DRIPPING SPRINGS
Texas

The **BE A STAR AWARD** recognizes landowners who contribute to conservation efforts by protecting the night sky. Their properties were nominated by the City because they comply with the award criteria and are great examples of compliance with the City of Dripping Springs Lighting Ordinance.

The **BE A STAR** Program rewards landowners who contribute to conservation efforts by protecting the night sky. The program encourages landowners to evaluate their outdoor lighting and use lighting that eliminates glare, light trespass, and other forms of light pollution while at the same time helping them see better on their property.

The nine Dripping Springs businesses/organizations are each receiving a 12" x 9" sign to display on their property that shows their lighting considers nature, their neighbors, and their shared view of the night sky.
