Hi Laura, I was the woman in the city offices this morning reviewing the maps of Anarene /Double L Ranch. Thank you for answering my many questions. Everyone at the City has been so helpful and kind (Hi Andrea!).

I've attached a few files that show the list of residents who have signed our petition against the high-density housing being located at the border of Founders Ridge and Legacy Trails, as well as their public comments and a description of what we are requesting. Some of the residents on the signature file are shown to have locations outside of Dripping Springs and Austin. I discovered that if they signed through a link on their phone or if their computer is registered in another town, the petition website automatically loaded those locations.

These signatures represent people in our local community who are against the proposed location of the patio/garden homes, as well as the highway just on the other side of them. Please let me know if I can provide further information.

I'd really appreciate it if these comments and the petition were shared with the Double L Developers as well as the City Council in preparation for the next meeting.

Thank you! See you on Tuesday.

Relocation of proposed Double L Ranch high-density housing

[Heather Daoust](#) started this petition to Dripping Springs City Council

The developer of Double L Ranch is proposing to build garden homes (high density housing) on 35' lots very close to the Founders Ridge and Legacy Trails communities. As residents in these areas, we object to this plan and propose that these garden homes and any other high-density housing be placed well within the Double L Ranch subdivision, surrounded by that specific community of homes. These types of properties should exist within the development proposing to build them, rather than financially harming existing Dripping Springs residents. With the current plan as presented, the value of existing properties in Founders Ridge and Legacy Trails will be negatively affected. Additionally, the area right behind Legacy Trails is a flood zone, so the builder will have to build these garden homes up on elevated foundations, which will diminish the hill country views that current residents paid premiums for.

Also, as it is now, we hear very little traffic noise from RR 12. With the addition of a 4-lane highway essentially right next to our homes, we have concern that the traffic noise is going to be considerably worse and will greatly reduce our quality of life, while also presenting potential dangers to our small children, teenage drivers, and pets.

As a community, we stand against this proposal, and we will not allow a developer to cause the current residents in our neighborhoods to suffer. We sign this petition so that you know that our voices wish to be heard by the Dripping Springs City Council and the developers encroaching upon our community and our current quality of life here.

"We have a house that looks out to this land."

Tammi Markiewicz

"I am greatly disappointed with the proposed high density houses being built behind my home. While I understand the need for this type of home in the community, why on earth would you put that directly behind homes like FR and LT?! Poor planning in my opinion. If you lived here you would be upset too."

Kara Erdelac

"This directly affects the neighborhood I moved into, where we bought a home because we loved the space between homes. This will be an eyesore and just add to the already congested traffic in the area."

Holly Demro

"This new community will greatly affect me and the others on the north side of Founders Ridge. We paid a higher premium for our lot with a green belt view and would like it to stay that way. I don't want to be looking at 40 backyards."

Lilly Anna

"We live in legacy trails and have the beautiful view, that will back up right to these awful tiny houses!!! We won't have a pretty view for long if this happens"

Nichole Bonnett

"This is an awful use of our land!!"

Virginia Rice

"Dripping Springs has been completely over run. Stop building, not enough water here for more homes."

Julie LaChance

"Destroying the reason most people make Dripping Springs their home. Stop trying overpopulate this beautiful small town."

Julia Van Buskirk

"Overdevelopment of the land taxes the limited resources out here. It's created water challenges, energy challenges, school challenges, traffic challenges, etc."

Scott Crim

"If the city of Dripping Springs allows this to go through

We will only end up with Belterra:

Two Rooftops as far as the eye can see

That doesn't sound like a hill country view to me

Near wandering deer and grazing cows

I planted my roots and built my house

I document the storms as they roll in from the west

The golden hour sunsets are simply the best

If houses are built close together how is there space?

You don't have to build that many homes; this isn't a race

Remember that rain a few lines before?

It will ruin the garden homes because run-off is poor

"I'll build them higher!" The developer shouts with their hands

Not caring about the affect on the lands

A lonely flashing stop light blinks near the school

No longer at night due to construction and noisy tools

We do need more homes. We get it; we really do.

We don't need views of backyards and rooftops from Belterra:

Two Open spaces? Friendly faces?

You will have to change your tagline due to so many places

If you truly want the views you would encourage them to stay

Not disheartening your residents by taking them away

Please do the right thing; I pray that you do

Please don't overbuild Belterra: Two"

James Brown

"There are solutions to this problem that do not harm existing residents."

Ashlee Jones

"I live near this development and would be negatively impacted by reduced quality of life and property values, and increased traffic, noise and safety concerns."

Sarah Bale

"The city needs to hold all future developers accountable for infrastructure, or limit development."

Lauren Crim

"When we moved to Dripping Springs, we chose a community that backs up to the countryside, and it has immensely improved our quality of life and our children's lives. We knew there would be future development - and we're ok with that - but we were promised a 300 ft buffer and paid a lot premium for that view and buffer. You can build patio homes within the community without diminishing the quality of the surrounding neighborhoods and plummeting property values."

Dean Hunt

"I disagree with this."

carrie napiorkowski

"This is a traffic & safety & security nightmare!"

Henry Brooks

"I have been a neighbor of the "LL Ranch" all my life and I think their massive high intensity development plan represents petty greed and total disregard for the long term quality of life in Dripping Springs and the Hill Country in general. None of the Hills involved even live around here as far as I know and they feel free to almost single handedly urbanize our community with no remorse."

Tanya Waller

"The beautiful landscape of Dripping The beauty of Dripping Springs is being ruined by all these cookie-cutter subdivisions, and the proposed type of building would be even more unsightly and hurt existing home values, not to mention add to our over-traveled roads and over stressed water supply and drainage issues."

Alicia Maske

"To protect our natural resources, existing homes and people's lives. New housing is needed with job growths, BUT with a well-planned limit.

1. We don't want droughts from overcrowding the area and overdrawing on the water table.
2. Ruining the buffer zones will cause improper drainage and lead to flooding elsewhere. These new houses will be in severe danger of flooding anyway.
3. It will cause previous proper drainage courses to be rerouted placing other homes/people that were not in harm's way to now be in severe danger.
4. Folks who already bought their homes based on set plans for the area will be robbed of their view/trees natural landscape etc. which is what they paid for.
5. Birds and other wildlife need these buffer zones as natural habitats to survive."
