SECTION 1: INTRODUCTION

1.01 Policies Established

These policies and all amendments hereto shall be the official personnel policies of the City. The City retains the right to unilaterally change policies in this Manual and will advise employees of those changes. All prior policies are hereby repealed.

1.02 Purpose

This Manual is adopted by the City Council as a guidance document, not a contract. Through this Manual, the City Council strives to bring uniformity, consistency, and fairness to its employment practices.

1.03 Applicability

These policies apply to all City employees, except where inconsistent with state law, federal law, City ordinance, or the particular agreement hiring a specific employee. In the event of such inconsistency, the state or federal law, ordinance, or agreement shall prevail.

1.04 Objectives

The City seeks to achieve these objectives through the systematic, uniform application of modern personnel practices. The City's personnel policies strive to:

- (a) promote and increase productivity, efficiency, and responsiveness to the public, and economy in the City service;
- (b) provide fair and equal opportunity for qualified persons to enter and progress in the City's service in a manner based on merit and fitness;
- (c) maintain recruitment, advancement, and other practices to enhance the attractiveness of a City career;
- (d) develop and maintain consistent, up-to-date position classifications and compensation plans;
- (e) develop high morale among City employees by fostering good working relationships, and by providing uniform personnel policies, opportunity for advancement, and consideration of employee needs and desires;
- (f) retain employees on the basis of the adequacy of their performance, correct inadequate performance, and separate employees whose inadequate performance cannot be corrected; and

- (g) assure that employees are protected against coercion for partisan political purposes and are prohibited from using their positions with the City for the purpose of interfering with or affecting the results of any kind of official election.

1.05 At-Will

- (a) All employees of the City serve at-will except those who are a party to a City Council approved employment agreement. Any City Council approved employment agreement preempts any provision of these policies where there is any conflict.
- (b) These policies and the benefits described herein do not constitute a contract of employment or a contract between the City and any employee to provide any benefit. Nothing contained herein shall create an entitlement to, or property interest in, continued employment with the City.
- (c) The City may alter, modify, amend, or terminate any of the policies or benefits set forth herein at any time, with or without notice. Notwithstanding any statement contained in these policies, or in any other document or statement issued by the City or any of its representatives to the contrary, the City shall have the right to terminate any employee from employment with the City, at any time, with or without cause, subject to state and federal law.

1.06 Dissemination

The City shall make every effort to thoroughly acquaint employees with the materials in these personnel policies and any subsequent revision. Copies of these policies and all amendments shall be furnished to each employee. Notwithstanding the foregoing, it is each employee's responsibility to become familiar with the contents of these policies, and to ask questions when necessary, for a full understanding.

1.07 City Administrator

The term "City Administrator" as used in this Manual includes the City Administrator, a Deputy City Administrator, and others specifically designated by the City Administrator to act as agents.

1.08 Chain of Command

Each employee has a supervisor who should be consulted should any work issue arise. If the supervisor is unavailable, or a response is determined by the employee to be inadequate, the employee may discuss the issue with the Department Director, ~~the People & Communications Director (PCD)~~, Human Resources Director, a Deputy City Administrator, or City Administrator, unless a different procedure is described herein. The supervisory chain of command for each employee shall be listed in the employee's job description. Engaging in activity outside the chain of command as relates to employment matters is detrimental to the employment relationship and harms the ability of the City to react effectively and consistently when presented with employee issues. Each month the City Administrator

shall prepare a report for the mayor that lists the hiring, termination, staffing levels, and significant employee actions.

SECTION 2: CLASSIFICATIONS

2.01 Classifications Listed

There are 5 classifications of employees with the City:

- (1) Full-Time—Exempt;
- (2) Full Time—Non-exempt;
- (3) Part-Time—Regular;
- (4) Temporary;
- (5) Seasonal; and
- (6) Event/Intermittent.

While not considered an “employee” under this Manual, a sixth classification is Contract Services. Volunteers who are not employed by the City in any capacity are not generally governed by this Personnel Manual but will be reviewed in the same manner as an employee as it relates to conduct and ethics as applicable. Employees who volunteer for the City in a capacity other than their normal job functions will be governed by this Manual.

2.02 Full-Time—Exempt

Employees who work a regular schedule of more than 30 hours a week and meet the federal law requirements of an employee exempt from overtime shall be considered full-time—exempt if approved by the City through a job description. The employee’s average of hours worked per week is not considered when determining whether an employee is full-time—exempt.

Pursuant to the Fair Labor Standards Act, as may be amended (FLSA) and applicable state laws, exempt employees are those who qualify as such under the statute because they fall into one of the exempt categories. Exempt employees are not entitled to overtime compensation pay (but are entitled to compensatory time, as explained elsewhere).

Employees are only considered exempt if: (1) they meet the federal requirement; and (2) the approved job description designates the employee as exempt.

