- Sunday, December 14th, the DSHS Varsity Football Banquet was in the Main Event Room!
- Saturday, December 20th, was our Western Wonderland Character Pancake Breakfast! Staff is all hands on deck during this event between making pancakes, serving guests, cooking sausage, or welcoming them at the entrance. This event continues to grow and has become a community favorite on our Western Wonderland calendar!
- Despite some Zamboni struggles, Western Wonderland has been a great success! Staff took on the responsibility of managing the ice and have added new skills to their toolbox. The community loves

having an ice rink in Dripping Springs and we have seen the attendance numbers rise each year. It was a month full of successful skating lessons, micro events, and other fun opportunities!

- Although DSRP closed their doors to horses on November 20th due to an EHV outbreak in Central Texas, we utilized the month of December to do some much-needed dirt maintenance. The Main Arena and warm up were leveled and granite sand was added in!
