision is entitled to injunctive relief to prevent any further prohibited activity and any further payments of public funds; and (3) provide that a taxpayer or resident who prevails in an action under (3), above, is entitled to recover reasonable attorney's fees and costs from the political subdivision.
HB582	Watch	Open Government	Relating to proper etiquette during the recitation of the pledge of allegiance to the state flag.	
HB583	Watch	Utilities and Environment	Relating to the regulation of fences near certain reservoirs by certain counties.	
HB584	Watch	Elections	Relating to electronic voter registration.	
HB587	Watch	Other Finance and Administration	Relating to a requirement that certain rules proposed by state agencies in the executive branch of state government be approved by certain elected state officials.	
HB590	Watch	Elections	Relating to notification by the secretary of state when a person convicted of a felony may register to vote.	
HB597	Watch	Transportation	Relating to the issuance of an excess gross weight permit for certain farm tractors on county, farm-to-market, and ranch-to-market roads; authorizing a fee.	
HB602	Support	Open Government	Relating to the qualifications for serving as a member of the board of directors of a municipal utility district.	would require all members of a municipal utility district's board of directors to own land subject to taxation in the district.
HB603	Watch	Transportation	Relating to the operation of school buses at certain railroad grade crossings.	
HB606	Oppose	Other Finance and Administration	Relating to de novo review and interpretation of state laws and state agency rules by reviewing court judges and administrative law judges.	would: (1) require a court and administrative law judge when reviewing a provision of state law, to interpret the meaning and effect of the provision de novo, without deference to a state agency's interpretation of the provision; (2) require a court in an action brought by or against a state agency concerning an ambiguous provision of state law, after applying all other rules and cannons of interpretation, to resolve the ambiguity in favor of limiting state agency authority; and (3) require an administrative law judge when conducting a hearing concerning an ambiguous provision of state law, after applying all other rules and cannons of interpretation, to resolve the ambiguity in favor of limiting state agency authority.
HB611	Watch	Elections	Relating to electronic voter registration.	
HB616	Watch	Personnel	Relating to health benefit plan coverage for certain at-home testing kits.	
HB618	Watch	Personnel	Relating to health benefit plan coverage of certain in vitro fertilization procedures for certain governmental employees and retirees.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB621	Watch	Land Use	Relating to the authority of a property owners' association to regulate the assembly, association, and speech of property owners or residents related to governmental officials or candidates for political office.	
HB638	Watch	Open Government	Relating to a requirement that certain water districts make audio and video recordings of open meetings available on the Internet.	
HB640	Watch	Elections	Relating to the office hours of an election authority during an election period.	would provide that, during an election period, the city secretary shall keep his or her office open for election duties for at least three hours each day, during regular office hours, on the days on which the main business office of the city is regularly open for business.
HB643	Watch	Other Finance and Administration	Relating to the requirement for payment bonds from certain public work contractors.	
HB645	Watch	Other Finance and Administration	Relating to the provision of certain co-navigation services to individuals who are deaf-blind.	
HB646	Watch	Public Safety and Emergency Man	Relating to the use of an unmanned aircraft to locate and retrieve wounded or killed wildlife.	
HB648	Watch	Land Use	Relating to the regulation of clotheslines by a property owners' association.	
HB656	Watch	Public Safety and Emergency Man	Relating to law enforcement policies regarding the issuance of citations for misdemeanors punishable by fine only and to a limitation on the authority to arrest a person for certain fine-only misdemeanors.	would, with respect to issuing citations in lieu of arrest for misdemeanor offenses, provide that: (1) the Bill Blackwood Law Enforcement Management Institute of Texas, in collaboration with law enforcement agencies, law enforcement associations, law enforcement training experts, and community organizations engaged in the development of law enforcement policy, shall publish a model policy related to the issuance of citations for misdemeanor offenses, including traffic offenses, that are punishable by fine only, that includes the procedure for a peace officer, upon a person's presentation of appropriate identification, to verify the person's identity and issue a citation to the person; (2) each law enforcement agency shall adopt a written policy regarding the issuance of citations for misdemeanor offenses, including traffic offenses, that are punishable by fine only, provided such policy meets the requirements of the model policy described in (1), above; (3) a law enforcement agency may adopt the model policy developed under (1), above; and (4) a peace officer may not arrest, without warrant, a person found only committing one or more misdemeanors related to certain traffic offenses that are punishable by fine only, and in such instances shall issue a written notice to appear to the person.
HB657	Watch	Elections	Relating to requirements for counties posting election information on an Internet website.	
HB665	Watch	Elections	Relating to the secretary of state posting on the secretary of state's Internet website databases containing certain information about elections.	would, among other things, provide that: (1) the secretary of state shall post on the secretary of state's public internet website a database containing information on each election for a partisan office, the office of mayor, or a position on the governing body of a city or board of trustees of an independent school district; (2) the secretary of state shall post on the secretary of state's internet website a database containing information about each holder of and candidate for any partisan elected office, office of mayor, or position on the governing body of the city or board of trustees of an independent school district; (3) the authority responsible for giving notice of the election shall deliver, in January of each year, information on an election for a partisan office, the officer of mayor, or a position on the governing body of the city for the secretary of state's database of election information in an electronic format to the county in which the authority is located; and (4) a political subdivision, including a city, shall provide information about a candidate or officeholder to the county in which the political subdivision is located and the county shall forward the information to the secretary of state.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB670	Watch	Property Tax	Relating to the authority of a taxing unit other than a school district to establish a limitation on the amount of ad valorem taxes that the taxing unit may impose on the residence homesteads of individuals who are disabled or elderly and their surviving spouses.	would amend the Texas Constitution to authorize the legislature to provide that: (1) the appraised value of residence homestead for the first year the owner qualifies for a homestead exemption is equal to the market value of the property; (2) if the owner acquired the property as a purchaser, the purchase price of the property is considered to be the market value of the property; (3) the appraised value of the residence homestead for a subsequent tax year is equal to the appraised value of the property for the preceding tax year plus the value of new improvements. (See
HB671	Oppose	Other Finance and Administration	Relating to the use by a political subdivision of public funds for lobbying and certain other activities.	would: (1) except as provided by (2), below, prohibit a political subdivision from spending public funds to: (a) hire an individual required to register as a lobbyist for the purpose of lobbying a member of the Texas legislature; or (b) pay a nonprofit state association or organization that: (i) primarily represents political subdivisions; and
HB673	Watch	Personnel	Relating to the eligibility of certain first responders for workers' compensation benefits for post-traumatic stress disorder.	
HB675	Watch	Open Government	Relating to the imposition of charges by a governmental body for providing copies of public information under the public information law.	would provide that: (1) a governmental body, including a city, may not impose a charge for providing a copy of public information if the information is a campaign report required to be filed with the governmental body unless those
HB676	Watch	Public Safety and Emergency Man	Relating to the use of an unmanned aircraft to locate and retrieve wounded or killed wildlife.	
HB677	Watch	Elections	Relating to the restrictions on political activities of a county elections administrator.	
HB682	Watch	Community and Economic Develop	Relating to the creation of certain criminal offenses concerning firearm sales at gun shows.	
HB685	Watch	Utilities and Environment	Relating to rates established by municipalities for water or sewer service for certain entities.	would prohibit a city from establishing a higher rate for water or sewer utilities that applies only to entities that qualify for a sales tax or property tax exemption.
HB691	Watch	Personnel	Relating to the minimum wage.	would, among other things, provide that, with limited exceptions, an employer, including a city, shall pay to each employee not less than the greater of \$19 an hour or the federal minimum wage.
HB695	Oppose	Elections	Relating to the use of certain facilities of a building being used as a polling place or early voting polling place.	would provide that the secretary of state shall adopt rules requiring an entity that owns or controls a building being used as a polling place or an early voting polling place to permit a person electioneering on the building's premises to use the facilities of the building otherwise available to voters or election officials, including bathrooms provided that the person: (1) may not bring political signs or literature inside the facilities; (2) must cover or remove any political logos or messaging before entering the facilities; and (3) must meet any other requirements determined by the secretary of state to be necessary to ensure compliance.
HB697	Watch	Land Use	Relating to the applicability of prohibitions on municipal or county regulations on the rental or leasing of housing accommodations.	would authorize local ordinances or regulations that prohibit a property owner from refusing to rent or lease a housing accommodation to certain groups based on their lawful source of income, specifically military veterans, people 62 years old or older,
HB698	Oppose	Property Tax	Relating to the abolition of ad valorem taxes and the creation of a joint interim committee on the abolition of those taxes.	would, among other things: (1) repeal the Property Tax Code; (2) prohibit a political subdivision from imposing a property tax beginning in the year 2031; and (3) convene a committee to determine how property tax revenue could be replaced by local sales and use tax revenue. (See H.J.R. 64, below.)
HB704	Watch	Utilities and Environment	Relating to the disconnection of service provided to residential customers by certain utilities and propane gas distribution system retailers.	would provide that private utility providers may not disconnect service to a residential customer on a weekend day, on a holiday officially observed by the State of Texas, on a day preceding a weekend day or during an extreme weather emergency.
HB706	Watch	Other Finance and Administration	Relating to the jurisdiction of certain international organizations.	
HB708	Watch	Community and Economic Develop	Relating to the sale of distilled spirits to ultimate consumers by the holder of a distiller's and rectifier's permit.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB710	Oppose	Personnel	Relating to the recognition of occupational licenses and government certifications issued in other states; authorizing a fee.	would, among other things: (1) require a state agency or political subdivision, including a city, to issue an occupational license or government certification to an individual who applies in a manner prescribed by the political subdivision if the individual: (a) holds a current and valid occupational license or government certification in another state in a lawful occupation with a similar scope of practice; (b) has held the occupational license or government certification in another state for at least one year; (c) was required by a board in another state to pass an examination or to meet education, training, or experience standards; (d) is in good standing with the board in the other state; (e) does not have a disqualifying criminal record; (f) has not had an occupational license or government certification revoked by the board of another state or surrendered due to negligence or intentional misconduct;
HB712	Watch	Personnel	Relating to health benefit plan coverage for certain tests to detect prostate cancer.	
HB716	Watch	Public Safety and Emergency Man	Relating to the offense of failure to comply with an order from a fire marshal and the authority of certain county peace officers to issue citations for certain violations; changing a criminal penalty.	
HB721	Watch	Personnel	Relating to the applicability of certain laws requiring health care cost disclosures by health benefit plan issuers and administrators.	
HB724	Watch	Public Safety and Emergency Man	Relating to notice of the health of children attending and adults employed by a child-care facility.	
HB734	Watch	Public Safety and Emergency Man	Relating to the failure to report child abuse or neglect; increasing a criminal penalty.	
HB735	Watch	Community and Economic Develop	Relating to required labeling of meat, poultry, shrimp, and certain related food products.	
HB736	Watch	Other Finance and Administration	Relating to certain procedures for civil suits brought by local governments or certain other persons for violations of certain laws under the jurisdiction of, or rules adopted or orders or permits issued by, the Texas Commission on Environmental Quality.	would provide that a local government, a person affected, or an authorized agent may institute a claim for certain violations under the Texas Commission on Environmental Quality's (TCEQ) jurisdiction after the attorney general and TCEQ executive director receive the required notice unless TCEQ has commenced a proceeding or the attorney general has commenced a civil suit concerning at least one of the alleged violations set forth in the notice.
HB737	Watch	Other Finance and Administration	Relating to the use of dynamic message signs for the Keep 'Em Safe Texas Gun Storage Campaign.	
HB742	Watch	Personnel	Relating to human trafficking prevention, including training for first responders, disclosure of human trafficking information by certain health care facilities, and protection for facility employees who report human trafficking.	would provide, among other things, that: (1) a first responder, within the time prescribed by the Health and Human Services Commission (HHSC) rule, shall successfully complete a training course approved by the executive commissioner on identifying, assisting, and reporting victims of human trafficking; and (2) the HHSC executive commissioner shall approve training courses on human trafficking prevention, including at least one course available without charge and post a list of the approved training courses on HHSC's Internet website.
HB743	Watch	Municipal Court	Relating to a justice or municipal court's authority to order a defendant confined in jail for failure to pay a fine or cost or for contempt and to the authority of a municipality to enforce the collection of certain fines by imprisonment of the defendant.	would, among other things: (1) prohibit a municipal court judge from ordering the confinement of a person, including a child, for failing to pay all or part of a fine or cost imposed or for contempt of a judgment entered for the conviction of an offense punishable by fine only; (2) require the release of a defendant confined in jail in violation of (1), above; (3) allow a municipal court judge to order that a defendant appear at a hearing and show cause as to why the defendant defaulted in discharging a judgment entered against the defendant; and (4) provide that court credit the defendant for applicable time served in jail at a rate of not less than \$150 for each period served that is not less than eight hours or more than 24 hours, as specified by the judge.
HB747	Watch	Land Use	Relating to the adoption of a certain plumbing code by the Texas State Board of Plumbing Examiners.	would mandate that the Texas State Board of Plumbing Examiners adopt the 2015 or later edition of the International Plumbing Code.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB755	Oppose	Other Finance and Administration	Relating to certain requirements applicable to certain public entities that engage in lobbying.	would: (1) prohibit the governing body of a public entity, including a city, from spending public money or providing other compensation to a lobbyist to communicate directly with one or more members of the legislative branch to influence legislation pending before the legislature unless the expenditure is: (a) authorized by a majority vote of the governing body of the entity in an open meeting of the governing body; and (b) voted on by the governing body as a stand-alone item on the agenda at the meeting; (2) require a public entity that contracts with a lobbyist to publish on the entity's Internet website: (a) the amount of money authorized for the purpose of contracting with the person; (b) the name of the person, (c) a copy of the contract; (d) the amount of money, if any, spent by the entity for membership fees or dues to a nonprofit state association or organization of similarly situated entities that contracts with a lobbyist; and (e) a copy of any current legislative agenda or resolution adopted by the entity; (3) prohibit a lobbyist that contracts with a public entity from communicating directly with a member of the legislative branch on behalf of the entity regarding legislation pending before the legislature that specifically proposes to amend state statutes dealing with the calculation of property tax rates;
HB760	Watch	Other Finance and Administration	Relating to references to "the people's money" in state documents, publications, and notices.	
HB761	Watch	Other Finance and Administration	Relating to fee waivers for certain hunting and fishing licenses for honorably discharged veterans.	
HB762	Watch	Personnel	Relating to severance pay for political subdivision employees and independent contractors.	would, among other things, provide that: (1) a political subdivision, including a city, that enters into a contract or employment agreement, or renewal or renegotiation of an existing contract or employment agreement, that contains a provision for severance pay with an employee or independent contractor must include: (a) a requirement that severance pay that is paid from tax revenue may not exceed the amount of compensation, at the rate at the termination of employment or the contract, the employee or independent contractor would have been paid for 20 weeks, excluding paid time off or accrued vacation leave; and (b) a prohibition of the provision of severance pay when the employee or independent contractor is terminated for misconduct; (2) a political subdivision shall post each severance agreement in a prominent place on the political subdivision's internet website; and (3) for an action brought against a political subdivision by an employee or independent contractor of the political
HB763	Oppose	Property Tax	Relating to the repeal of provisions authorizing certain taxing units in the year following the year in which a disaster occurs to adopt an ad valorem tax rate that exceeds the voter-approval tax rate without holding an election to approve the adopted tax rate; making conforming changes.	would repeal the provision authorizing cities to adopt an ad valorem tax rate the exceeds the voter-approval tax rate without holding an election in the year following the year in which a disaster occurs.
HB766	Watch	Elections	Relating to the ballot application requirements for the election of a precinct chair.	