2.03 Full-Time—Non-exempt

Employees who work a regular schedule of more than 30 hours a week and who are not exempt employees based on their job duties or compensation shall be considered full-time—non-exempt. The employee’s average of hours worked per week is not considered when determining whether an employee is full-time—nonexempt. Non-exempt employees are eligible for overtime pay if the employee works more than forty (40) hours in a 7-day work period. The 7-day work period runs from Monday to Sunday.

2.04 Part-Time—Regular

Employees who work a regular schedule of less than 30 hours a week shall be considered part-time.

2.05 Regular

Any employee who works for an indefinite period of time (not temporary, seasonal, or event/intermittent) shall be considered regular employees.

2.06 Temporary

Employees who work for a short period of time shall be considered temporary employees.

2.07 Seasonal

Employees who work solely for a specific time of year shall be considered seasonal employees. Seasonal employees may not be employed more than three months in any one year and should start and end employment around the same time every year except when also employed as an event/intermittent employee.

2.08 Event/Intermittent

Employees who work at special events or intermittently at any time of the year on an occasional basis. Seasonal and temporary employees may work as event/intermittent employees.

2.09 Contract Services

At the discretion of the City Council, officer or employee positions may be staffed by professional services providers on a contract basis.

SECTION 3: HIRING

3.01 Hiring Authority

The City Council is the hiring authority for all City officers as described in Local Government Code Chapter 22 or as otherwise designated by the City Council. These officers include City Administrator, Deputy City Administrators, City Secretary, City Attorney, People & Communications Director, Human Resources Director, Parks and Community Services Director, City Treasurer/Finance Director, Maintenance Director,

Utilities Director, Building Official, Planning Director, ~~Emergency Management Coordinator~~Director of Emergency Preparedness and Homeland Security, and others designated by City Council.

The City Administrator has the authority to hire any position if such hiring is not required to be authorized by the City Council pursuant to this provision or other resolution or ordinance. The City Administrator may delegate hiring positions to a department head. For exempt employees of Dripping Springs Ranch Park, the Chair of the Dripping Springs Ranch Park Board of Directors may be involved in the hiring process as described by city ordinance and park rules and policies. The City Administrator has the authority to hire any Dripping Springs Ranch Park position, other than those listed above as hired by the City Council but may consider the input of the Chair of the Dripping Springs Ranch Park Board, if any, in making the hiring determination.

3.02 Interim Appointment

When an emergency exists that requires the services of personnel who are not otherwise available, such employees may be immediately hired by the Mayor or City Administrator for a period not to exceed 90 days without regard to normal recruitment and selection requirements. If the hiring of the interim employee is not confirmed by the primary hiring authority for that position or the City Council within the 90-day period, the employee is considered to be automatically discharged as of the 91st day. Any interim appointment of a position for which the City Council is the primary hiring authority shall be brought to the City Council at the next regular City Council Meeting.

3.03 Background Checks

- (a) Background Processing. Some or all of the following background checks may be conducted for applicants for employment and certain volunteers:
 - (1) Social Security Verification. Validates the applicant's Social Security number, date of birth, and former addresses.
 - (2) Prior Employment Verification. Confirms the applicant's employment with the listed employers, including dates of employment, the position held, and additional information available about performance rating, the reason for departure, and eligibility for rehire.
 - (3) Personal and Professional References. Correspondence or in-person contact will be made to individuals listed as references by the applicant.
 - (4) Educational Verification. Confirms the applicant's educational institution, including the years attended and the degree/diploma received.
 - (5) Criminal History. Includes a review of criminal convictions and probation. The existence of criminal convictions is not an automatic prohibition on City employment. The following factors will be considered for applicants with a criminal history:
 - (A) The nature of the crime and its relationship to the position.
 - (B) The time since the conviction.
 - (C) The number (if more than one) of convictions.
 - (D) Whether hiring, transferring, or promoting the applicant would pose an unreasonable risk to the city, its employees, or its citizens and vendors.

(6) Motor Vehicle Records: provides a report on an individual's driving history in the state requested. This search will be conducted when driving is an essential requirement of the position.

(b) The Human Resources Director will notify the department head/supervisor regarding the findings of the background check. The department head will assess the potential risks and liabilities related to the job's requirements and determine whether the individual should be hired. If a decision not to hire an individual is made based on the results of a background check, the Human Resources Director will make notification to the applicant.

3.04 Notice

(a) The Human Resources Director or the Director's Designee shall provide, by appropriate means, public notification of vacancies to be filled within the City service and shall maintain a list of current announced vacancies for public inspection. Notice is not required for those vacancies to be filled internally via promotion, transfer, temporary promotion, or reinstatement.

(b) Each job announcement, insofar as practicable, shall specify the title, nature of the job, required minimum qualifications, proposed rate of pay, and the deadline for and method of application.

(c) All job openings shall be posted on the City Website and any other location as deemed appropriate and best designed to hire the most qualified candidate. The City Administrator and the Human Resources Director may post any existing position regardless of hiring authority as soon as a vacancy exists. The City Administrator and the Human Resources Director may post for a new position as soon as the job description and creation of the position is approved by City Council.

