The subject property is located on the east side of RR 12, just north of Dripping Springs Elementary School. RR 12 is a two lane undivided asphalt road that runs along the west property line of the subject tract. It provides approximately 3,800 feet of roadway frontage. Two collector roads are being proposed to provide access to the site. The internal roadways will be dedicated to the public under Hays County's review for acceptance.

## WATER AND WASTEWATER

Water & Wastewater service will be provided by Municipal Utility District Number 7. There are agreements currently under review with the City of Dripping Springs for these services. Refer to Exhibit 9 for the on-site and offsite water and wastewater plans. Wastewater service will be conveyed by a gravity and force main system to the south through the adjacent property known as Big Sky (Owned by Meritage Homes of Texas, LLC) and thereafter through a tract owned by the Cannon Family, LTD where it will connect to a proposed gravity system (By Others). This system will convey the wastewater south to a City of Dripping Springs interceptor at US Hwy 290. The water distribution system is conveyed via a proposed off-site water line from an existing water tower located on the Cannon Tract and connecting to Double L Ranch through the Big Sky property.