HB768	Watch	Other Finance and Administration	Relating to credit services organizations and extensions of consumer credit facilitated by credit services organizations; increasing a criminal penalty.	would, among other things, provide that: (1) the bill does not preempt a city ordinance regulating: (a) a credit access business; or (b) any form of an extension of consumer credit that a credit access business is authorized to obtain for a consumer or assist a consumer in obtaining as provided by the bill; (2) if a city ordinance described by (1), above, conflicts with a provision of the bill, the more stringent regulation controls to the extent of the conflict; and (3) a credit services organization may not obtain for a consumer or assist a consumer in obtaining an extension of consumer credit in any form other than in the form of: (a) a single-payment deferred presentment transaction; (b) a multiple-payment deferred presentment transaction; (c) a single-payment motor vehicle title loan; or (c) a multiple-payment motor vehicle title loan.
HB769	Support	Transportation	Relating to a grant program for neighborhood organization pedestrian infrastructure administered by the Texas Department of Housing and Community Affairs.	would, among other things, provide: (1) for the creation of the pedestrian infrastructure grant fund; (2) that the Texas Department of Housing and Community Affairs (TDHCA) administer the fund; and (3) that TDHCA may make grants to neighborhood organizations to construct certain pedestrian infrastructure related to sidewalks, curbs, or pedestrian lighting.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB774	Watch	Property Tax	Relating to municipal and county ad valorem tax relief.	would: (1) define "surplus revenue" as the total amount of money received by a city in excess of the amount determined by multiplying the amount of the city's adopted budget for the preceding fiscal year by the inflation rate and population growth rate; (2) require a city to use its total amount of surplus revenue to provide property tax relief in a manner that reduces the amount of property tax a property owner would otherwise be required to pay; (3) limit a city's tax rate to a rate calculated by multiplying total revenue from all sources for the preceding year by the inflation rate, subtracting the amount of estimated revenue from all sources other than property tax for the current year, and dividing that amount by the total taxable value of property in the city; and (4) provide that a city may exceed the tax rate described in (3), above, if before the adoption of the tax rate the city pledged the tax revenue for payment of a debt and adopting a lower rate would impair the obligation of the contract creating the debt.
HB777	Watch	Personnel	Relating to the places a public employer may provide for employees to express breast milk.	would require a public employer to provide a place, other than a bathroom, where an employee can express breast milk.
HB778	Watch	Personnel	Relating to required health benefit plan coverage for gender transition adverse effects and reversals.	
HB784	Support	Transportation	Relating to a grant program for municipal pedestrian infrastructure administered by the Texas Department of Housing and Community Affairs.	would: (1) establish a grant fund and program to provide grants to cities to construct pedestrian infrastructure related to sidewalks, curbs, or pedestrian lighting, subject to certain contract conditions; and (2) direct the Texas Department of Housing and Community Affairs to adopt rules necessary to administer (1), above.
HB788	Watch	Other Finance and Administration	Relating to daylight saving time.	
HB790	Support	Other Finance and Administration	Relating to the amount of an expenditure made by certain political subdivisions for which a competitive procurement method may be required to be used.	would, among other things: (1) increase the threshold at which competitive bidding is required for city purchases from \$50,000 to \$200,000; and (2) increase the threshold at which competitive bidding in relation to historically underutilized businesses is required from \$50,000 to \$200,000.
HB793	Watch	Open Government	Relating to the confidentiality of certain personal information of an applicant for or a person protected by a protective order.	
HB794	Oppose	Personnel	Relating to limitations on the enforcement of certain occupational regulations.	would, among other things: (1) direct each licensing authority, including a city, by September 1, 2026, to conduct a comprehensive review of each occupational regulation applicable to a license issued by the authority, and: (a) specify the public health, safety, or welfare objective served by the regulation and reason the regulation is necessary to serve each objective; (b) analyze the effects of the regulation on: (i) worker opportunity; (ii) consumer choice and costs; (iii) general unemployment; (iv) market competition;
HB798	Watch	Land Use	Relating to certain rights and duties of residential tenants and landlords; increasing the amount of civil penalties.	
HB801	Watch	Personnel	Relating to the application for funding for certain workforce development programs.	
HB808	Watch	Community and Economic Development	Relating to the creation of certain criminal offenses concerning firearm sales at gun shows.	
HB811	Watch	Other Finance and Administration	Relating to the applicability of lobbyist registration requirements to a person who provides legal services to a political subdivision.	would provide that a person who has established an attorney-client relationship with a political subdivision to provide legal services and who is entitled to receive compensation, reimbursement, or expenses under an agreement under which the person
HB813	Watch	Personnel	Relating to health benefit plan coverage for treatment of autism.	
HB816	Watch	Community and Economic Development	Relating to the licensing and regulation of youth sports programs; providing civil and administrative penalties; authorizing fees.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB817	Watch	Elections	Relating to the determination of a majority vote in certain elections.	would provide that: (1) in an election requiring a majority vote to be elected to a public office, a candidate must receive more than half of the votes as originally cast; and (2) a majority may not be determined by using a preferential voting system (voting system which permits a voter to rank each candidate through a numerical designation from the candidate the voter favors most to the candidate the voter favors least) to reassign votes.
HB822	Watch	Personnel	Relating to requiring certain employers to provide paid sick leave to employees; providing administrative and civil penalties.	would: (1) require certain employers to provide annual paid sick leave to each employee, accruing on the date the employee is hired at a rate of one hour paid sick leave for each 30 hours worked by the employee; and (2) provide that an employee may use such leave for specific reasons, including to attend: (a) to the employee's or the employee's family member's health condition; (b) to family violence related matters; and (c) a meeting at a child family member's school.
HB823	Watch	Personnel	Relating to the recovery of exemplary damages based on a compensable death under the Texas Workers' Compensation Act.	
HB826	Watch	Utilities and Environment	Relating to monitoring air contaminant emissions in certain counties.	
HB828	Watch	Community and Economic Development	Relating to the creation of certain criminal offenses concerning firearm sales at gun shows; authorizing a fee.	
HB829	Watch	Property Tax	Relating to the text of ballot propositions that increase taxes.	
HB831	Watch	Other Finance and Administration	Relating to the interlocutory appeal of certain orders regarding the constitutionality, effect, or enforceability of a statute.	
HB834	Watch	Public Safety and Emergency Management	Relating to limiting the locations where a person may carry a firearm other than a handgun in certain counties; creating a criminal offense.	
HB835	Watch	Personnel	Relating to unlawful employment practices with respect to compensation and wage history.	
HB841	Watch	Personnel	Relating to requiring certain employers to provide paid sick leave to employees; providing administrative penalties.	
HB843	Watch	Land Use	Relating to certain general definitions in the Code Construction Act.	
HB844	Watch	Land Use	Relating to the authority of a municipality or county to request a hearing from the Texas Commission on Environmental Quality related to the construction of a concrete plant.	
HB851	Watch	Property Tax	Relating to the determination and reporting of the number of residence homesteads of certain property owners for which the owner is receiving certain ad valorem tax benefits.	
HB853	Watch	Utilities and Environment	Relating to the issuance of air quality permits for certain facilities located in a nonattainment area.	would, for the construction or major modification of a facility that is a major stationary source and is located or proposed to be located in an area designated as a nonattainment area, provide that the Texas Commission on Environmental Quality (TCEQ), in making its finding as to whether emissions from the facility will contravene the intent of the Clean Air Act, the TCEQ shall: (1) conduct an analysis of alternative locations, sizes, production processes, and environmental control techniques for the facility that demonstrates that the benefits of the facility significantly outweigh the environmental and social costs imposed as a result of the facility's location, construction, or modification; and (2) in conducting the analysis, consider the cumulative impacts that would result from the issuance of the permit without changes to the site location, size, production processes, and environmental control techniques.
HB859	Watch	Utilities and Environment	Relating to the establishment of the Texas Environmental Justice Advisory Council.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB860	Watch	Other Finance and Administration	Relating to requirements for subscription service contracts; providing a civil penalty.	
HB863	Watch	Public Safety and Emergency Man	Relating to senior independent living communities; providing civil and administrative penalties.	would, among other things: (1) require the Texas Division on Emergency Management to: (a) establish, maintain, and annually
HB871	Watch	Land Use	Relating to the residential and commercial building codes of municipalities.	would, among other things, provide for the adoption of the International Residential Code and International Building Code as they existed on May 1, 2021, as the municipal residential building code and municipal commercial building code for all cities in Texas.
HB873	Watch	Utilities and Environment	Relating to air quality permits for aggregate production operations and concrete batch plants.	would, among other things: (1) provide that the Texas Commission on Environmental Quality (TCEQ) shall accept written questions about a facility requesting a standard permit for the production of aggregates or the operation of a concrete plant that performs wet batching, dry batching, or central mixing from the public until the 15th day before the date of the hearing or meeting; (2) require TCEQ to, not later than the 14th day before the date of the hearing or meeting in (1), above, notify each city and county in which the facility is located or proposed to be located, among others, of the date, time, and place of the hearing or meeting; (3) provide that a person authorized to use a standard permit for the production of aggregates or the operation of a concrete plant that performs wet batching, dry batching, or central mixing must: (a) install equipment to monitor noise levels from the facility: (i) at the point on the perimeter of the property on which the facility is located that is closest to the nearest building in use as a single-family or multifamily residence, school, place of worship, or commercial enterprise; and (ii) at two other points on the perimeter of the property on which the facility is located equidistant from the point described by (3)(a)(i), above; (b) ensure that outdoor lighting installed at the facility complies with standards adopted by the Illuminating Engineering Society;
HB875	Support	Personnel	Relating to workers' compensation insurance coverage and bid bonding requirements for small municipal construction projects.	would provide that: (1) for a construction project for an amount that is less than one percent of the total amount of a municipality's most recently adopted budget, the municipality is not required to: (a) ensure that the contractor is covered by workers' compensation insurance coverage; or (b) require the contractor to obtain a performance bond; (2) for the purpose of determining the contracted amount of a construction project under (1), above, a municipality may not aggregate work from more than one project; and (3) a project in (1), above, includes all work to be completed on a construction project for a municipality at one location within 12 months of the date the work begins.
HB878	Watch	Land Use	Relating to the regulation of residential land use and accessory dwelling units by a political subdivision; authorizing a fee.	This bill addresses, among other things, both density preemption in certain cities, and the regulation of accessory dwelling units (ADUs) in all cities. The density preemption components of the bill apply to a city with a population of 85,000 or more that is wholly or partly located in a county with a population of one million or more, and would provide, among other things, that: would provide, among other things, that: (1) a public employer, including a city, that has not adopted civil service for its public safety employees, shall implement, for its city police officers, a progressive disciplinary matrix and adopt implementing rules that consist of a range of progressive disciplinary actions applied in a standardized way based on the nature of the infraction and the officer's prior conduct record; (2) the matrix described in (1), above, must include: (a) standards for disciplinary actions relating to the use of force against another person, including the failure to de-escalate force incidents in accordance with departmental policy; (b) standards for evaluating the level of discipline appropriate for uncommon infractions; and (c) presumptive actions to be taken for each type of infraction and any adjustment to be made based on a police officer's previous disciplinary record;
HB881	Watch	Public Safety and Emergency Man	Relating to a progressive disciplinary matrix for police officer misconduct in certain municipalities.	
HB882	Watch	Land Use	Relating to building codes applicable in the unincorporated areas of a county; authorizing a fee.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB884	Watch	Sales Tax	Relating to the municipal sales and use tax for street maintenance.	would, among other things, provide that: (1) for a city in which a majority of the voters voting in each of the last two consecutive elections concerning the adoption or reauthorization of the street maintenance sales tax favored adoption or reauthorization and in which the tax has not expired since the first of those two consecutive elections, the city may call an election to reauthorize the tax for a period of eight or ten years, instead of four years; and (2) revenue from the street maintenance sales tax may be used to maintain and repair: (a) a city street or sidewalk; and (b) a city water, wastewater, or stormwater system located in the width of a way of a city street.
HB892	Watch	Elections	Relating to requiring a person to submit proof of citizenship to register to vote.	
HB894	Watch	Elections	Relating to the acceptance of identification for voters who identify as transgender.	
HB901	Oppose	Personnel	Relating to a limitation on the salary paid to officers and employees of this state and political subdivisions of this state.	would, among other things, provide that the taxpayer funded salary of an officer or employee of a political subdivision, including a city, may not exceed the amount of the salary set by the state law for the governor.
				would, among other things, provide that:
				1. a public entity, including a city: (a) is legally responsible for a wrongful act or omission of the entity's peace officer if the act or omission occurs under the color of law; and (b) accepts responsibility under respondeat superior for the officer's conduct under the color of law, regardless of whether the officer acted in accordance with a policy or custom of the entity;
				2. an individual may bring an action for any appropriate relief in a court in this state against a public entity on the basis that a peace officer employed by the entity, by an act or omission under the color of law, deprived the individual of a right, privilege or immunity under the law or constitution;
				3. statutory immunity or limitation on liability, damages, or attorney's fees is waived for an action brought under Number 2, above;
				4. a peace officer may not be found financially liable in an action brought under Number 2, above;
				5. notwithstanding any other law, contract or agreement, a public entity may terminate a contract or agreement with or the employment of a peace officer if the court finds in an action brought under Number 2, above, the officer deprived the claimant of a right, privilege or immunity under the law or constitution;
				6. all petitions, judgements, settlements, or consent decrees related to an action brought under Number 2, above, are public information subject to disclosure under the Texas Public Information Act;
				7. a peace officer: (a) may, if authorized, arrest offenders without a warrant; (b) shall identify as a peace officer before taking any action within the course and scope of the officer's official duties unless the identification would render the action impracticable; and (c) shall intervene to prevent an action by another peace officer if: (i) the action includes excessive use of force; (ii) the intervening officer knows or should know the other officer's actions violates department policy or local, state or federal law; or (iii) the action puts a person at risk of bodily injury;
				8. a law enforcement agency: (a) shall adopt a written policy regarding the issuance of citations for misdemeanor offenses, including traffic offenses, that are punishable by fine only, and (b) the policy shall meet the requirements of a model policy published by the Texas Southern University;
				9. a law enforcement agency shall adopt a written policy regarding the use of force by peace officer that: (a) emphasizes conflict de-escalation and use of proportionate force; (b) mandates that deadly force be only used by peace officers as a last resort; and (c) affirms
HB909	Watch	Public Safety and Emergency Management	Relating to law enforcement misconduct and law enforcement interactions with certain detained or arrested individuals and other members of the public, to public entity liability for those interactions, and to the confinement, conviction, or release of detained or arrested individuals.	
HB910	Watch	Elections	Relating to the venue for the prosecution of an election offense.	
HB911	Watch	Personnel	Relating to the designation of Celebration of Life Day as a state holiday.	
HB918	Watch	Land Use	Relating to the authority of a property owners' association to regulate the assembly, association, and speech of property owners or residents.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB920	Oppose	Sales Tax	Relating to an exemption from sales and use taxes for firearms, ammunition, and other related items.	would exempt from the sales tax a firearm, firearm accessory, and ammunition.
HB922	Watch	Elections	Relating to residence for purposes of voting and other matters affecting a candidate's eligibility.	
HB925	Oppose	Public Safety and Emergency Man	Relating to the applicability of a defense to prosecution for an offense relating to carrying a handgun in certain prohibited locations and to repealing associated notice requirements.	would repeal the provisions: (1) allowing a person to post a sign stating that a person may not carry a firearm or other weapon on a property; and (2) making unavailable a defense to prosecution if: (a) a sign described by (1), above, was posted prominently at each entrance to the premises or other property, as applicable; or (b) at the time of the offense, the actor knew that carrying a firearm or other weapon on the premises or other property was prohibited.
HB926	Watch	Other Finance and Administration	Relating to the adoption and voidability of certain rules proposed by a state agency.	
HB927	Oppose	Community and Economic Develop	Relating to the interpretation of certain laws protecting the free exercise of religion.	would clarify that a city may not substantially burden a person's free exercise of religion.
HB934	Watch	Elections	Relating to the eligibility to vote in certain primary elections.	
HB937	Watch	Open Government	Relating to the procedure by which certain special districts are required to provide notice of certain matters.	