3.05 Evaluation

The City Administrator and Human Resources Director shall determine the most appropriate means of evaluating applications against job requirements to identify the best qualified applicants. Interviews, background checks (criminal and credit), written tests, and/or other screening procedures may be used as appropriate. Applicants shall be required to provide any job-related information necessary to demonstrate compliance with prescribed minimum qualification requirements for the positions involved.

3.06 Residence

There shall be no residence requirement for City employment, except as may be provided by law. Employees likely to be called to work in cases of emergency may be required to reside within reasonable commuting ranges of their places of work as may be specified in their job description.

3.07 Orientation and Introductory Period

The Human Resources Director shall provide orientation to all city employees, in coordination with the Finance Department, IT Department, and the employee's supervisor, including required benefit and financial paperwork, review of job description and duties, required training, core values, department specific policies, disclosure of personal information, and personnel manual.

All employees shall serve in an introductory capacity for the first 90 days of employment, promotion, or reassignment. During this introductory period, new employees shall be subject to close evaluation. New employees shall not be entitled to standard employee benefits, including paid leave, except to the extent specifically authorized by this Manual. However, (1) health benefits begin the first day of the month following the start date or as designated by the health coverage provider; and (2) TMRS benefits begin immediately upon full-time eligible employment with the City. Completion of the introductory period does not alter the at-will relationship, create a property interest in employment for any duration, or obligate the City to retain the employee for any certain duration. If this policy conflicts with a separate employment agreement with an employee or an employment benefits provider, the employment agreement prevails over the personnel policy.

3.08 Youth Employment

It is the policy of the City of Dripping Springs that no individual under the age of fifteen (15) shall be hired. Applicants between the ages of fifteen (15) and eighteen (18) shall be required to show proof of age to the satisfaction of the City Administrator or the Administrator's designee. Employees under the age of eighteen (18) shall not have duties or perform work that is prohibited by state or federal law.

3.09 Job Descriptions

The City Council shall be the approving authority for all new positions. All positions shall have a job description which includes exempt or non-exempt status of employee. The City Council shall be the approving authority for all job descriptions for new positions and for all positions hired by the City Council. The City Administrator may make minor amendments to any job description in consultation with the Human Resources Director, the City Attorney, and the Mayor.

3.10 Nepotism

- (a) No person who is related within the second degree of affinity or within the third degree by consanguinity to any elected officer of the city is eligible for any office, position, clerkship or other service of the city. This prohibition does not affect an officer or employee within the named degree, who has already served at least two years of employment with the city at the time when the elected officer takes office.
- (b) No employee may work in a position which is in the line of supervision of a person who is related within the second degree of affinity or third degree of consanguinity or anyone living in the same household as the employee.

- (c) In the case of a marriage of two (2) existing employees, or other situation giving rise to a relationship prohibited by this policy, the individuals concerned will decide who will terminate or modify employment. If no decision can be made within 30 calendar days, the City Administrator, or their designee, will decide. At any time, either employee is free to apply for a different position with the city for which they are qualified, and that would eliminate a violation of this policy.
- (d) **Affinity (Marriage Relationships): First Degree/Second Degree** Spouse Spouse's Grandparents Father-in-law Spouse's Grandchildren Mother-in-law Brother-in-law Son-in-law Sister-in-Law Daughter-in-law
- (e) **Consanguinity (Blood Relationships): First Degree/Second Degree/Third Degree** Mother Grandmother Great-Grandmother Father Grandfather Great-Grandfather Daughter Granddaughter Great-Granddaughter Son Grandson Great-Grandson Brother Uncle Sister Aunt Niece Nephew Half-blood relationships fall within the same degree as those of full blood. Step relationships by affinity (marriage) fall within the same degree as those by consanguinity (blood). For example, a stepson would be considered the same as a son. An adopted child is considered the child of the adoptive parents.

SECTION 4: COMPENSATION

4.01 Appropriations

Wages, salaries, and working schedules for all employees shall be in accordance with the provisions of the City budget currently in effect, including amendments, and within the limitations of the financial provisions of each department, as approved by the City Council for each fiscal year.

4.02 Timesheets and Time Clock

- (a) **Timesheets:** Each exempt employee as defined in Section 2.02 of this Manual is required to turn in the employee's timesheet by the final day of each pay period (see 4.03(a)) to the Department Head. Each Department Head must approve and submit the approved timesheets to the City Treasurer by 9:00 a.m. the next business day following the final day of each pay period. Absences for the pay period must be submitted with each time sheet.
- (b) **Time Clock:** Each non-exempt employee as defined in Section 2.03 of this Manual is required to use the Time Clock to clock in and out each day with the employee's timecard if the employee works at the site where a time clock is located and accessible. Each employee is required to sign the employee's timecard agreeing that the time card accurately and completely reflects all time worked during the period in question and that no hours were worked that do not appear on the card. It is a violation of city policy to:

- (1) allow another to clock in or out for the employee;
- (2) fail to clock in when the employee arrives;

- (3) fail to clock out when the employee takes a lunch break or leaves work;
- (4) fail to submit all hours worked; or
- (5) fail to follow time clock policies or procedures issued by the City Administrator.