HB938	Watch	Community and Economic Develop	Relating to a cause of action for drag performances performed in the presence of a minor.	
HB939	Watch	Other Finance and Administration	Relating to a liability limit for noneconomic damages for personal injury claims.	
HB941	Watch	Public Safety and Emergency Man	Relating to the resilience of the electric grid and certain municipalities.	
HB943	Watch	Public Safety and Emergency Man	Relating to informed consent before the provision of certain medical treatments involving COVID-19 vaccination.	
HB948	Watch	Open Government, Personnel	Relating to the required posting by governmental entities of employee contracts and compensation on entity Internet websites.	
HB949	Watch	Open Government, Personnel	Relating to an employee's right to privacy of personal health information; providing a civil penalty.	would provide, among other things, that: (1) an employee has the right to keep the employee's personal health information private and is not required to disclose that information to the employee's employer, including a city, unless the disclosure is required by state or federal law; (2) an employer may not take an adverse employment action or discriminate against an employee who exercises the right described by (1), above; and would, among other things: (1) define "full municipal services" to mean a city's provision of each of the following services to land following annexation: (a) police protection; (b) fire protection including fire hydrants; (c) emergency medical services; (d) solid waste collection; (e) construction, operation, and maintenance of: (i) water and wastewater facilities; (ii) roads and streets, including lighting; and
HB950	Oppose	Land Use	Relating to the provision of municipal services to land annexed by a municipality for full purposes.	
HB951	Watch	Elections	Relating to requiring a voter to be affiliated with a political party to vote in that party's primary election or otherwise participate in that party's affairs; creating a criminal offense.	
HB952	Watch	Elections	Relating to identification of early voting ballots voted by mail by electronic code.	
HB953	Watch	Other Finance and Administration	Relating to a prohibition on the receipt of bond proceeds by persons who make a contribution to certain political committees.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB954	Watch	Land Use	Relating to the authority of a county to cancel subdivisions in the extraterritorial jurisdiction of a municipality.	would provide that a person owning real property located in a portion of the city's extraterritorial jurisdiction subject to county control over platting may apply to the county commissioner's court for cancellation of certain subdivision plats.
HB959	Watch	Elections	Relating to the date of the primary election runoff.	
HB960	Oppose	Property Tax, Sales Tax	Relating to the repeal of or limitations on certain state and local taxes, including school district maintenance and operations ad valorem taxes, the enactment of state and local value added taxes, and related school finance reform; imposing taxes.	would, among other things, repeal local sales and use taxes and authorize a political subdivision that was authorized to impose a sales and use tax to impose a value added tax not to exceed two percent.
HB963	Watch	Property Tax	Relating to the limitation on increases in the appraised value of a residence homestead for ad valorem tax purposes.	would, among other things: (1) provide that the appraised value of residence homestead for the first year the owner qualifies for a homestead exemption is equal to the market value of the property; (2) provide, if the owner acquired the property as a purchaser, that the purchase price of the property is considered to be the market value of the property; (3) provide that the appraised value of residence homestead for a subsequent tax year is equal to the appraised value of the property for the preceding tax year as adjusted by the chief appraiser for the current tax year to reflect any positive change from the preceding tax year in the purchasing power of the dollar for consumers in this state as determined by the comptroller; and
HB968	Watch	Elections	Relating to processes to address election irregularities; providing a civil penalty.	
HB972	Watch	Property Tax	Relating to an exemption from ad valorem taxation of a portion of the appraised value of a property other than a residence homestead that is the primary residence of an adult who has an intellectual or developmental disability and who must be related to the owner or trustee of the property within a certain degree by consanguinity.	would amend the Texas Constitution to provide that the appraised value of a residence homestead: (1) is equal to the market value of the property for the first year the owner qualifies for a homestead exemption; and (2) is equal to the appraised value of the property for the preceding tax year as adjusted by the chief appraiser for the current tax year to reflect any positive change from the preceding tax year in the purchasing power of the dollar for consumers in this state for a subsequent tax year. (See
HB981	Oppose	Open Government	Relating to access to certain litigation, law enforcement, corrections, and prosecutorial records under the public information law.	would provide that: (1) for purposes of the exception to disclosure for pending or reasonably anticipated litigation, litigation is considered reasonably anticipated only if a person with an alleged claim, or that person's attorney, has: (a) threatened in writing to take legal action against the governmental body; or (b) made a written demand for compensation as a result of an alleged claim against the governmental body; (2) a law enforcement record related to the detection, investigation or prosecution of crime that did not result in conviction or deferred adjudication is not excepted from public disclosure under the law enforcement exception if a written request for the record is made by: (a) a person who is the subject of the record or the person's attorney; or (b) if the person described in (2)(a), above, is deceased, the person's spouse, child or parent, an administrator of the person's estate, or any of their attorneys.
HB982	Watch	Other Finance and Administration	Relating to the authority of a taxing unit other than a school district, county, municipality, or junior college district to establish a limitation on the amount of ad valorem taxes that the taxing unit may impose on the residence homesteads of certain low-income individuals who are disabled or elderly and their surviving spouses.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB989	Oppose	Elections	Relating to processes to address election irregularities; providing a civil penalty.	would provide that: (1) a person who participated in the relevant election as a candidate, a county chair or state chair of a political party, a presiding judge, an alternate presiding judge or the head of a specific-purpose political committee that supports or opposes a ballot may issue a written request to the county clerk or other authority conducting an election for an explanation and supporting documentation for: (a) an action taken by the election officer that appears to violate the Election Code; (b) irregularities in results in a precinct or at a polling place or early voting polling place; (c) inadequacy or irregularity of documentation required to be maintained under the Election Code; or (d) irregularity or reconciliation results identified in reconciliation reports regarding voters and votes cast; (2) not later than the 20th day after the date a request is received under (1), above, the county clerk or other authority shall provide the requested explanation and any supporting documentation; (3) a requestor who is not satisfied with the explanation and supporting documentation provided under (2), above, may issue a request for further explanation and supporting documentation to the county clerk or other authority; (4) not later than the 10th day after the date a request is received under (3), above, the county clerk or other authority shall provide the requested explanation and any supporting documentation; (5) a requestor who is not satisfied with the explanation and supporting documentation provided by the clerk or other authority may issue a request for an audit to the secretary of state that includes the request submitted to the clerk or other authority and explanations and supporting documentation; (6) not later than the 30th day after the date the secretary of state receives a request for an audit, the secretary must determine whether the information submitted sufficiently explains the irregularity defined in (1), above; (7) if the information submitted by the requestor is insufficient, the secretary of state shall immediately begin an audit of the identified irregularity at the expense of the county or other authority conducting the election; (8) the county clerk or other authority conducting the election shall cooperate with the office of the secretary of state and may not interfere with or obstruct the audit; (9) on conclusion of the audit the secretary of state shall provide notice of the findings of the audit to the person who submitted the request for an audit and the county clerk or other authority conducting the election; (10) the secretary of state, may, in the secretary's discretion, make a determination that a violation of the Election Code has occurred solely on the basis of the evidence submitted under (5), above, without conducting an audit, and shall send notice of the determination to the person who submitted the request for an audit and to the county clerk or other authority conducting the election; (11) if, following an audit, the secretary would, among other things: (1) require a city to provide certain notice to an applicant for a building permit, if the city is unable to grant or deny a building permit within 45 days of application; (2) provide that a city may reach a written agreement with an applicant providing for a deadline for granting or denying a building permit that goes beyond the 45 day limit only for a commercial building permit; and (3) prohibit a city from: (a) denying a building permit solely because the city is unable to grant or deny the application within 45 days of the date of application; or (b) requiring an applicant to waive certain requirements.
HB993	Oppose	Other Finance and Administration	Relating to the time for processing a municipal building permit application.	would, among other things, provide that: (1) an election record that is public information shall be made available to the public during the regular business hours of the record's custodian and not later than ten days after the date the custodian receives a request for public inspection; (2) not later than the 60th day after election day, the general custodian of election records shall make available for public inspection election records that are: (a) original voted ballots; or (b) images of voted ballots, if a county maintains images of voted ballots; (3) the custodian of election records shall adopt procedures to ensure the redaction of any personally identifiable information of the voter contained on a ballot before making the voted ballot available for public inspection; and (4) repeal the provision that allows the custodian of elections to adopt reasonable rules limiting public access to election records for the purpose of safeguarding election records or economizing the custodian's time.
HB999	Oppose	Elections	Relating to the public inspection of election records.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1001	Oppose	Elections	Relating to the use of paper ballots and certain electronic devices in conducting an election.	would, among other things, provide that: (1) a signature roster in the form of an electronic device that is used for purposes of capturing a voter's signature next to the voter's name at a polling place may not be used in an election; (2) a poll list in the form of an electronic device for purposes entering each accepted voter's name on the list after the voter signs the signature roster may not be used in an election; (3) a combination form in the form of an electronic device for purposes of combining the poll list, the signature roster, or a list of registered voters may not be used in an election; (4) an election officer at a polling place where an electronic voting system is used must provide a paper ballot to each voter who requests one, and the paper ballot must be printed at the time the request is made; (5) after the paper ballot described in (3), above, is voted by the voter, the ballot must be scanned at the polling place with an optical scanner; and (6) a voting system that consists of a ballot marking device may not be used in an election.
HB1002	Watch	Elections	Relating to the disposition of certain election records.	
HB1005	Oppose	Elections	Relating to the process of canvassing elections.	would provide that the city council, as the canvassing authority of an election of the city, shall compare the precinct returns with the corresponding tally list.
HB1006	Watch	Land Use	Relating to the amendment of restrictive covenants applicable to certain subdivisions.	
HB1007	Oppose	Elections	Relating to the security of election systems.	would, among other things, provide that: (1) an election system that is capable of being connected to the Internet or any other computer network may not be used, except for the use of a visible wired connection to an isolated local area network within the building; and (2) equipment used in the operation of a voting system must have a documented chain of custody and be stored in a locked facility with video surveillance monitoring the storage facility at all times.
HB1008	Oppose	Elections	Relating to the systems used in a central counting station.	would provide that an authority operating a central counting station may not purchase or use a ballot scanner unless the ballot scanner can only use a data storage device on which information, once written, is incapable of being modified without

Bill Number	CODS Position	Category	Bill Description	TML Summary
				would, among other things, provide that: 1. each election precinct established for an election shall be served by a single polling place located within the boundary of the precinct or adjoining precinct; 2. more than one precinct may vote at the same location provided the location is large enough to accommodate all required election activities while keeping those activities separate and distinct for each precinct; 3. the room where the election is conducted shall be used solely for that purpose during the election and shall be capable of being locked and secured from unauthorized access at any time an election judge is not present; 4. a polling place may not be located: (a) at the business location of certain persons; or (b) in a movable structure; 5. in addition to any other penalty set forth in the Election Code, failure to comply with the procurement and distribution of supplies and ballots by an election administrator or election officer whether or not intentionally impacting more than one precinct shall result in the removal of the administrator or office and the election shall be reconducted; 6. the authority responsible for procuring the election supplies for an election shall provide for each election precinct a number of ballots equal to at least the number of registered voters in that precinct plus 1 percent of that number; 7. a person commits a state jail felony if the person intentionally obstructs the distribution of elections supplies for an election; 8. in the event of a misprint or other error in printing one or more ballots, such ballots: (a) must be marked "VOID" in large letters across the front of the ballots; and (b) must be accounted for by ballot number, placed in locked containers, with numbered seals marked "VOID MISPRINTED BALLOTS" and placed in a secure, locked location and retained as election records; 9. a ballot: (a) shall be designed for hand marking and shall be printed in black ink, on secure, auditable, counterfeit resistant, non-encrypted paper, on white or light-colored paper; (b) may not contain any QR or bar code or any other code not readable by the human eye; (c) may not contain any open or encrypted means of tracking, tracing or identifying a voter's ballot; and (d) shall include the voting precinct number and polling location pre-printed on all pages of the ballot; 10. the failure of an election administrator to comply with Number 9, above, shall be a Class A misdemeanor;
HB1013	Oppose	Elections	Relating to election integrity and security, including by preventing fraud in the conduct of elections in this state; authorizing a penalty, increasing a penalty.	
HB1018	Watch	Utilities and Environment	Relating to the establishment of a certification program for public work contracting purposes for operators of certain facilities that emit air contaminants.	would: (1) direct the Texas Commission on Environmental Quality (TCEQ) to establish a certification program for operators of facilities that have been issued a permit or an authorization to use a permit for: (a) the production of aggregates; or (b) the operation of a concrete plant that performs wet batching, dry batching, or central mixing;
HB1019	Watch	Personnel	Relating to requiring political subdivisions of this state to participate in the federal electronic verification of employment authorization program, or E-verify.	would: (1) require a political subdivision, including a city, to register and participate in the E-verify program to verify information of all new employees; and (2) provide that an employee of a political subdivision who is responsible for verifying information of new employees of the political subdivision as required by (1), above, is subject to immediate termination of employment if the employee fails to comply with (1), above.
HB1028	Support	Open Government	Relating to certain political subdivisions publishing required notices by alternative media.	would, among other things, provide that for cities with a population of 75,000 or less and in which there is no newspaper of general circulation: (1) the city may satisfy a requirement to provide notice by publication in a newspaper by publishing the notice: (a) using the following forms of alternative media: (i) social media; (ii) free newspapers; (iii) a homeowners' association newsletter or magazine; (iv) utility bills; (v) direct mailings; or (vi) a print or digital newsletter; and (b) for a continuous period of not less than two weeks in a prominent location on an internet website maintained by the city that meets certain search requirements and does not require user registration or payment for access; (2) before providing notice by an alternative method, the city must hold a public meeting about the notice method; and (3) a city providing notice using alternative media must submit notice to the attorney general describing the alternative notice method that includes: (a) a list of the other laws requiring notice by newspaper publication for which notice published under this section is an alternative; (b) a description of the alternative media used for the notice; and (c) a link to the Internet website maintained by the city where the public notice will be posted.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1035	Watch	Personnel	Relating to the criteria for a local option exemption from ad valorem taxation by a county or municipality of all or part of the appraised value of real property used to operate a child-care facility.	would extend the eligibility for the local option property tax exemption for a child-care facility to leased property when the property is subject to a net lease under which the lessee is directly responsible for the payment of property taxes imposed on the property.
HB1045	Watch	Personnel	Relating to health benefit plan coverage of treatment for chemical dependency.	
HB1047	Watch	Personnel	Relating to the designation of certain optional holidays.	
HB1050	Watch	Utilities and Environment	Relating to the award of attorney's fees in certain suits involving a groundwater conservation district.	
HB1051	Watch	Personnel	Relating to health benefit plan coverage of telemedicine, teledentistry, and telehealth services provided by only synchronous or asynchronous audio interaction.	
HB1052	Watch	Personnel	Relating to health benefit plan coverage of telemedicine, teledentistry, and telehealth appointments with an originating site or distant site located outside this state.	
HB1053	Watch	Property Tax	Relating to the text of municipal ballot propositions on the issuance of bonds.	would provide that a ballot proposition to approve bonds issued by a city that would add or increase taxes must include the statement "THIS IS A TAX INCREASE."
HB1058	Watch	Elections	Relating to the eligibility requirements to serve as an election watcher.	
HB1069	Watch	Personnel	Relating to the classification of certain construction workers and the eligibility of those workers for unemployment benefits; providing an administrative penalty.	would, among other things: (1) require a contractor to properly classify each individual providing construction services as either an employee or an independent contractor in accordance with Texas Workforce Commission (TWC) rules; (2) provide an exception for services performed by an individual in the employ of, among others, a political subdivision or an instrumentality of a political subdivision that is wholly owned by one or more states, political subdivisions, or Indian tribes, provided that the services are excluded from employment in certain circumstances under the Federal Unemployment Tax Act; and (3) provide that if the TWC determines that a contractor has violated (1), above, the TWC shall provide notice of the violation to each governmental entity that the TWC reasonably believes has received construction services provided by the contractor.