Any failure of this policy may result in disciplinary action.

A non-exempt employee may use a time sheet if approved by the employee's supervisor and/or whose primary work location is at a location that does not have a time clock shall use a time sheet.

Any discrepancy between the timecard and the employee's work hours requires notification to the employee's supervisor within seventy-two (72) hours whether the discrepancy is based on employee error or time clock malfunction. Only an employee's supervisor, the City Administrator, or a Deputy City Administrator may make manual changes to an employee's timecard or time sheet. Time recorded will be the work-time paid or employees will be paid from time sheets verified by actual recorded times. Any adjustments to the recorded time on a timecard or time sheet must be approved by the employee's supervisor. Supervisors will be accountable to the City Administrator for any manual changes submitted.

4.03 Payment Procedures

- (a) Employees will be paid every other Friday. Approved timesheets must be turned in by 9 a.m. on the first business day following the end of each pay period. If a payday is scheduled for a City holiday, the payday will be processed the day before the City holiday or holidays.
- (b) Paychecks shall not be given to third parties without the express written authorization of the affected employee or as required by state law.
- (c) If an employee receives a paper paycheck and is absent on a scheduled payday, the employee's paycheck shall be held until the employee returns, unless a written request for other arrangements has been delivered to the City Administrator prior to such payday.
- (d) Direct deposit for employee paychecks is encouraged. To enroll in direct deposit, an employee shall complete the form provided by the Accounting Department and the form must be signed in ink and the original must be submitted to Accounting.

4.04 Overtime

- (a) Overtime commences for each hour a non-exempt employee works beyond the standard 40-hour week in the seven-day work period. Overtime shall not be calculated to include vacation, sick leave, or any other paid leave taken during the same seven-day work period as "hours worked." Hours worked for purposes of overtime are any hours

worked in the seven-day work period and include holiday hours. Special pay for work during non-business hours, nights, or weekends will not be given unless otherwise specified in this manual.

- (b) All nonexempt employees are eligible for overtime compensation in accordance with the FLSA.
- (c) Overtime compensation shall be calculated in accordance with Section 5.03(f).
- (d) Each non-exempt employee shall be responsible for notifying the employee's supervisor if an assignment cannot be completed within the employee's regular 40-hour workweek. No employee shall work overtime unless the employee's supervisor has determined that such overtime is required. Any employee who works unapproved overtime shall be paid, but may be subject to discipline.
- (e) All exempt employees are entitled to compensatory time. Compensatory time shall accrue in accordance with §5.03(f) (below).
- (f) An employee who requests the use of accrued compensatory time shall be permitted to take such leave within a reasonable period after making the request unless the employee's absence would unduly disrupt the operations of the City.

4.05 Raises, Merit Increases, and Cost of Living Adjustments

City Council has the sole authority to pass ordinances affecting pay scales. Raises, merit increases, and cost of living adjustments shall be considered at the time of annual employee evaluations or when brought to the City Council by the City Administrator. An employee who desires to request a raise or merit increase at a time other than at the time of annual employee evaluation, may make the request in writing to the employee's supervisor and the City Administrator. The City Administrator, in consultation with the employee's supervisor, shall decide whether to bring a recommendation for a pay raise or merit increase to the City Council.

4.06 Promotions

When possible, job openings within the City are filled by promoting qualified employees. A promotion is based on several criteria which includes, but is not limited to, performance in the employee's current job, attitude, attendance, punctuality, experience and interest in the City and qualifications for the open position. An employee applicant will be considered in a fair and appropriate manner as would any applicant. After considering qualifications, experience, etc., an opening will be filled by the person best qualified for the position. All promotions are made without regard to race, color, religion, sex, age, national origin, disability, or marital status. No supervisor may alter the terms of employment from "at-will" to a contracted relationship due to a promotion of an employee to a different position without approval from City Council.

Full-time, exempt employees required by their supervisors to work on a holiday shall be given the same amount of substitute time off as is worked, up to 8 hours substitute time off with pay on another date. Regular, part-time employees are eligible for holiday pay on a pro-rated basis. Holiday hours are considered hours worked for the purpose of compensatory time off for exempt employees and for overtime for non-exempt employees. An employee on unpaid leave on a designated holiday, or in a non-pay status on a scheduled workday immediately preceding or immediately following a designated holiday, shall not receive pay for the holiday. An employee on preapproved vacation leave on a designated holiday, or any type of paid leave, shall not have the holiday deducted from his or her leave time.

(b) **Religious Observance:** Employees desiring to observe religious holidays not coinciding with an officially designated City holiday may be given time off without pay, or may be authorized to use accrued vacation leave, a floating holiday, or compensatory time.