HB1075	Watch	Community and Economic Development	Relating to a cause of action for drag performances performed in the presence of a minor.	
HB1076	Watch	Land Use	Relating to the unauthorized entry, occupancy, sale, rental, lease, advertisement for sale, rental, or lease, or conveyance of real property, including the removal of certain unauthorized occupants of a dwelling; creating criminal offenses; increasing a criminal penalty; authorizing a fee.	
HB1077	Oppose	Personnel	Relating to the right of public employees to collectively bargain with governmental entities.	would, among other things, provide that: (1) an official of the state or a political subdivision may enter into a collective bargaining agreement with a labor organization regarding wages, hours or conditions of employment of public employees; and (2) public employees may strike or engage in an organized work stoppage against the state or a political subdivision of the state.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1080	Support	Other Finance and Administration	Relating to the publication of required notice by a political subdivision by alternative media.	would: (1) allow a political subdivision to satisfy any law that requires notice to be published in a newspaper by publishing the notice in the following locations: (a) social media, free newspapers, school newspapers, a homeowners' association newsletter or magazine, utility bills, direct mailings, or any other form of media authorized by the comptroller; and (b) the internet websites maintained by the political subdivision and the comptroller; (2) provide that before providing notice under (1), above, a political subdivision must hold a public meeting about the alternative notice under (1)(a), above, and demonstrate that the circulation will be greater than the circulation of the newspaper with the greatest circulation in the political subdivision; (3) authorize the comptroller to grant a city's request for a waiver from publishing notice in accordance with (1)(b), above, if the city provides sufficient proof that Internet access is limited in the city, and if the comptroller grants the waiver, the city must provide additional notice on a public agenda board within the city; (4) require a city using alternative media described in (1)(a), above, to submit notice to the comptroller describing the alternative notice method in (1)(a), above, and certain other information; (5) authorize the comptroller to require a political subdivision to provide notice in a newspaper if the comptroller determines that the means under (1)(a), above, do not have greater circulation than a newspaper with the greatest circulation in the political subdivision; and (6) require the comptroller to prepare a report identifying and comparing the effectiveness of different methods of notice publication used by political subdivisions and provide the report to the governor, lieutenant governor, and the speaker of the house.
HB1091	Watch	Elections	Relating to practices and procedures for an early voting ballot voted by mail.	would, among other things, provide that: (1) the deadline to submit an application for ballot by mail or an application for an annual ballot by mail is no later than the 15th day before election day; (2) a carrier envelope contained a marked ballot voted by mail that is delivered by mail or common or contract carrier must: (a) arrive at the address on the carrier envelope not later than 5 p.m. on the day before election day; and (b) be placed for delivery by mail or common or contract carrier or a courier on or before the fourth day before election day;
HB1111	Watch	Personnel	Relating to the prohibition of certain discrimination based on sexual orientation or gender identity or expression; providing an administrative penalty.	would, among other things, provide that an employer, including a city, may not discriminate against a person on the basis of sexual orientation or gender identity or expression.
HB1125	Watch	Personnel	Relating to prohibited provisions in a settlement agreement between a governmental agency and employee regarding a claim or complaint involving sexual assault or certain unlawful conduct based on sex.	would provide that: (1) a settlement agreement between a governmental agency and the agency's employee related to a claim filed in a civil action or a complaint filed in an administrative action involving a sexual assault or an unlawful employment practice based on sex may not contain a provision that prevents the disclosure of factual information related to the claim or complaint unless the provision is requested by the employee; (2) a provision in a settlement agreement prohibited by (1), above, is void and unenforceable as against public policy; and (3) the provision under (1), above, does not prohibit the entry or enforcement of a provision in a settlement agreement that prevents the disclosure of the amount paid to settle the claim or complaint.
HB1128	Watch	Elections	Relating to the applicability to election judges of a prohibition on the carrying of a concealed handgun at a polling place.	would provide that a person may carry a concealed handgun on the premises of a polling place on election day or while early voting is in progress if the person: (1) is licensed to carry a handgun; and (2) is engaged in the performance of the person's duties as: (a) an election judge; or (b) an early voting clerk or a deputy early voting clerk who is serving as an election judge at an early voting polling place.
HB1131	Oppose	Property Tax	Relating to the repeal of provisions authorizing certain taxing units in the year following the year in which a disaster occurs to adopt an ad valorem tax rate that exceeds the voter-approval tax rate without holding an election to approve the adopted tax rate; making conforming changes.	would repeal the provision authorizing cities to adopt an ad valorem tax rate the exceeds the voter-approval tax rate without holding an election in the year following the year in which a disaster occurs.
HB1133	Watch	Land Use	Relating to the authority of a property owners' association to prohibit or regulate certain swim instruction provided in a pool on an owner's or resident's property.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1142	Watch	Personnel	Relating to coverage for mental health conditions and substance use disorders under certain governmental health benefit plans.	
HB1144	Watch	Public Safety and Emergency Man	Relating to state and local government disaster preparedness.	would: (1) expand the model guide for local officials regarding disaster response and recovery required to be developed by the Texas Department of Emergency Management to include planning practices for developing and reviewing local and interjurisdictional emergency management plans to ensure: (a) the needs of the community's vulnerable populations, including persons with disabilities, persons who are homeless, and low-income households, are accurately identified; (b) the emergency management plans address the needs in (a), above; and (c) the community resources that vulnerable populations
HB1164	Watch	Personnel	Relating to the prohibition of certain discrimination; authorizing civil penalties.	
HB1177	Watch	Utilities and Environment	Relating to the creation of the criminal offense of diverting or impounding the flow of surface water in a manner that damages the property of another by the overflow of the water diverted or impounded.	would: (1) create a criminal offense for diverting or impounding the natural flow of surface waters or permitting a diversion or impoundment by them to continue, in a manner that damages the property of another by the overflow of the water diverted or impounded; and (2) provide a defense to prosecution if an actor filled the mouth of a gully or slough up to the height of the adjoining banks of a river or creek as allowed under state law.
HB1183	Support	Land Use	Relating to county and municipal authority to prohibit the operation of e-cigarette retailers near primary or secondary schools.	would provide that: (1) a governing body of a city may adopt an ordinance applicable within the city prohibiting an e-cigarette retailer from operating within: (a) 300 feet of a public or private primary or secondary school campus; (b) 1,000 feet of a public primary or secondary school campus on request of the school district board of trustees for the campus; or (c) 1,000 feet of a private primary or secondary school campus on request of the governing body of the school; (2) the board of trustees of a school district or governing body of a private school may request the governing body of a city to adopt a prohibition described in (1)(b) or (1)(c), above, for a district or school campus within the described area in (1), above; and (3) a city ordinance adopted in (1), above, does not apply to an e-cigarette retailer whose gross receipts from the sale of e-cigarettes is less than 50 percent of the retailer's total gross receipts at the retailer's premises within an area described in (1), above.
HB1189	Oppose	Other Finance and Administration	Relating to the use by a political subdivision of public funds for lobbying and certain other activities.	
HB1191	Watch	Personnel	Relating to inquiries about and the consideration of criminal history record information regarding an applicant for employment.	would provide that: (1) an employer, including a city, may not include a question regarding an applicant's criminal history record information on an initial employment application form; (2) an employer may inquire into or consider an applicant's initial employment application form; (2) an employer may inquire into or consider an applicant's criminal history record information after the employer has: (a) determined that the applicant is otherwise qualified; and (b) conditionally offered the applicant employment or invited the applicant to an interview; and (3) the provisions in (1) and (2), above, do not apply to an applicant for a position for which consideration of criminal history record information is required by law.
HB1197	Oppose	Elections	Relating to a requirement that an election for a member of a board of trustees of an independent school district is partisan.	would, among other things: (1) repeal the option for an election for trustees of an independent school district to be held on the same date as the election for city councilmembers of a city located in the school district; (2) require that an election for trustees of an independent school district be held on the same date as the general election for state and county officers; and (3) require that an election for a member of a board of trustees of an independent school district is partisan.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1198	Support	Other Finance and Administration	Relating to consideration of the location of a bidder's principal place of business in certain municipal contracts.	would provide that in purchasing any real property, personal property that is not affixed to real property, or services, if a city receives one or more competitive sealed bids from a bidder whose principal place of business is in the city and whose bid is within five percent of the lowest bid price received by the city from a bidder who is not a resident of the city, the city may enter into a contract for construction services or other purchases in an amount of less than \$500,000 with: (1) the lowest bidder; or (2) the bidder whose principal place of business is in the city if the governing body of the city determines, in writing, that the local bidder offers the city the best combination of contract price and additional economic development opportunities for the city created by the contract award, including the employment of residents of the city and increased tax revenues to the city.
HB1207	Watch	Personnel	Relating to conditions applicable to health benefit plan coverage of in vitro fertilization procedures.	
HB1223	Watch	Open Government	Relating to the publication of a line-item budget by school districts and municipalities.	would, among other things, require a city to prepare its proposed budget and final budget in line-item form.
HB1227	Watch	Other Finance and Administration	Relating to municipal solid waste management services contracts; limiting the amount of a	
HB1228	Watch	Land Use	Relating to municipal and county permitting requirements to conduct certain repairs on residential buildings.	would provide, among other things that: (1) a city shall allow an owner of a damaged residential building to immediately begin to repair to the building if: (a) the owner applies for an emergency permit; and (b) the repairs are necessary to protect public safety, prevent further damage to the building, or protect the overall structural integrity of the building; (2) an owner of a residential building may apply for an emergency permit to conduct repairs by filing an application not later than the third business day after the later of the date the repairs commence or the date the city is able to accept the application;
HB1231	Watch	Open Government	Relating to public access to personal financial statements filed by public officials and candidates.	
HB1232	Watch	Open Government	Relating to the reporting of violations of law under the whistleblower protection laws.	would prohibit a state or local government entity from suspending or terminating the employment of, or taking other adverse personnel action against, a public employee who in good faith reports a violation of law by an elected official of the employing governmental entity.
HB1241	Watch	Utilities and Environment	Relating to the installation of conduit by the Texas Department of Transportation in the state highway system.	would, among other things, provide that for each road construction or reconstruction project in a part of the state highway system in which telecommunications conduit has not been installed under the improved portion of the highway, the Texas Department of Transportation shall: (1) provide for the installation of telecommunications conduit as part of the project at intervals not to exceed: (a) one mile in an unincorporated area; and (b) 500 feet in an incorporated area; and (2) ensure that access points to the conduit are provided at each interval described by (1), above, to facilitate use by a telecommunications provider.
HB1243	Watch	Property Tax	Relating to the authority of spouses who occupy separate properties as their principal residences to each qualify the property in which they reside as their residence homestead for ad valorem tax purposes.	would permit individuals married to each other who reside in different homes to each claim a residence homestead exemption for the property that is the principal residence of each spouse.
HB1244	Watch	Property Tax	Relating to the eligibility of land to continue to be appraised for ad valorem tax purposes as qualified open-space land following a transfer to a person who uses the land in materially the same way as the former owner and to late applications for such appraisal filed by the new owner of the land.	would: (1) provide that land that was eligible for agricultural appraisal remains eligible after a change in ownership if the new owner uses the land in materially the same way it was used in the preceding year and the use is conducted by the same individuals who conducted the use in the preceding year; and (2) require the chief appraiser to accept an application for agricultural appraisal after the deadline if the land was appraised as agricultural land in the preceding year, the new owner uses the land in materially the same way as the former owner, and the application is received not later than the first anniversary of the date ownership of the land was
HB1245	Watch	Utilities and Environment	Relating to a prohibition on the use of water on nonresidential property to irrigate nonfunctional turf during a drought.	would: (1) require wholesale and retail public water suppliers' and irrigation districts' drought contingency plans to prohibit the use of water on nonresidential property to irrigate nonfunctional turf during periods of water shortages and drought; and (2) include methods for enforcing compliance with the prohibition.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1246	Watch	Public Safety and Emergency Man	Relating to the authority of sheriffs and constables to enter into contracts to provide law enforcement services and county financial authority in relation to sheriffs and constables.	would provide, among other things, that a county sheriff or constable may enter into a contract with a property owners' association or an owner of land in a subdivision to provide law enforcement services in the sheriff's county: (1) in and near the area managed or regulated by the association or the area owned by the owner; and (2) to the persons residing in or visiting an area described in (1), above.
HB1251	Oppose	Sales Tax	Relating to an exemption from sales and use taxes for certain educational materials.	would: (1) expand the sales tax exemption for school supplies and backpacks so that it is effective year-round; and (2) exempt from the sales tax education materials necessary for in-class learning, including textbooks and school computers.
HB1252	Watch	Sales Tax	Relating to an exemption from sales and use taxes for purchases up to a certain amount.	
HB1256	Watch	Property Tax	Relating to the authority of a county commissioners court to adopt an exemption from ad valorem taxation by each taxing unit that taxes the property of the portion of the appraised value of a person's property that is attributable to the installation in or on the property of certain water conservation systems.	would: (1) authorize the county commissioners court to adopt an exemption from taxation of the portion of the appraised value of a person's property that is attributable to the installation in or on the property of a rainwater harvesting or graywater system; and (2) provide that the exemption in (1), above, would be applicable to the taxation by each taxing unit that taxes the property. (See H.J.R. 88, below.)
HB1261	Support	Public Safety and Emergency Man	Relating to the disposition of abandoned or unclaimed property seized by a peace officer.	would, among other things, provide that: (1) for purposes of any unclaimed or abandoned personal property, a person designated by the city to dispose of the property may, instead of sending a notice to the last known address of the owner of the property by certified mail, place a one-time notice on the internet website and social networking website of the law enforcement agency that seized the property; and (2) the notice described in (1), above, shall state that if the owner does not claim the property before the 90th day after the date of the notice, the property shall be disposed of, and the proceeds placed in the city treasury.
HB1263	Watch	Elections	Relating to the verification of citizenship of an applicant for voter registration.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
				would, among other things, (1) define "prohibited discriminatory practice," among other things, (a) as engaging in or maintaining a policy, procedure, practice, program, office, initiative, or required training that, based on an individual's personal identity characteristics promotes the differential treatment of an individual; or (b) engaging in or maintaining a policy, procedure, practice, program, office, initiative, or required training that, among other things, asserts that an individual, by virtue of the individual's personal identity characteristics, is inherently privileged, oppressed, racist, sexist, oppressive, or a victim, whether consciously or unconsciously; or asserts that an individual, by virtue of the individual's personal identity characteristics, bears responsibility for actions committed in the past by other individuals with the same personal identity characteristics; (2) define "prohibited submission" as a submission, statement, or document that relates to a policy, program, or initiative regarding: (a) anti-racism; (b) bias; (c) critical race theory; (d) implicit bias; (e) intersectionality; (f) prohibited discriminatory practice, as that term is defined in the bill; or (g) racial privilege; (3) define "prohibited training" as a mandatory instructional program and related materials that require employees, prospective employees, to attend that promote prohibited discriminatory practices as that term is defined in the bill; (3) provide that a governmental employer, including a city, may not: (a) engage in prohibited discriminatory practices; (b) establish or maintain an office, division, employment position, or other unit of an institution established to implement, develop, plan, or promote campus policies, procedures, practices, programs, or initiatives, regarding prohibited discriminatory practices; or (c) employ or assign an employee or a third-party whose duties for an institution include coordinating, creating, developing, designing, implementing, organizing, planning, or promoting policies, programming, training, practices, activities, and procedures relating to prohibited discriminatory practices; (4) provide that a governmental employer may not require, request, solicit, or compel a prohibited submission as a certification or condition before taking action with respect to, among other things, employment; (5) prohibit a governmental employer, including a city, from requiring prohibited training; (6) create a cause of action to enforce the bill and provide for attorney's fees; and (7) create a criminal misdemeanor offense if a person, on behalf of a governmental employer, (a) knowingly engages in, promotes or facilitates a discriminatory practice; or (b) knowingly requests or requires a person to produce or provide a prohibited submission; or (c) knowingly conducts, promotes or facilitates a prohibited training.