(c) **Vacation:** Upon hire, full-time, regular employees shall be given 40 hours of

vacation and will additionally commence to accrue paid vacation as follows: 7 hours each month if employed less than 1 year; 10 hours per month if employed 1 to, but less than 10 years. A full-time regular employee who has been employed more than 10 years shall receive 14 hours per month of vacation leave. Each regular employee will be eligible to use vacation hours after successfully completing a 90-day introductory period.

Vacation leave shall accrue on a prorated basis each year of employment. All requests for vacation leave are subject to the City's staffing needs and must be approved in advance by the supervisor or Department Head. On January 1st of each year accrued vacation time will be reviewed for each employee and any accrued vacation hours over 120 hours shall expire. Accrued vacation leave that has not expired will be paid out when an employee leaves service with the city up to 112 hours if an employee has been employed for at least six continuous months with the city. Supervisors shall keep the Department Heads and the Human Resources Director informed of their employees' planned vacation time off.

- (d) **Sick Leave:** Full-time, regular employees shall commence to accrue paid sick leave at the rate of 4 hours per month upon full-time employment with the city. Sick leave may be taken as accrued when an employee is ill, to attend doctor/dentist appointments, or to care for a member of the employee's household. Employees unable to work because of unexpected illnesses shall notify their immediate supervisor as soon as reasonably possible. The City may require a physician's verifying statement for any illness that exceeds 3 working days within a two-week pay period, or in the event of excessive absences or absences of extraordinary duration. Sick leave may be carried over to subsequent fiscal years. Accrued sick leave will not be paid out when an employee leaves service with the city. Any employee who exhausts sick leave due to illness may substitute vacation leave or other appropriate paid leave during the time of the illness. Leave that is eligible for Family Medical Leave Act is governed by Section 5.07 of this Manual.
- (e) **Injury Leave:** An employee injured on-the-job shall receive benefits as provided in the City's Workers' Compensation coverage. Nothing herein shall prevent an employee from using accumulated sick leave, vacation leave, or compensatory time off during an absence due to injury. An employee shall immediately report any injury incurred in the line of duty, however minor, to a supervisor, and take such first aid treatment as may be necessary. In the event of a job-related injury, a standard Workers' Compensation claim form must be completed and submitted to the City Administrator within forty-eight (48) hours of the accident causing the injury, or within forty-eight (48) hours from the time the employee is physically able to do so.
- (f) **Compensatory Time:** Salaried, exempt employees will receive compensatory time with pay at a rate of one hour comp time for every hour worked over 40 in a standard seven-day work period (**1:1**). Compensatory Time may be taken as accrued. Holiday hours are considered hours worked for purposes of compensatory time off.

Compensatory time may be carried over to subsequent fiscal years. Compensatory Time of more than 100 hours may not be carried over to the next fiscal year. The City may either: (1) recommend time off for the employee to use Compensatory Time off; or (2) shall exchange pay for Compensatory Time, at the City Administrator's discretion for payouts of 100 hours or less where the hours cannot be carried over and the employee does not take the hours as paid time off. The Mayor may approve an additional payout of 20 hours of compensatory time off. For payouts of over 120 hours not approved by the Mayor, the issue may only be approved by City Council. This section does not apply to compensatory time off earned in lieu of overtime for nonexempt employees.

(g) Civic Leave: Each January 1st each full-time, exempt and non-exempt, regular employees shall accrue 8 hours of paid leave toward satisfying civic activities, such as voting, and donating blood. New employees accrue the 8 hours of Civic Leave upon employment. Civic Leave may be taken as accrued. In addition, employees are provided paid civic leave for jury service. Employees granted civic leave for jury service shall retain all juror fees. Employees excused or released from jury service during working hours shall report to their work stations, unless otherwise instructed. Civic leave may not be carried over to subsequent fiscal years.

(h) Bereavement Leave: Bereavement leave shall be available to any full-time or part-time regular employee. Bereavement leave shall not exceed twenty-four work hours within sixty (60) days of the death of a family member or a member of the employee's household and shall be prorated for part-time regular employees. Bereavement Leave may be taken as accrued. Bereavement leave is available upon the death of an immediate family member or a member of the employee's household. Immediate family member includes children, spouse or partner, parent, grandparent, grandchild, or sibling, whether related by blood or marriage. A member of the employee's household includes any individual who resides with the employee. Bereavement leave is available for each death meeting the above criteria.

(i) Parental Leave: Each pregnant employee shall be treated the same as other similarly situated employees regarding requests for sick leave and for accommodations related to performing the essential functions of the job. Pregnant employees and employees with illnesses or disabilities arising from pregnancy or maternity shall be entitled to benefits on the same basis as employees with other types of illnesses or disabilities. The employee will be entitled to resume work following the end of the pregnancy when the employee is able to perform all job duties and has obtained a physician's release to return to duty. Parental Leave intended for the care of a child by a parent or guardian shall be handled as outlined in the Family and Medical Leave Act policy.