HB1280	Watch	Personnel	Relating to prohibiting governmental discriminatory practices as well as submissions and trainings that could lead to discriminatory treatment of individuals because of personal identity characteristics including an individual's race, color, ethnicity, sex, national origin or religion and the establishment of remedies and penalties for discriminatory treatment.	
HB1284	Watch	Property Tax	Relating to the duty of an appraisal review board to determine a motion or protest filed by a property owner and the right of the owner to appeal the board's determination.	
HB1286	Oppose	Other Finance and Administration	Relating to the award of attorney's fees to a prevailing property owner in a judicial appeal of certain ad valorem tax determinations.	would provide that: (1) a property owner who prevails in an a judicial appeal of property taxes may be awarded reasonable attorney's fees; (2) except as provided by (3), below, the amount of the award may not exceed the greater of \$25,000 or 50 percent of the total amount by which the property owner's tax liability is reduced as a result of the appeal; and (3) the amount of an award of attorney's fees to the prevailing property owner is not subject to the limitation in (2), above, if: (a) the property owner prevails in an appeal for excessive appraisal or unequal appraisal; and (b) the property owner qualifies the property as the owner's residence homestead.
HB1288	Watch	Transportation	Relating to discretionary funding decisions of the Texas Transportation Commission.	would repeal a statute limiting the Department of Transportation's discretionary funding decision to no more than ten percent of its then-current biennial budget.
HB1294	Oppose	Other Finance and Administration	Relating to the use by a political subdivision of public funds for lobbying and certain other activities.	
HB1298	Watch	Elections	Relating to the days and hours during which the polls are open for early voting by personal appearance.	would, among other things, provide that: (1) an authority ordering an election may order early voting by personal appearance at the main early voting polling place to be conducted during an extended early voting period beginning the 19th day before election day and continuing for any number of consecutive days up to and including the third day before election day; and (2) an authority that orders early voting during an extended early voting period shall order personal appearance voting at the main early voting polling place to be conducted for at least 12 hours on any weekday or Saturday and for at least five hours on any Sunday of the extended early voting period.

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1308	Watch	Personnel	Relating to employment practices of governmental entities, state contractors, and private employers in this state regarding the legal status of employees, including requiring participation in the federal electronic verification of employment authorization program, or E-verify program, and authorizing the suspension of certain licenses held by private employers for certain conduct in relation to the employment of persons not lawfully present.	would provide that: (1) a governmental entity, including a city: (a) shall register and participate in the E-verify program to verify information of all new employees; and (b) may not knowingly hire, employ, recruit or refer for a fee a person not lawfully present in the United States; (2) a person who has reasonable belief that a governmental entity violated (1), above, may report the allegation to the attorney general; (3) a governmental entity is ineligible to receive state grant funding if: (a) the entity fails to submit to the attorney general required information in response to the attorney general's investigation; or (b) the attorney general determines that required corrective action taken in response to the attorney general's investigation did not cure the entity's violation; (4) the comptroller shall maintain a list of governmental entities identified by the attorney general for purposes of ensuring that an entity included in the list does not receive grant funding from the state; and (5) any verification form or electronic process used by an employer to report wages paid by the employer for purposes of unemployment compensation shall require the employer to certify the employer's compliance with (1), above.
HB1309	Watch	Property Tax	Relating to the applicability of the law governing the provision of state aid to certain local governments disproportionately affected by the granting of ad valorem tax relief to disabled veterans and to the effect of the receipt of such aid on the maintenance and operations ad valorem tax rate of a local government.	would: (1) provide that, for purposes of the law governing the provision of state aid to certain local governments disproportionately affected by the granting of property tax relief to disabled veterans, the term "local government" includes a city located in a county in which a United States military installation is wholly or partly located; and (2) prohibit a city that received a state aid payment described in (1), above, in the preceding year from adopting a maintenance and operations tax rate that is greater than the rate adopted in the preceding year.
HB1312	Watch	Elections	Relating to a person submitting proof of citizenship to verify eligibility to vote in Texas.	
HB1318	Watch	Utilities and Environment	Relating to a certificate of public convenience and necessity to provide water or sewer service in an area incorporated or annexed by a municipality.	would, among other things, provide that, when a city annexes property and the municipally owned utility (MOU) seeks a certificate of convenience and necessity for water or sewer for the annexed area, the Public Utility Commission shall determine in its order granting the certificate to the MOU the adequate and just compensation to be paid for the transferred property and damages to or adverse effects on property remaining in the ownership of the retail public utility after single certification.
HB1321	Watch	Elections	Relating to electronic voter registration.	
HB1322	Oppose	Land Use	Relating to municipal approval of subdivision plans or plats in certain municipalities.	would provide that for cities with populations under 10,000: (1) the municipal authority responsible for approving plats shall approve, approve with conditions, or disapprove a plat within 90 days after the date the plat is filed; (2) if the city requires a plat be approved by the city council in addition to the planning
HB1335	Watch	Utilities and Environment	Relating to underground facility safety.	
HB1342	Watch	Land Use, Other Finance and Admi	Relating to the issuance of private activity bonds for qualified residential rental projects.	
HB1344	Support	Utilities and Environment	Relating to prioritization of requests for financial assistance from certain funds administered by the Texas Water Development Board.	would provide that, in providing financial assistance from any revolving fund for financial assistance for water pollution control, the Texas Water Development Board shall, to the extent permissible under federal law, give priority to a request for financial assistance from a city located not more than 50 miles from an area of high growth.
HB1349	Watch	Land Use	Relating to property owners' associations, including condominium unit owners' associations.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1351	Watch	Personnel	Relating to employment leave for certain family or medical obligations.	would create a state family and medical leave law that, among other things: (1) requires an employer, including a city, to provide an employee who has been employed for at least one year not less than 30 days of leave for specific family and medical reasons; (2) creates a wage replacement fund administered by the Texas Workforce Commission that is funded by an assessment on each employee's wages in an amount equal to one quarter of one percent of the employee's average monthly pay; (3) provides that if an employer provides paid sick leave to its employees, an employee is entitled to use such paid leave for the specific family and medical reasons described in (1), above, in an amount not to exceed the lesser of the paid leave or 30 days; (4) provides that if an employer does not provide paid leave to its employees, or provides paid leave that may not be used for the specific family and medical reasons described in (1), above, the employee is entitled to wage replacement benefits for leave taken for such reasons; and (5) provides that an employer may not interfere with an employee's attempt to take leave, discharge an employee or otherwise discriminate against an individual for opposing an practice made unlawful by the bill, or discriminate or discharge an employee for exercising the employee's rights to leave.
HB1360	Support	Land Use	Relating to certain regulations adopted by governmental entities for the construction or alteration of residential or commercial buildings.	would, among other things, provide for additional exemptions to the current building materials preemption related to: (1) an energy code adopted by the State Energy Conservation Office for building energy efficiency performance standards; (2) an energy and water conservation design standards established by the State Energy Conservation Office; and (3) a high-performance building standards approved by a board of regents relating to the construction of a building, structure, or other facility owned by an institution of higher education.
HB1362	Watch	Personnel	Relating to eligibility for unemployment compensation for employees who leave the workplace due to sexual harassment.	would allow an individual to qualify for unemployment benefits if the individual involuntarily leaves the workplace because of sexual harassment and: (1) reports the sexual harassment to the individual's employer or a law enforcement agency; or (2) files a sexual harassment complaint with the Texas Workforce Commission or the Equal Employment Opportunity Commission.
HB1363	Watch	Municipal Court	Relating to implicit bias training for justices and judges of state courts, judicial officers, certain court personnel, and attorneys licensed to practice law in this state.	would, among other things, require municipal court judges and any judicial officer and court personnel who interact with the public on matters before a court to complete an implicit bias training course every two years.
HB1367	Watch	Property Tax	Relating to the authority of the commissioners court of a county to adopt an exemption from ad valorem taxation by the county of a portion, expressed as a dollar amount, of the appraised value of an individual's residence homestead.	
HB1370	Watch	Property Tax	Relating to an exemption from ad valorem taxation of the amount of the appraised value of real property that arises from the use of xeriscape on the property.	would provide that a person is entitled to an exemption from taxation of the amount of the appraised value of real property owned by the person that arises from the use of xeriscape on the property. (See H.J.R. 97, below.)
HB1374	Watch	Community and Economic Development	Relating to the labeling of beef, pork, beef products, and pork products; providing a civil penalty.	
HB1378	Oppose	Utilities and Environment	Relating to municipal and county regulation of certain electric energy storage.	would: (1) provide that a city by ordinance or a county by order shall prohibit the installation of electric energy storage within 500 yards of real property owned by a person other than the owner or operator of the proposed storage unless the owner or operator of the proposed storage obtains written consent from each owner of the real property; (2) provide that a county may not regulate under (1), above, the installation of electric energy storage within the corporate boundaries of a city; and (3) require a city to adopt an ordinance providing for the prohibition on the installation of electric energy storage as required by (1), above, by October 1, 2025.
HB1385	Watch	Community and Economic Development	Relating to the labeling of beef and beef products; providing a civil penalty.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1392	Watch	Property Tax	Relating to the postponement of the delinquency date for a payment of ad valorem taxes imposed by a taxing unit if the office of the collector for the taxing unit is closed on the delinquency date.	
HB1394	Oppose	Other Finance and Administration	Relating to sovereign immunity and civil rights actions related to certain laws protecting the free exercise of religion.	would, among other things: (1) waive sovereign immunity in state and federal court for certain claims of violation of religious freedom; and (2) seek to expand the federal constitutional bar against citizens of other states or nations suing the State of Texas or Texas cities in federal court for violations of religious freedom.
HB1398	Watch	Transportation	Relating to signs posted under the memorial sign program for victims of certain vehicle collisions.	
HB1399	Watch	Property Tax	Relating to an exemption from ad valorem taxation of tangible personal property consisting of animal feed held by the owner of the property for sale at retail.	would exempt from the property tax tangible personal property consisting of animal feed that is exempt from the sales tax if the property is held by the owner for sale at retail. (See H.J.R. 99, below.)
HB1407	Watch	Utilities and Environment	Relating to public utility agencies; providing authority to issue bonds; providing authority to impose assessments.	would, among other things: (1) add a water supply or sewer service corporation to the definition of "public entity" for the purposes of state law that allows two or more public entities that have the authority to engage in the collection, transportation, treatment, or disposal of sewage or the conservation, storage, transportation, treatment, or distribution of water to join together as cotenants or co-owners to plan, finance, acquire, construct, own, operate, or maintain water or sewer facilities; (2) provide that each participating public entity may: (a) make an acquisition of property and easements for a facility through a purchase from a public or private entity; and (b) for the use and benefit of each participating public entity, acquire by purchase a public utility, other than an affected county; (3) provide that a public utility agency includes a retail public utility as defined in state law; (4) provide that a participating public entity may withdraw from a public utility agency by providing an ordinance or resolution of the governing body of the participating public entity to the agency not later than the 180th day before the proposed date of withdrawal; (5) provide that the Public Utility Commission (PUC) has appellate jurisdiction over the rates and charges of a public utility agency in the manner provided by state law; and (6) provide that ratepayers of a public utility agency may appeal the decision of the agency affecting their water, drainage or sewer rates to the PUC.
HB1424	Support	Utilities and Environment	Relating to the structuring of water rates by retail public utilities to promote water conservation; authorizing a fee.	would, among other things, provide that the governing body of a city may by ordinance: (1) structure the city's rates for water service in a manner that promotes water conservation by all of the city's water customers so that customers in a class who consume greater amounts of water pay a higher rate per unit volume than customers in a class who consume lesser amounts of water; and (2) establish an excessive use fee for water customers whose water usage is greater than the water usage of a percentage of the city's other customers.
HB1430	Oppose	Property Tax	Relating to a limitation on increases in the appraised value of certain commercial real property for ad valorem tax purposes.	would establish a 20 percent appraisal cap on commercial real property with a market value of \$10 million or less. (See H.J.R. 101, below.)
HB1431	Watch	Community and Economic Development	Relating to the prohibited manufacture, processing, possession, distribution, offer for sale, and sale of cell-cultured protein.	
HB1432	Watch	Land Use	Relating to restrictive covenants regulating certain landscaping and water conservation practices.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HB1433	Oppose	Other Finance and Administration	Relating to efficiency audits for certain political subdivisions.	would, among other things, require: (1) a political subdivision other than a school district, including a city, that adopts a property tax rate that exceeds the no-new-revenue tax rate for five consecutive years to conduct an efficiency audit; (2) the political subdivision to pay for the costs associated with the efficiency audit; (3) the governing body of the political subdivision conducting an efficiency audit to hold an open meeting to discuss the results of the efficiency audit; (4) the results of an efficiency audit to be posted on the political subdivision's website not later than 30 days after the date of the open meeting described by (3), above; and (4) the political subdivision to provide all documents, records, and personnel requested by an auditor conducting an efficiency audit as needed to conduct the audit in an efficient manner.
HB1435	Support	Open Government	Relating to an expedited response by a governmental body to a request for public information.	
HB1439	Watch	Elections	Relating to early voting by mail.	would, among other things, provide that: (1) a person eligible for early voting by mail because of a disability or confinement for childbirth, or because the person is a member of the United States armed forces or the member's family member, may cast a ballot using an accessible absentee mail system (an electronic system, including software, used for the sole purpose of enabling any voter to mark the voter's ballot and print and submit the ballot in the manner required by law for a ballot marked by the voter); (2) a person eligible to vote by mail because of a disability or confinement for childbirth may request, by e-mail, mail in ballot materials from the appropriate early voting clerk; (3) the early voting clerk shall grant a request for the e-mail transmission of balloting materials if: (a) the requestor has submitted a valid application for a ballot to be voted by mail; (b) the requestor provides an e-mail address with the request; (c) the request is submitted on or before the seventh day before the date of the election;
HB1452	Support	Community and Economic Development	Relating to the promotion of film and television production in this state, including the eligibility of film or television productions for funding under the major events reimbursement program, the creation of a film events trust fund and a film production tax rebate trust fund, the establishment of virtual film production institutes, and the designation of media production development zones.	would, among other things: (1) create the film events trust fund and a film production tax rebate trust fund; (2) add a film or television production to the major events reimbursement program; (3) provide that a city may submit a request for funding for a film event to the Texas Economic Development and Tourism Office (the office); (4) provide that an endorsing city that requests funding for a film event shall submit the city's hotel occupancy tax revenue determined to be directly attributable to the film event less any amount of the revenue the city determines is necessary to meet the obligations of the city; (5) provide that the comptroller shall place an endorsing city's sales and use tax revenue and alcoholic beverage tax attributable to the film event in the film event trust fund; (6) provide that the office may disburse money from the film events trust fund for a purpose for which an endorsing entity, including a city, or the state is obligated under an event support contract, including any obligation to pay costs incurred in preparing, producing, performing, or presenting the film event; and (7) provide that on payment of all municipal, county, or state obligations under an event support contract related to the location of a film event in Texas, the office shall remit to each endorsing entity, in proportion to the amount contributed by the entity, any money remaining in the film events trust fund.

Bill Number	CODS Position	Category	Bill Description	TML Summary
				would, among other things: 1. prohibit the governing body of an issuer, including a city council, from authorizing an anticipation note to pay a contractual obligation to be incurred if a bond proposition to authorize bonds for the same purpose was submitted to the voters during the preceding five years and failed to be approved; 2. allow the governing body of an issuer to authorize an anticipation note that the governing body is otherwise prohibited from authorizing under Number 1, above, if the note is issued: (a) to mitigate the impact of a public health emergency in the jurisdiction of the issuer that poses an imminent danger to the physical health or safety of the residents of the issuer; or (b) to finance the cleanup, mitigation, or remediation of a natural disaster in the jurisdiction of the issuer subject to a state of disaster declared by the governor or the presiding officer of the governing body of an issuer; 3. prohibit a city from issuing a certificate of obligation (CO) for the following types of public improvements: (a) a public safety facility, including a police station, fire station, emergency shelter, jail, or juvenile detention facility; (b) a judicial facility; (c) an administrative office building housing the governmental functions of the city or county; (d) an animal shelter; (e) a library; (f) a park or recreation facility that is generally accessible to the public and is part of the city or county park system; (g) the rehabilitation, expansion, reconstruction, or maintenance of an existing stadium, arena, civic center, convention center, or coliseum that is owned and operated by the city or county or by an entity created to act on behalf of the city or county; (h) constructing or equipping a jail; and (i) constructing a bridge that is part of or connected to a county road or an approach to such a bridge; 4. allow the governing body of an issuer to authorize a CO only as necessary to pay a contractual obligation, or professional services associated with an obligation, to be incurred for the construction, renovation, repair, or improvement of a public work that the governing body determines is necessary to: (a) comply with a state or federal law or rule, but only if the issuer has been officially notified of noncompliance with the law or rule; (b) to mitigate the impact of a public health emergency in the jurisdiction of the issuer that poses an imminent danger to the physical health or safety of the residents of the issuer, so long as the governing body adopts a resolution describing the conditions and circumstances of the public health emergency and makes a determination that the emergency exists; (c) to finance the cleanup, mitigation, or remediation of a
HB1453	Watch	Other Finance and Administration	Relating to the issuance of anticipation notes and certificates of obligation by certain local governments.	
HB1462	Watch	Land Use	Relating to the authority of certain counties to regulate junkyards, automotive wrecking and salvage yards, and recycling businesses.	
HB1463	Watch	Land Use	Relating to the manufacture, transportation, storage, and disposal of new and scrap tires; authorizing a fee.	
HB1464	Watch	Personnel	Relating to a prescription drug purchasing pool for certain health benefit plan issuers and employers.	
HB1471	Watch	Personnel	Relating to the designation of Diwali and Dashain as optional holidays.	
HB1476	Watch	Elections	Relating to a ballot option to not vote for any candidate.	
HB1477	Watch	Elections	Relating to preparing and delivering precinct election returns; increasing a criminal penalty.	
HB1478	Watch	Elections	Relating to the failure of a voter registrar to comply with voter registration laws.	
HJR26	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to make permanent the limit on the maximum appraised value of real property other than a residence homestead for ad valorem tax purposes.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HJR30	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to provide for a limitation on the maximum appraised value for ad valorem tax purposes of certain leased residential real property.

HJR52	Watch	Land Use	Proposing a constitutional amendment protecting private schools from state and local regulation.	
HJR53	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to limit the maximum appraised value of real property for ad valorem tax purposes.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HJR55	Oppose	Property Tax	Proposing a constitutional amendment to increase the amount of the exemption of residence homesteads from ad valorem taxation by a school district.	
HJR56	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to set lower limits on the maximum appraised value of residence homesteads and of real property other than a residence homestead for ad valorem tax purposes and to make permanent the limit on the maximum appraised value of real property other than a residence homestead.	
HJR59	Watch	Property Tax	Proposing a constitutional amendment to authorize a political subdivision other than a school district to establish a limitation on the amount of ad valorem taxes that the political subdivision may impose on the residence homesteads of persons who are disabled or elderly and their surviving spouses.	
HJR64	Oppose	Property Tax	Proposing a constitutional amendment to abolish ad valorem taxes.	
HJR66	Oppose	Property Tax	Proposing a constitutional amendment authorizing the legislature to exempt from ad valorem taxation income-producing tangible personal property for a certain period of time.	
HJR67	Watch	Property Tax	Proposing a constitutional amendment authorizing the legislature to exempt from ad valorem taxation the total assessed value of the residence homestead of an unpaid caregiver of an individual who is eligible to receive long-term services and supports under the Medicaid program while the individual is on a waiting list for the services and supports.	
HJR71	Watch	Property Tax, Other Finance and Administration	Proposing a constitutional amendment providing that a residence homestead is not subject to seizure or sale for delinquent ad valorem taxes.	
HJR72	Watch	Property Tax	Proposing a constitutional amendment authorizing the legislature to provide for an exemption from ad valorem taxation of a portion of the market value of a property that is the primary residence of an adult who has an intellectual or developmental disability and who must be related to the owner or trustee of the property within a certain degree by consanguinity.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HJR74	Watch	Property Tax	Proposing a constitutional amendment authorizing the legislature to provide that the appraised value of a residence homestead for ad valorem tax purposes for the first tax year that the owner of the property qualifies the property for a residence homestead exemption is the market value of the property and that, if the owner purchased the property, the purchase price of the property is considered to be the market value of the property for that tax year and to limit increases in the appraised value of the homestead for subsequent tax years based on the inflation rate.	
HJR82	Watch	Property Tax	Proposing a constitutional amendment to provide for an exemption from ad valorem taxation by certain political subdivisions of a portion of the market value of the residence homestead of the parent or guardian of a person who is disabled and who resides with the parent or guardian.	
HJR83	Watch	Property Tax	Proposing a constitutional amendment to authorize the legislature to exclude from the market value of real property for ad valorem tax purposes the value of any improvement, or any feature incorporated in an improvement, made to the property if the primary purpose of the improvement or feature is compliance with the requirements of standards that address accessible design of buildings or other facilities.	
HJR88	Watch	Property Tax, Utilities and Environment	Proposing a constitutional amendment to authorize the commissioners court of a county to exempt from ad valorem taxation by each political subdivision that taxes the property the portion of the assessed value of a person's property that is attributable to the installation in or on the property of a rainwater harvesting or graywater system.	
HJR94	Watch	Community and Economic Development	Proposing a constitutional amendment protecting the right to produce meat and meat food products naturally derived from livestock.	
HJR97	Watch	Property Tax, Utilities and Environment	Proposing a constitutional amendment to authorize the legislature to provide for an exemption from ad valorem taxation of the amount of the market value of real property that arises from the use of xeriscape on the property.	
HJR99	Oppose	Property Tax	Proposing a constitutional amendment authorizing the legislature to exempt from ad valorem taxation tangible personal property consisting of animal feed held by the owner of the property for sale at retail.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
HJR101	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to limit the maximum appraised value of certain commercial real property for ad valorem tax purposes.	would, among other things, provide that: (1) public information for purposes of the Public Information Act (PIA) includes data dictionary or other indicia of the type or category of information held in the applicable field of a database, other than metadata that directly implicates database security; (2) if a request for public information applies to electronic public information (public information produced and maintained in an electronic spreadsheet or database that is searchable or sortable) and the requestor requests the electronic public information in a searchable or sortable format, a governmental body shall: (a) provide an electronic copy of the requested electronic public information in the searchable or sortable format requested using computer software the governmental body uses to access, support, program, manipulate, or otherwise manage the governmental body's information; (b) if the requestor prefers, provide a copy of electronic public information in the form of a paper printout; (3) a governmental body may not refuse to provide a copy of electronic public information on the grounds that exporting the information or redacting excepted information will require inputting range, search, filter, report parameters, or similar commands or instructions into the governmental body's computer system if the commands or instructions can be executed with computer software the governmental body uses in the ordinary course of business to access, support, or otherwise manage the information; (4) if a requestor requests that a copy of electronic information be provided in the format in which the governmental body maintains information or in a standard export format such as a flat file electronic American Standard Code for Information Interchange (ASCII), the governmental body shall provide the copy if the computer programs the governmental body uses support exporting the information in that format; (5) the copy of electronic information provided to the requestor under (4), above, shall: (a) be in the requested format or in another format acceptable to the requestor; and (b) on suitable electronic media; (6) if electronic public information is maintained by a governmental body in a format that is: (a) searchable but not sortable, the governmental body shall provide an electronic copy of the information in a searchable format; or (b) sortable, the governmental body shall provide an electronic copy of the information in a sortable format; (7) governmental body shall use reasonable efforts to ensure that a contract the governmental body enters into for the creation and maintenance of electronic public information does not impair the public's ability to inspect or copy the information or make the information more difficult for the public to inspect or copy than records the governmental body maintains; and (8) the provision related to responding to requests for information that require
SB50	Oppose	Open Government	Relating to maintenance and production of electronic public information under the public information law.	
SB63	Watch	Community and Economic Development	Relating to the licensing and regulation of child swim instruction operators; requiring an occupational license; imposing penalties, including administrative penalties; authorizing fees.	
SB72	Watch	Community and Economic Development	Relating to the regulation of private passenger vehicle rental companies.	
SB73	Watch	Other Finance and Administration	Relating to the creation and duties of the unfunded mandates interagency work group.	would establish an unfunded mandate interagency workgroup and require the group to, among other things, publish an advisory list of mandates for which the legislature has not provided reimbursement following each regular or special session of the legislature.
SB75	Watch	Public Safety and Emergency Management, Utilities and Environment	Relating to the resilience of the electric grid and certain municipalities.	
SB76	Oppose	Elections	Relating to elimination of the countywide polling place program.	would, among other things, repeal the provisions that allow for use of countywide polling places in elections.

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB77	Watch	Elections	Relating to the use of paper ballots and certain electronic devices in conducting an election.	would, among other things, provide that: (1) a signature roster in the form of an electronic device may not be used in an election; (2) an election officer at a polling place where an electronic voting system is used must provide a paper ballot to each voter who requests one; (3) a paper ballot provided under (2), above, must be printed at the time the request is made and, after being voted by the voter, must be scanned at the polling place with an optical scanner; and (4) a voting system that consists of a ballot marking device may not be used in an election.
SB78	Oppose	Elections	Relating to the security of election systems.	would, among other things, provide that: (1) an election system that is capable of being connected to the Internet or any other computer network may not be used in an election held in this state, except for the use of a visible wired connection to an isolated local area network within the building; and (2) equipment used in the operation of a voting system must have a documented chain of custody and be stored in a locked facility with video surveillance monitoring the storage facility at all times.
SB80	Oppose	Other Finance and Administration	Relating to the Texas Sovereignty Act.	would, among other things: (1) establish the Joint Legislative Committee on Constitutional Enforcement (JLCCE); (2) provide for the JCCLE's membership and powers, including declaring a federal action unconstitutional; (3) provide that a federal action declared unconstitutional by the JCCLE has no legal effect in this state and may not be recognized by this state or a political subdivision of this state as having legal effect; (4) prohibit the state and a political subdivision of the state from spending public money on a federal action declared to be unconstitutional by the JCCLE; and (5) provide that a person authorized to enforce state law may enforce such laws against a person who attempts to implement or enforce a federal action declared unconstitutional by the JCCLE.
SB84	Oppose	Other Finance and Administration	Relating to the definition and use of the terms "male" and "female" for purposes of certain government documents.	would require that all government documents, policies, surveys, questionnaires, reports, publications, notices, or other written or electronic material reference only male or female when requesting or providing information regarding a person's sex.
SB102	Support	Utilities and Environment	Relating to the notice and petition for the creation of a municipal utility district in certain counties.	would provide that for a municipal utility district which is to be located outside the corporate limits of a city before a petition requesting creation of a proposed district is filed with the Texas Commission on Environmental Quality, notice must be sent to the commissioners court of each county in which the proposed district is to be located and shall: (1) generally describe the boundaries to be included in the district; and (2) inform the commissioners of the right to: (a) respond to the notice; (b) review the petition requesting creation of the proposed district; and (c) submit a written opinion on the creation of the proposed district. (Companion bill is S.B. 102 by Hall.)
SB103	Watch	Other Finance and Administration	Relating to prohibiting the purchase of or acquisition of title to real property by and contracts or other agreements with certain aliens or foreign entities.	would provide, among other things, that: (1) the following entities and individuals may not purchase or otherwise acquire title to real property in Texas: (a) a governmental entity of China, Iran, Russia, or North Korea; (b) a company or entity that is (i) headquartered in China, Iran, Russia, or North Korea; (ii) directly or indirectly under the control of China, Iran, Russia, or North Korea; or (iii) owned or under the control of one or more individuals who are citizens of China, Iran, Russia, or North Korea; (c) a company or other entity that is owned or controlled by a company or entity described in (1)(b), above; or (d) an individual who is a citizen of China, Iran, Russia, or North Korea; (2) a city may not enter a contract payable with public money with: (a) a governmental entity or other entity described in (1), above; or (b) an individual who is a citizen of China, Iran, Russia, or North Korea.
SB104	Oppose	Elections	Relating to the availability of paper ballots for a person voting by personal appearance.	would provide that: (1) the authority responsible for procuring election supplies shall provide, unless the number of ballots provided to an election precinct is equal to the total number of registered voters in the precinct, the means to print additional paper ballots at each precinct polling place and early voting polling place; (2) an election officer shall provide a paper ballot to a voter who requests a paper ballot; and (3) the secretary of state may prescribe procedures to implement the provisions of (2), above.
SB105	Oppose	Elections	Relating to the procedure for closing a polling place.	would, among other things, provide that: (1) when closing the polls on the last day of early voting, the presiding election judge and alternate presiding judge shall place the printed tape that shows the counter was set to zero for each candidate or measure on the ballot in envelope no. 2; and (2) when closing the polls for voting on election day, any watcher present, but not more than three, may sign the printed tape described in (1), above.

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB106	Watch	Elections	Relating to the separation of federal elections from state and local elections, and to related practices and procedures.	
SB107	Watch	Elections	Relating to the disposition of certain election records.	
SB108	Watch	Elections	Relating to the appointment of election clerks.	would provide that: (1) the alternate presiding judge shall serve as the presiding judge for an election if the regularly appointed presiding judge is not present at a polling location; (2) a person may not prevent an alternate presiding judge from freely observing or occupying the area in which voters are being accepted for voting; (3) the alternate presiding judge for an election precinct shall appoint an election clerk to assist the judge in the conduct of an election at the polling place served by the judge; (4) the authority that appoints election judges shall prescribe the maximum number of election clerks that the alternate presiding judge may appoint for each election; (5) the alternate presiding judge shall appoint at least one clerk for each precinct in each election; and (6) the provision that requires the presiding judge to appoint, in an election conducted by the regularly appointed presiding judge, an alternate presiding judge as one of the clerks is repealed.
SB109	Watch	Elections	Relating to the procedure for closing a polling place.	would provide that any watcher present at the opening and closing of a polling place, but not more than three, may sign a tape printed to show the number of votes cast for each candidate or ballot measure for each voting machine.
SB110	Watch	Elections	Relating to accommodating a voter unable to enter a polling place.	would provide that: (1) for a voter who is physically unable to enter the polling place without personal assistance or likelihood of injuring the voter's health, on the voter's request for assistance in marking the ballot, two election officers shall provide assistance in marking the ballot; and (2) any person accompanying the voter described in (1), above, shall exit the vehicle and remain outside of the vehicle unless the person is selected by the voter to provide the voter assistance.
SB115	Watch	Personnel	Relating to civil liability for, governmental health plan coverage of, and public funding for gender modification procedures and	would, among other things, prohibit a governmental entity from using or providing public money for the provision or administration of a gender modification procedure or treatment.