(j) Military Leave:

(1) The City complies with the Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA), as amended. USERRA is a federal statute that protects employees who engage in military duty in the uniformed services. The

exception to the “at-will” doctrine contained in USERRA applies only to this section of the Personnel Manual regarding military leave.

- (2) Military leave shall be approved leave for regular, full-time employees of the City who are members of the state military forces or members of the reserve components of the Armed Forces of the United States.
 - (3) The paid military leave period is measured as the fiscal year October 1 through September 30.
 - (4) Employees may elect to continue medical benefit coverage under COBRA for the duration of the military leave unless covered under the provisions of FMLA.
 - (5) All requests for leave should be accompanied by a copy of the order, directive, notice, or other documents requiring absence from scheduled work.
 - (6) An employee who is a member of the state military forces or a reserve component of the armed forces will be granted up to fifteen days of paid leave per fiscal year for days on which the employee is engaged in authorized training or duty ordered or authorized by the Texas military pursuant to Chapter 437 of the Government Code:
 - (1) All requests for leave must be accompanied by a copy of the order, directive, notice, or other document requiring absence from scheduled work.
 - (2) Leave pay will not be granted for hours before or after the regularly scheduled working hours or for overtime hours scheduled.
 - (3) No employee using Chapter 437 military leave will be discriminated against for use of this leave or lose any work benefit while using this leave.
- (k) Administrative Leave:** In circumstances not falling within other provisions of these policies, the City Administrator or Mayor may authorize an employee to take leave *without pay* under such terms and conditions as may be mutually agreeable. The City Administrator or Mayor may authorize an employee to take up to eighty (80) hours of leave with pay within a twelve-month period when it is in the best interest of the City and staff. Any request for administrative leave exceeding eighty (80) hours within a twelve-month period must be approved by the City Council.
- (l) Unauthorized Absence:** Employees who are absent from work without having provided notice, obtained a supervisor’s approval, provided a legitimate excuse, or who fail to return from scheduled time off without notice, may be deemed to have abandoned their position. Abandonment of an employment position may lead to disciplinary action or the determination that the employee has resigned.
- (m) Donation of Paid Time Off:** One or more employee may donate accrued paid time off, including sick leave, vacation leave, or compensatory time off hours to another

employee if: (1) the receiving employee has exhausted all paid time off or will exhaust the paid time off during the expected leave time; (2) the receiving employee is requesting leave for a reason listed above where the employee would normally have paid time off but has exhausted the employee's paid leave; and (3) the supervisor of the receiving employee and the city administrator gives their approval. A receiving employee may not: (1) use donated time off for vacation leave; or (2) use donated time off for more than twelve (12) weeks in one twelve (12) month period.

(n) Partial Day Absences:

(1) Partial Day Absences of less than eight hours where an exempt employee, as defined in Section 2.02 of this Manual, is unavailable for work shall:

- (a) be charged to accumulated time off such as vacation, compensatory time off, sick leave, or other paid leave as appropriate; or
- (b) be taken as leave without pay if all paid leave is exhausted.

(2) An exempt employee requesting an absence of less than eight hours due to unavailability, and who has exhausted all paid leave, shall request approval of unpaid leave from the City Administrator or Mayor pursuant to Section 5.03(1) pursuant to this Manual or request Donation of Paid Leave under certain circumstances as defined in Section 5.03(n).

(3) Partial Day Absence leave is not required where the exempt employee is able to reach 40 or more hours in a 7-day work period and where such daily work periods are approved by the Department Head.

5.04 Retirement

The City participates in the Texas Municipal Retirement System (TMRS), through which retirement benefits are provided to each permanent employee who averages 1000 hours per year or more.

5.05 Training

The following educational opportunities are available, at the discretion of the Mayor and/or City Council, and subject to budget appropriations:

(a) Events: Employees are encouraged to attend professional conferences, seminars and workshops reasonably related to municipal activities.

(b) Memberships: The City may fund employee membership in professional development organizations. Membership activities must be related to the employee's position with the City. All memberships funded by the City must be approved by the City Administrator.

(c) Tuition Reimbursement: The City may reimburse employees for the cost of tuition for the employee's continuing education. The degree program must be related to the employee's position with the City and approved by the Mayor and City Administrator

in advance. To be eligible for reimbursement, the program must be for: (1) certifications or licenses that are directly related to the employee's core job duties; or (2) course credit at a college or university accredited by the Texas Higher Education Coordinating Board. To be eligible for reimbursement, the employee must have received a grade of "B" or higher for that semester (or "pass" if the course is only offered "pass/fail"). The Mayor or City Administrator may approve up to three thousand dollars (\$3,000) of tuition reimbursement per calendar year. Requests above three thousand dollars (\$3,000) per year require approval by City Council. No minimum amount of tuition reimbursement is mandated or required by this policy but is solely at the discretion of the Mayor, City Administrator, and City Council. The approved written reimbursement agreement shall be attached to this Manual as Attachment "A".

- (d) **Travel Reimbursement:** Employees may submit reasonable travel expenses related to educational events, professional conferences, seminars, classes, and workshops that are reasonably related to municipal activities in writing to the City Administrator. These expenses may be reimbursed by the City on a case-by-case basis and travel reimbursement may be given for events whether or not the tuition, seminar, or conference fee is paid for by the City or the Employee.
- (e) **Employee Reimbursement for Training or Tuition Costs:** Each employee who receives training or accepts tuition for continuing education that costs more than \$1000 for one class, event, or related travel expenses for such training or schooling shall sign a written reimbursement agreement that states that they will reimburse the City for the costs related to the training or schooling if the employee separates from the City within two years of the date of the training if a single day, or the last day of the training if a multi-day event, or from the last day of classes for classes reimbursed by the City.

5.06 Uniform Policy

- (a) The City purchases uniform shirts, pants, shoes, and other clothing for certain employees of the City. The purchase of uniforms, amount, and type are set by the budget each year based on each department's budget. When an employee receives a uniform item from the City, the employee is responsible for keeping the item in good repair. If an employee purchases clothing, and the City pays for the logo, the employee may keep the clothing upon separation from employment. For items purchased by the City, the item must be returned to the City unless the item is released to the employee by the City Administrator.
- (b) All uniforms bearing a city logo and purchased by the City are considered City property and must be relinquished to the supervisor upon the end of the employee's employment with the city. If items are not returned, the City may pursue reimbursement for the amount spent

on that employee's City-purchased uniforms. Each department head is responsible for maintaining a list of City-purchased uniforms or logoed items and providing that information to the finance department.

- (c) Supervisors are expected to exercise reasonable diligence and to make a good faith effort to ensure the return of City-purchased uniforms upon termination of an employee. This includes keeping accurate records of what uniforms the City has purchased and who is in possession of each item. Such record shall be made available to the City Administrator and the finance department.
- (d) No identifiable part of the uniform shall be worn while off duty and not involved in an activity directly related to one's employment and assignments with the City. The uniform may be worn while commuting to and from the workplace. It is a violation of this policy to wear the uniform while in private, employed elsewhere, or when self-employed doing outside employment.

5.07 Family And Medical Leave Act (FMLA)

(a) Definitions

- (1) **12-Month Period:** A rolling 12-month period measured backward from the date the leave is taken.
- (2) **12-Month Service Member Period:** A single 12-month period measured forward from the first day Service Member Family Leave is taken.

A biological or legal relationship is necessary. A more detailed definition is provided in the Family and Medical Leave Act which is available from the ~~People & Communications Director's~~ Human Resources Director's office.
- (4) **Health Care Provider:** A Doctor of Medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices; or any other person determined by the Secretary of Labor to be capable of providing health care services. - (5) **Next of Kin:** The nearest blood relative of a Covered Service member.
- (6) **Parent:** A biological or adoptive parent or an individual who stands or stood in the place of a parent to an employee when the employee was a child. This term does not include parents-in-law.

 - (A) Any period of incapacity or treatment that results in inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility;
 - (B) Any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three calendar days, that also involves continuing treatment by (or under the supervision of) a health care provider; or

(C) Continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or 4) for prenatal care. Voluntary or cosmetic treatments (such as most treatments for orthodontia or acne) which are not medically necessary are not "serious health conditions," unless inpatient hospital care is required. Restorative dental surgeries after an accident or removal of cancerous growths are serious health conditions provided all the other conditions of this regulation are met.

(8) Spouse: A husband, wife, or domestic partner lawfully married to one other, as defined or recognized under state or federal law for purposes of marriage, including common law marriage.

(b) Policy

An employee may be eligible to take up to twelve (12) weeks of unpaid family and medical leave during a rolling twelve (12) month period. An eligible employee is one who has been employed with the City for at least twelve (12) months, and who has worked at least 1,250 hours during the twelve (12) months preceding the first date leave is to be taken. Leave can be taken for any of the following reasons: birth of a child, placement with the employee of a child for adoption or foster care; when the employee is needed to care for a child, spouse, domestic partner, or parent who has a serious health condition; or when the employee is unable to perform the essential functions of the position because of the employee's own serious health condition.

Generally, employees will be returned to the same or an equivalent position upon their return from FMLA leave. The City complies with all provisions of FMLA in its employment practices and makes available detailed explanations and instructions of FMLA benefits and procedures to all employees who fall within its provisions, should such circumstances arise.