SB121	Oppose	Public Safety and Emergency Man	Relating to the right to choose medical treatments and certain control measures and to the imposition of isolation or quarantine control measures.	would, among other things, provide that: (1) before ordering an individual or a group of individuals to implement control measures that involve isolation or quarantine, a health authority must: (a) provide notice of the control measures to the individual or group of individuals; and (b) provide to the individual or group of individuals an opportunity to demonstrate that implementing the control measures is unnecessary; (2) a health authority may not order an individual or a group of individuals to implement control measures described by (1), above, for a period that exceeds five days unless the health authority obtains from a district court of the county in which the individual or group of individuals resides, is located, or is receiving court-ordered health services a court order authorizing the health authority to order the individual or group of individuals to implement the control measures; and (3) in ordering an individual or group of individuals to implement control measures described by (1), above, a health authority to the greatest extent possible must: (a) use the least restrictive means available; (b) allow an individual to isolate or quarantine with other individuals subject to the same court order under (2), above; (c) if the individual subject to the control measure is a minor, allow the individual to isolate or quarantine with the individual's parent, legal guardian, or managing conservator; and (d) allow an individual to isolate or quarantine in the individual's home or with another family member or a

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB131	Oppose	Public Safety and Emergency Man	Relating to the enforcement within this state of certain federal laws for federally declared public health emergencies.	would provide that: (1) a city or its employees may not enforce or provide assistance to a federal agency or official with respect to enforcing a federal statute, order, rule, or regulation that: (a) is enacted or issued in response to a federally declared public health emergency; and (b) imposes a prohibition, restriction, or other regulation that does not exist under state law; (2) a city is ineligible to receive state money from the general revenue fund or a grant program if it through consistent actions or a contract adopts a rule, order, ordinance, or policy under which the city enforces or assists with the enforcement of a federal statute, order, rule or regulation described in (1), above; (3) an individual residing in the city may file a complaint with the attorney general if the individual offers evidence to support an allegation in (1), above; (4) if the attorney general determines that a complaint filed under (3), above, is valid, the attorney general may file a petition for a writ of mandamus or apply for other equitable relief (including court costs, reasonable attorney's fees, investigative costs, witness fees, and deposition costs) in a district court in Travis County or in a county in which the city is located; (5) an appeal of an action brought under (4), above, shall be accelerated and an appellate court shall render its final order or judgment with the least possible delay; and (6) the attorney general shall defend a city in an action by the federal government for an act or omission consistent with this law.
SB134	Oppose	Public Safety and Emergency Man	Relating to agreements between municipalities and counties and United States Immigration and Customs Enforcement to enforce federal immigration law.	would: (1) require the governing body of each city and the commissioners court of each county to request, and as offered, enter into a written agreement with the United States Immigration and Customs Enforcement to authorize officers and employees of the city or county to enforce federal immigration law; (2) require that an agreement under (1), above, include the scope, duration, and limitations of the authority; (3) authorize the Office of Attorney General to bring an action for injunctive relief against a city or county that fails to comply with (1), above, plus recovery of reasonable expenses;
SB141	Oppose	Public Safety and Emergency Man	Relating to the authority of a municipality or a property owners' association to regulate the raising or keeping of chickens.	would, among other things, provide that a city: (1) may not adopt or enforce a regulation prohibiting the raising or keeping of six or fewer chickens on a single-family residential lot; (2) may impose reasonable regulations on the raising or keeping of poultry on a single-family residential lot that do not have the effect of prohibiting the activity, including: (a) a limit on the number of chickens that may be raised or kept in excess of six; (b) a prohibition on poultry breeding; (c) a prohibition on keeping roosters; or (d) the minimum distance between a chicken coop and a residential structure.
SB145	Watch	Elections	Relating to early voting by mail by any qualified voter and to the repeal of certain criminal offenses concerning the solicitation and distribution of an application to vote by mail.	
SB146	Watch	Elections	Relating to the voter registration of naturalized United States citizens.	
SB170	Watch	Public Safety and Emergency Man	Relating to authorizing the possession, use, cultivation, distribution, delivery, sale, and research of medical cannabis for medical use by patients with certain medical conditions and the licensing of medical cannabis organizations; authorizing fees.	would, among other things: (1) authorize the possession, use, cultivation, distribution, delivery, sale, and research of medical cannabis for medical use by patients with certain medical conditions; (2) provide for the issuance of a medical cannabis research license; (3) provide for the issuance of a medical cannabis dispensing organization license; (4) authorize fees for licenses under (2) and (3), above; (5) provide regulations regarding physicians recommending the use of medical cannabis; (6) provide certain legal protections for patients using cannabis for medical use pursuant to (1), above; and (7) preempt a municipality, county, or other political subdivision from enacting, adopting, or enforcing a rule, ordinance, order, resolution, or other regulation that prohibits the cultivation, production, dispensing, researching, testing, or possession of medical cannabis.
SB178	Support	Sales Tax	Relating to the permissible uses of revenue attributable to the municipal sales and use tax for street maintenance.	would provide that revenue derived from the street maintenance sales tax may be used to reconstruct city streets and sidewalks in addition to being used for maintenance and repair.

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB210	Watch	Land Use	Relating to municipal permitting requirements for certain development projects supported with low income housing tax credit allocations.	would provide that in cities with a population over 100,000: (1) an application for a building permit for certain affordable housing projects submitted to the city for review must be granted or denied in no more than 50 percent of the time allotted by the city to grant or deny any residential building permit application; and (2) if the city has adopted an accelerated residential building permit review process, an applicant for building permit for certain affordable housing projects shall be allowed to submit the application for review under the accelerated process.
SB212	Oppose	Utilities and Environment	Relating to certain public meetings and public hearings concerning permits issued by the Texas Commission on Environmental Quality.	would provide that: (1) if the Texas Commission on Environmental Quality (TCEQ), the executive director, or the applicant for certain permits, permit amendments, or permit renewals, under authority authorizing or requiring a public meeting or public hearing to be held in the county in which the facility or proposed facility that is the subject of the meeting or hearing is located or proposed to be located, holds a public meeting or public hearing concerning the issuance, amendment, or renewal of a permit for a facility or proposed facility, the meeting or hearing must be held: (a) in person; and (b) at a public location: (i) not more than one mile from the location or proposed location of the facility or proposed facility; or (ii) if a public location at which the meeting or hearing may be held does not exist within one mile of the location or proposed location, at a public location as near as practicable to and not more than five miles from the location or proposed location of the facility or proposed facility; and (2) the applicant for the permit, permit amendment, or permit renewal shall pay the cost of a public meeting or public hearing concerning a permit in (1), above.
SB214	Watch	Sales Tax	Relating to a temporary exemption from sales and use taxes for certain residential heating, ventilation, and air conditioning systems and installation services.	would provide a sales tax exemption for the sale and installation of heating, ventilation, and air conditioning systems for sales that take place on or after March 1, 2026, and before September 1, 2027, if the system: (1) is used for the purchaser's primary single-family residence; (2) has a minimum Seasonal Energy Efficiency Rating of 14 SEER; (3) is designated as an Energy Star qualified product under the Energy Star program; and (4) is installed by a person licensed to engage in air conditioning and refrigeration contracting.
SB220	Watch	Personnel	Relating to an employer's civil liability under the Texas Workers' Compensation Act for injuries sustained by certain victims of sexual assault or abuse.	would provide that an employee who is a victim of sexual assault or abuse may bring a cause of action, outside the workers' compensation program, against the employee's employer if: (1) the employee is an individual with an intellectual or developmental disability; and (2) the employee's injuries arose from the employer's negligence.
SB239	Watch	Other Finance and Administration	Relating to the use by a political subdivision of public funds for lobbying and certain other activities.	
SB240	Oppose	Community and Economic Development	Relating to regulations and policies for entering or using certain private spaces; authorizing a civil penalty.	
SB241	Watch	Public Safety and Emergency Management	Relating to prohibitions on camping in a public place.	would: (1) prohibit a local entity, including a city, from adopting or enforcing a policy under which the entity prohibits or discourages the enforcement of any public camping ban, including prohibiting or discouraging the investigation or enforcement of a violation of a public camping ban; (2) provide that a local entity may not permit camping by homeless individuals on a property designated for that purpose until the Texas Department of Housing and Community Affairs has approved a plan for the property; (3) require each local entity to develop and implement a process that allows a person to file a complaint with the local entity regarding a violation of a public camping ban; (4) require a local entity to report to the attorney
SB244	Oppose	Property Tax	Relating to the limitation on increases in the appraised value of a residence homestead for ad valorem tax purposes.	would amend the Texas Constitution to authorize the legislature to reduce the property tax appraisal cap on residence homesteads from ten to five percent. (See
SB247	Watch	Property Tax	Relating to the applicability of the law governing the provision of state aid to certain local governments disproportionately affected by the granting of ad valorem tax relief to disabled veterans.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB250	Support	Land Use	Relating to municipal annexation of an area adjacent to contiguous or connecting railroad rights-of-way.	would, among other things, provide that a city that is annexing an area may also annex an additional area if: (1) the area is adjacent to a right-of-way of a railway line, spur, or other railroad property that is: (a) contiguous and runs parallel to the city's boundaries; and (b) contiguous to the area being annexed; and (2) each owner of the area agrees to the annexation by the municipality.
SB258	Watch	Elections	Relating to electronic voter registration.	
SB265	Oppose	Sales Tax	Relating to the applicability of sales and use taxes to certain services provided by a marketplace provider.	would exclude services provided by a marketplace provider in relation to the processing of a sale or payment for a marketplace seller from the definition of "taxable services" for the purpose of the sales tax.
SB277	Support	Land Use	Relating to the consideration of certain local government actions before the renewal of air permits for certain concrete plants.	would provide that, for the renewal of an authorization to use a standard permit issued for the operation of a permanent concrete plant that performs wet batching, dry batching, or central mixing, in determining whether and under which conditions to renew an authorization, the Texas Commission on Environmental Quality shall, while classifying the applicant's compliance history, consider any civil suit instituted and any other enforcement actions taken by a local government against the applicant.
SB284	Support	Transportation	Relating to the civil penalty for certain signs placed on the right-of-way of a public road.	would provide for a civil penalty of up to \$5,000 to be collected from a person: (1) who places or commissions the placement of an unauthorized sign on the right-of-way of a public road; or (2) whose commercial advertisement is placed on a sign described in (1), above.
SB291	Oppose	Community and Economic Development	Relating to the failure to disclose certain appraisal reports by an entity with eminent domain authority in connection with an offer to acquire real property.	would provide that an entity that fails to disclose certain appraisal reports in connection with an offer to acquire real property through eminent domain is liable to the property owner for reasonable attorney's fees incurred by the owner in connection with the entity's acquisition of the owner's property.
SB292	Watch	Community and Economic Development	Relating to certain requirements in connection with the acquisition of real property for public use by an entity with eminent domain authority.	would: (1) amend the "Landowner's Bill of Rights," to include additional information on the condemnation process, the condemning entity's obligations to the property owner, the property owner's options during condemnation, and the entity's right to sue for permission to survey the property; (2) require an entity seeking to condemn property to provide a survey permission form to include information on the property owner's rights to refuse permission, negotiate terms, and hold the entity responsible for damages; and (3) require an entity with eminent domain authority, which seeks to acquire property without using that authority, to separately identify and make a separate offer for the real property it seeks to acquire outside the condemnation process.
SB296	Watch	Public Safety and Emergency Management	Relating to driving safety or motorcycle operator training course dismissal.	would: (1) allow a defendant to request to complete an approved driver's safety course or motorcycle operator training and safety program course to dismiss an applicable traffic citation through a court-authorized email address or internet portal, on or before the answer date on notice to appear; and (2) provide that a defendant is eligible for dismissal of all offenses arising out of the same criminal transaction following completion of such course, if each offense is eligible for dismissal following completion of such course, and the defendant satisfies all other applicable requirements.
SB303	Support	Municipal Court	Relating to the appointment of spoken language interpreters for certain court proceedings.	would, among other things, allow a municipal court or municipal court of record to appoint a spoken language interpreter under certain circumstances.
SB304	Support	Municipal Court	Relating to the jurisdiction of municipal courts over health and safety and nuisance abatement ordinances.	would allow a city, by ordinance, to provide its municipal court with: (1) civil jurisdiction for the purpose of enforcing certain code enforcement-related ordinances; (2) concurrent jurisdiction with a district court or county court of law within the city's territorial limits and property owned by the city in the city's extraterritorial jurisdiction, for the purposes of enforcing health and safety and safety or nuisance abatement ordinance violation, and
SB305	Support	Public Safety and Emergency Management	Relating to the criminal offense of passing certain vehicles on a highway.	would create a criminal offense for unlawfully passing a vehicle operated by: (1) an animal control officer or other individual for the purpose of removing an animal or animal carcass from a roadway and using certain prescribed visual signals; or (2) an employee of a local authority for the purpose of issuing a parking citation and using certain prescribed visual signals.
SB309	Watch	Elections	Relating to a person submitting proof of citizenship to verify eligibility to vote in Texas.	
SB310	Watch	Elections	Relating to the determination of a majority vote in certain elections.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB317	Watch	Land Use	Relating to the removal, relocation, alteration, or construction of certain monuments or memorials located on public property; authorizing a civil penalty.	would, among other things, provide that: (1) a monument which has been located on city property for at least 25 years may be removed, relocated, or altered only following approval of a majority of city voters at an election held for that purpose; (2) a monument which has been located on city property for less than 25 years may be removed, relocated, or altered by the city's governing body; (3) additional monuments may be added to the property on which a monument is located to complement or contrast with the existing monument; and (4) a city resident may file a complaint with the attorney general asserting violations of (1) or (2), above, and the attorney general may seek injunctive relief, equitable relief, mandamus and civil penalties against the city.
SB320	Oppose	Property Tax	Relating to the limitation on increases in the appraised value of a residence homestead for ad valorem taxation.	
SB321	Oppose	Property Tax	Relating to the limitation on increases in the appraised value of a residence homestead for ad valorem taxation.	would amend the Texas Constitution to authorize the legislature to exempt all tangible personal property from property taxation. (See
SB322	Watch	Property Tax	Relating to the limitation on increases in the appraised value of certain real property for ad valorem tax purposes.	would: (1) exempt a mineral interest from the temporary property tax appraisal cap applicable to real property other than a residence homestead; (2) reduce the temporary property tax appraisal cap applicable to real property other than a residence homestead from 20 percent to ten percent; and (3) extend the expiration date of the temporary property tax appraisal cap to 2031. (See S.J.R. 23, below.)
SB324	Watch	Personnel	Relating to requiring state contractors, political subdivisions of this state, and private employers to participate in the federal electronic verification of employment authorization program, or E-verify.	would, among other things, provide that: (1) a political subdivision, including a city, shall register and participate in the E-verify program to verify the information of all new employees; and (2) an employee of a political subdivision who
SB335	Watch	Land Use	Relating to regulating the cultivation, manufacture, processing, distribution, sale, testing, transportation, delivery, transfer, possession, and use of cannabis and cannabis products; authorizing the imposition of fees; requiring occupational licenses; creating a criminal offense.	would, among other things: (1) authorize the cultivation, manufacture, processing, distribution, sale, testing, transportation, delivery, transfer, possession, use, and taxation of cannabis and cannabis products; (2) provide that a person may prohibit or restrict the possession, consumption, cultivation, distribution, processing, sale, or display of cannabis or cannabis products on property the person owns, occupies, or manages, except under certain circumstances; (3) provide that a commissioners court of a county may order an election to approve the operation of cannabis growers, cannabis establishments, or cannabis testing facilities in the county; (4) provide that a county that authorizes the operation of cannabis growers, cannabis establishments or cannabis testing facilities in the county may adopt regulations consistent with the bill governing the hours of operation, location, manner of conducting business, and number of cannabis growers, cannabis establishments, or cannabis testing facilities; (5) require a license to operate as a cannabis grower, cannabis establishment, cannabis secure transporter, or cannabis testing facility; (6) establish the cannabis regulation account and limit appropriation of money in the account for implementing and administering this bill; and (7) creating the offense of selling, giving, or causing marijuana to be sold to a person under twenty-one years of age, or another person who intends to provide the marijuana to a person under twenty-one years of age.
SB339	Watch	Other Finance and Administration	Relating to authorization for a county or municipality to establish a local minimum wage.	would, among other things, allow: (1) a city to adopt a minimum wage that exceeds the federal minimum wage to be paid by an employer to each of its employees for services performed in the city; and (2) a county to adopt a minimum wage that exceeds the federal minimum wage to be paid by an employer to each of its employees for services performed in the unincorporated areas of the county, including areas located within the extraterritorial jurisdiction of a city.

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB341	Watch	Elections	Relating to the use of preferential voting in certain elections.	would, among other things, provide that: (1) a special election held to fill a vacancy in an office requiring a majority vote must use preferential voting, which allows a voter to rank each candidate for office through a numerical designation from the candidate the voter favors most to the candidate the voter favors least; (2) if no candidate receives a majority of the votes cast designating the highest favorable ranking for an office, the votes of the candidate receiving the fewest number of votes are reassigned to the candidate ranking next highest in the preference of a voter; (3) if after reassigning votes under (2), above, no candidate receives a majority of the votes cast designating the modified highest favorable ranking, the reassignment of a vote to a voter's next most preferred candidate as described in (2), above, continues until one candidate receives a majority; and (4) a runoff election is not held when preferential voting under (1), above, applies.
SB342	Watch	Elections	Relating to the use of preferential voting in certain elections.	
SB361	Watch	Personnel	Relating to a prohibition of employment discrimination on the basis of reproductive decisions and certain employment agreements limiting reproductive decisions.	would, among other things: (1) provide that an employer, including a city, commits an unlawful employment practice if the employer discriminates against an individual because of or on the basis of the individual's reproductive decision, including: (a) the individual's marital status at the time of pregnancy; (b) the use of assisted reproduction to become pregnant; (c) the use of contraception or a specific form of contraception; or (d) the obtainment or use of any other health care drug, device, or service relating to reproductive health; (2) require an employer that provides an employee handbook to include in the handbook information regarding the prohibition of discrimination because of or on the basis of a reproductive decision; and (3) provide that a mandatory arbitration agreement between an employer and an employee is void and unenforceable to the extent the agreement limits the reproductive decisions of an employee or an employee's immediate family member. (Companion bill is
SB363	Oppose	Land Use	Relating to the assessment of damages resulting from the condemnation of property that is subject to a conservation easement.	would provide that when valuing property subject to a conservation easement for the purposes of condemnation, the value of the property being condemned as well as any damages to the owner's remaining property shall be valued based on the property's highest and best use as though the property was not burdened by a conservation easement.
SB370	Watch	Personnel	Relating to the availability of certain personal information of a child, spouse, or surviving spouse of a current or former employee of the office of the attorney general.	would, among other things: (1) expand the definition of "family member" for purposes of the personal information of employees or officials of certain governmental entities that may be withheld under the Public Information Act (PIA) to include a minor child, adult child, spouse or surviving spouse of the employee or official; (2) provide that information is excepted from public disclosure under the PIA if it is information that relates to the home address, home telephone number, emergency contact information, or social security number of a family member of a current or former employee of the office of the attorney general or that reveals whether the person has family members; and (3) provide that a form notifying a governmental body of a public
SB372	Watch	Personnel	Relating to the persons authorized or appointed to exercise the power of sale under the terms of a contract lien on real property.	employee's or officer's choice to restrict public access to their personal information is confidential and not subject to disclosure under the PIA.
SB385	Oppose	Land Use	Relating to construction standards for certain recreational vehicle parks and campgrounds.	would expand the definitions of "trustee" and "substitute trustee" to include a city as an authorized entity under the terms of certain security instruments to exercise the power of sale. (Companion bill is H.B. 576)
SB393	Oppose	Land Use	Relating to the authority of a political subdivision to issue debt to purchase or lease tangible personal property.	would: (1) adopt certain construction safety standards applicable to certain privately owned and operated recreation vehicle parks or campgrounds on which sites for recreational vehicles, recreational park trailers, or other camping units are offered primarily for use by the public for overnight stays; and (2) prohibit a city from adopting a policy, rule, ordinance, or order that regulates environmental health and sanitation, electrical distribution system safety, liquefied petroleum gas storage and dispensing safety, or fire protection, if the policy, rule, ordinance, or order imposes more stringent standards than those adopted in (1), above.
				would prohibit a political subdivision, including a city, from issuing a public security to purchase or lease tangible personal property if the expected useful life of the property for the purpose of calculating depreciation deductions ends before the maturity date of the public security.

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB403	Watch	Other Finance and Administration	Relating to the dedication of certain state money for ad valorem tax relief.	would: (1) require the comptroller to deposit the amount of money received from the federal government during the preceding fiscal year as reimbursement for border security costs incurred by the state into an account in the general revenue fund; and (2) provide that money in the account described in (1), above, may only be appropriated by the legislature to provide ad valorem tax relief.
SB404	Watch	Other Finance and Administration	Relating to the investment of public funds by a local government in investment pools.	would: (1) provide that a city may invest funds in an investment pool only if the pool is managed by the comptroller or the Texas Treasury Safekeeping Trust Company (TTSTC); (2) require a city to divest all of its funds from any investment pool not managed by the comptroller or TTSTC according to a schedule provided in the bill; (3) provide that a city may delay the schedule for divestment only to the extent that the city determines that divestment will likely result in: (a) a loss in the hypothetical value of all funds managed by the city; or (b) an individual portfolio that uses a benchmark-aware strategy being subject to an aggregate expected deviation from its benchmark; and (4) require that a city that delays the schedule for divestment or otherwise ceases to divest must submit a report to the presiding officer of each house of the legislature, the attorney general, and the comptroller stating the reasons and justification, supported by clear and convincing evidence, for the city's delay.
SB411	Watch	Personnel	Relating to training requirements for certain public officials and candidates for public office.	would, among other things, provide that: (1) an elected local government official, including a member of city council, is not required to attend or complete any continuing education training required for the office; (2) the Texas Division of
SB415	Watch	Open Government	Relating to the authority of a governmental body to require certain persons to sign a confidentiality agreement in response to a request for public information for legislative purposes under the public information law.	would provide that: (1) a governmental body shall provide written notification to a member, committee, or agency of the legislature that requests public information if the governmental body requires such person to sign a confidentiality agreement regarding the requested information; (2) the governmental body must provide the notice to the requesting member, committee, or agency not later than the fifth business day following the date the governmental body receives the request for the information that is the subject of the notice; and (3) a governmental body may not require a person to sign a confidentiality agreement if: (a) the governmental body fails to provide the notice required by (1), above in the time and manner prescribed by (2), above; and (b) an agreement regarding the information is not signed by each party to the agreement before the 10th business day following the date the notice required by (1), above, is received by the requesting member, committee, or agency.
SB419	Watch	Property Tax	Relating to the determination of the market value of solar energy property for ad valorem tax purposes.	would require the chief appraiser to calculate the depreciated value of solar energy property by using a useful life of not less than 35 years when appraising the property using the cost method.
SB423	Support	Personnel	Relating to conducting certain contested case hearings under the Texas workers' compensation system by remote communication.	would, among other things, provide that, on mutual agreement of the parties, the Division of Workers' Compensation shall conduct a contested case hearing telephonically or by videoconference.
SB427	Watch	Other Finance and Administration	Relating to the eligibility of certain political subdivisions to receive a state loan or grant following the political subdivision's failure to comply with certain annual financial reporting requirements.	would, among other things, provide that: (1) a city that fails to file its required annual financial audit is not eligible to receive a state loan or grant under a state program for the city's fiscal year in which the city was required to file the report; and
SB460	Watch	Public Safety and Emergency Man	Relating to the jurisdiction and enforcement of certain international organization policies.	would prohibit: (1) the state or a political subdivision of the state from enforcing or implementing a policy or rule of the United Nations; and (2) the state, state agency, political subdivision of the state, public school district, private school, open-enrollment charter school, or an institution of higher education, from enforcing or implementing a World Health Organization public health policy or guideline, unless expressly authorized by state law or executive order.

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB461	Watch	Personnel	Relating to disclosure of certain relationships with local government officers and vendors.	would, for the purposes of disclosure of a relationship between a local government officer and vendor: (1) broaden the term "agent" to also include a subcontractor; (2) eliminate the following exceptions from the term "business relationship": (a) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity; (b) a transaction conducted at a price and subject to terms available to the public; or (c) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency; (3) expand the term "family member" to include a person related to another person within the third degree of consanguinity or the second degree by affinity; and (4) include dividends, capital gains, or interest generated from a trust in the definition of "investment income."
SB464	Support	Land Use	Relating to county and municipal authority to prohibit the operation of e-cigarette retailers near primary or secondary schools.	would, among other things, provide that: (1) a city council may adopt an ordinance applicable within the city prohibiting an e-cigarette retailer from operating within 300 feet of a public or private primary or secondary school campus; and (2) a municipal ordinance adopted under the bill does not apply to an e-cigarette retailer whose gross receipts from the sale of e-cigarettes are less than 50 percent of the retailer's total gross receipts at the retailer's premises within an area described by (1), above.
SB467	Watch	Property Tax	Relating to the reappraisal for ad valorem taxation purposes of real property on which a building completely destroyed by a casualty is located.	would: (1) require the chief appraiser to, at the request of the owner, reappraise a residence homestead that is completely destroyed by a casualty; and (2) require taxing units to recalculate the amount of taxes due to account for the changed value and, if the tax on the property has been paid, refund the amount by which the payment exceeded the tax due as recalculated.
SB470	Oppose	Utilities and Environment	Relating to the issuance of certificates of obligation by local governments.	would, among other things: prohibit an issuer of a certificate of obligation (CO), including a city, from issuing a CO for the following types of public improvements: (a) a public safety facility, including a police station, fire station, emergency shelter, jail, or juvenile detention facility; (b) a judicial facility; (c) an administrative office building housing the governmental functions of the city or county; (d) an animal shelter; (e) a library; (f) the rehabilitation, expansion, reconstruction, or maintenance of an existing stadium, arena, civic center, convention center, or coliseum that is owned and operated by the city or county or by an entity created to act on behalf of the city or county; (g) constructing or equipping a jail; and (h) constructing a bridge that is part of or connected to a county road or an approach to such a bridge;  authorize the issuance of a CO for: (a) a telecommunications, wireless communications, or information technology system and any computer application hardware or software; and (b) a cybersecurity system;  allow the governing body of an issuer to authorize a CO only as necessary to pay a contractual obligation, or professional services associated with an obligation, to be incurred for the construction, creation, renovation, repair, or improvement of a public work that is necessary to: (a) comply with a state or federal law or rule, but only if the issuer has been officially notified of noncompliance with the law or rule; (b) to mitigate the impact of the following, as determined by the governing body: (i) a public health emergency in the jurisdiction of the issuer that poses an imminent danger to the physical health or safety of the residents of the issuer, so long as the governing body adopts a resolution describing the conditions and circumstances of the public health emergency; or (ii) a natural disaster in the jurisdiction of the issuer subject to a state of disaster declared or renewed by the governor or the presiding officer of the governing body of an issuer; or (c) to respond to a court decision that requires the issuer to construct, create, renovate, repair, or improve a public work;  provide that, if necessary because of a change order for a contractual obligation incurred for the construction, renovation, repair, or improvement of a public work, the governing body of an issuer may authorize the issuance of COs in an amount not to exceed 15 percent of the contractual obligation;

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB480	Support	Utilities and Environment	Relating to the authority of a local government to enter into an interlocal contract with certain governmental entities to participate in water research or planning activities.	would provide that a local government may contract with another local government, the state, or the federal government to jointly participate in research or planning activities related to water resources.
SB488	Watch	Property Tax	Relating to the authority of a taxing unit other than a school district to establish a limitation on the amount of ad valorem taxes that the taxing unit may impose on the residence homesteads of individuals who are disabled or elderly and their surviving spouses.	would expand the law authorizing cities to adopt a property tax freeze on the residence homestead of individuals who are elderly or disabled and their surviving spouses to all taxing units other than school districts. (See S.J.R. 26, below.) (Companion bill is would: (1) create the Task Force on Concrete Plants; (2) require the task force to consult with experts on and study the effects of air and noise pollution caused by concrete batch and crushing plants in Texas; (3) require the task force to: (a) develop recommendations for legislation to: (i) reduce air and noise pollution caused by concrete batch and crushing plants; (ii) improve the processes for issuing permits for and inspecting concrete batch and crushing plants; and (iii) improve enforcement of statutes and rules that apply to concrete batch and crushing plants; and (b) identify best practices to reduce air and noise pollution caused by concrete batch and crushing plants; and (4) require the task force to submit a report of its findings to the governor, the lieutenant governor, and the speaker of the house of representatives not later than December 1, 2026.
SB492	Watch	Land Use	Relating to the establishment of the Task Force on Concrete Plants.	
SB501	Watch	Utilities and Environment	Relating to underground facility safety.	
SB504	Watch	Open Government	Relating to the disclosure of certain financial information by certain nonprofit organizations that enter into sizeable contracts with political subdivisions.	
SB505	Watch	Elections	Relating to processes to address election irregularities; providing a civil penalty.	
SB506	Watch	Elections	Relating to requirements for certain petitions requesting an election and ballot propositions and to related procedures and provisions.	
SB507	Watch	Elections	Relating to election supplies and the conduct of elections; creating criminal offenses; increasing criminal penalties.	
SB508	Watch	Elections	Relating to preparing and delivering precinct election returns; increasing a criminal penalty.	
SB510	Watch	Elections	Relating to the failure of a voter registrar to comply with voter registration laws.	
SB511	Watch	Elections	Relating to prohibiting an officer or employee of this state or of a political subdivision of this state from distributing certain voter registration application forms.	

Bill Number	CODS Position	Category	Bill Description	TML Summary
SJR15	Watch	Property Tax	Proposing a constitutional amendment authorizing the legislature to provide that the appraised value of a residence homestead for ad valorem tax purposes for the first tax year that the owner of the property qualifies the property for a residence homestead exemption is the market value of the property and that, if the owner purchased the property, the purchase price of the property is considered to be the market value of the property for that tax year and to limit increases in the appraised value of the homestead for subsequent tax years based on the market value of all new improvements to the property.	
SJR16	Watch	Community and Economic Development	Proposing a constitutional amendment to foster economic development and job growth, provide tax relief and funding for education and public safety programs, and reform and support the horse racing industry by authorizing casino gaming at destination resorts, authorizing sports wagering, and creating the Texas Gaming Commission to regulate casino gaming and sports wagering; requiring a license to conduct casino gaming; requiring the imposition of a casino gaming tax, sports wagering tax, and license application fees.	
SJR21	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to set a lower limit on the maximum appraised value of a residence homestead for ad valorem taxation.	
SJR22	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to set a lower limit on the maximum appraised value of a residence homestead for ad valorem taxation.	
SJR23	Oppose	Property Tax	Proposing a constitutional amendment to authorize the legislature to set a lower limit on the maximum appraised value of real property other than a residence homestead for ad valorem tax purposes and to postpone the expiration of the limit.	
SJR24	Watch	Other Finance and Administration	Proposing a constitutional amendment establishing the right to be free from governmental intrusion or interference into an individual's private life.	
SJR25	Oppose	Property Tax	Proposing a constitutional amendment exempting tangible personal property from ad valorem taxation.	
HB1622	Oppose	Property Tax		would make permanent the temporary 20 percent appraisal cap on real property other than a residence homestead. (See H.J.R. 104, below.)
HJR104	Oppose	Property Tax		would amend the Texas Constitution to authorize the legislature to make permanent the temporary 20 percent appraisal cap on real property other than a residence homestead. (See H.B. 1622, above.)

Bill Number	CODS Position	Category	Bill Description	TML Summary
SB621	Watch	Other Finance and Administration		would provide that a political subdivision may not establish, operate, or own an organization or entity that is organized for the purpose of engaging in banking.
HB1524	Watch	Land Use		would, for purposes of the Texas Fair Housing Act, provide that a: (1) "dwelling" is any structure that is occupied, designed, or intended for use as a residence and which has received a certificate of occupancy; and (2) "bona fide offer" for purchase of a dwelling is an offer made in good faith without deceitful motives that is legally binding on the parties.