(c) Conditions

All eligible employees shall be granted family or medical leave consisting of unpaid leave, and when requested and appropriate, accrued sick and/or vacation leave, for a combined total of up to twelve (12) weeks during the FMLA leave year for the following reasons:

- (1) Family Leave:** Any family leave must be taken within twelve months from the date of the birth or placement of a child for adoption or foster care.
- (2) The birth and subsequent care of the employee's newborn child and in order to care for the child;**
- (3) The placement of a child with the employee for adoption or foster care, and to care for the child.**

(d) Medical Care

- (1) To care for a spouse or domestic partner, child, or parent who has a serious health condition;
- (2) The employee is unable to perform the essential functions of their position due to the employee's own serious health condition;
- (3) A "qualifying exigency" as a result of the employee's spouse, child, or parent who is a military member on covered active duty or called to covered active duty (or notified of an impending call to active duty), or in support of a contingency operation for covered members of a Reserve component, or
- (4) To care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent, or next of kin of the covered service member (military caregiver leave).
- (5) Any other circumstance provided by the FMLA.
 - (A) Employees are entitled to 12 weeks of FMLA-protected leave for a qualifying reason.
 - (B) Employees are entitled to 26 weeks of leave if they qualify as military caregivers.

(e) Procedures

(1) Twelve-Month Period

The twelve (12) month period for counting family and medical leave is a "rolling" twelve (12) month period measured backward from the date an employee requests or is placed on FMLA leave. Each time an employee takes FMLA leave, the remaining leave entitlement would be any balance of the 12 weeks that has not been used during the immediately preceding 12 months, or 26 weeks provided in certain circumstances.

Employees are eligible to take medical leave intermittently or on a reduced leave schedule only when medically necessary. Employees are not entitled to take family leave intermittently or on a reduced leave schedule unless approved by their Department Director and the City Administrator.

(2) Employee Request for Leave

An employee must give at least thirty (30) days' advance notice in writing for the need to take foreseeable family or medical leave for planned medical treatment, unless the need is unforeseeable, in which case, as much notice as is practicable should be given. The request must state the reason for the leave, the anticipated duration of the leave, and the starting and ending dates of the leave. When it is not practicable under the circumstances to provide thirty (30) days advance notice, the employee must give notice to the ~~People & Communications Director~~ Human Resources Director as soon as possible but no later than two (2) business days after the employee learns of the need for the FMLA leave.

(3) Department Notification

Each Department Director is responsible for notifying the Human Resources Director and the City Administrator immediately when an employee is away from work for a family and medical leave qualifying event (if family and medical leave has not been approved), even if the employee is utilizing paid vacation, sick or personal leave, or is out due to a work-related injury. An employee using sick leave should be reported to the ~~People & Communications Director~~ Human Resources Director or the Director's designee if it is anticipated that the duration of the illness will be three (3) or more days, or once the employee exceeds three (3) days.

(4) Human Resources Director Responsibility

Human Resources Director is responsible for the central administration of all requests for family and medical leave. The Human Resources Director reserves the right to automatically place an employee on family and medical leave if it is determined that a qualifying event has occurred. The Human Resources Director may retroactively designate the beginning date of FMLA to the beginning date of the employee's absence for the qualifying event.

(5) Approval

An employee shall submit a request for family and medical leave through proper channels to the Department Head who will then forward it to the Human Resources Director for approval. Confidential medical information that accompanies the application can be submitted directly to the Human Resources Director.

(6) Substitution of Paid Leave

An employee utilizing this policy for the placement of a child for adoption or foster care with the employee shall be required to exhaust all accrued vacation, parental, sick, and any other applicable paid leave prior to going on unpaid leave. An employee utilizing this policy for the serious illness of a child, spouse, or parent must exhaust all accrued sick leave, vacation leave, compensatory time off, and any other applicable paid leave prior to going on unpaid leave. If an employee gives birth to a child, sick leave can be utilized until the employee receives a release from the doctor. After being released, the employee may use additional sick leave if permitted in accordance with the sick leave policy. Once all applicable sick leave has been used, the employee shall be required to exhaust all accrued vacation, compensatory time, holiday leave, parental leave, and any other accrued paid leave, prior to going on unpaid leave. An employee utilizing this policy for the employee's own serious health condition shall exhaust all accrued sick leave, vacation leave and personal leave prior to going on unpaid leave. If an employee is off work due to a work-related injury and the employee qualifies for family and medical leave, it will run concurrently with any paid leave. The City reserves the right to count any paid leave that qualifies for family and medical leave toward the twelve (12) or twenty-six (26) weeks allowed under this policy.

If medical leave is requested, the employee may use accrued sick leave. After an employee's accrued sick leave has been exhausted, vacation leave may be used as sick leave upon request of the employee. If family leave is requested, the employee may use paid parental leave, if applicable, compensatory time off, and accrued vacation leave. For the birth of the employee's child and in order to care for the child, the employee may use accrued sick leave.

In the event that the appropriate paid leave is exhausted, the remainder of the family or medical leave period will consist of unpaid leave. Family and Medical leave will run concurrently to accrued sick leave and / or vacation, personal or other leave used for FMLA leave purposes.

(7) Maximum Time Allowed

The maximum amount of family and medical leave available is twelve (12) weeks during a twelve (12) month period even if there is more than one family and medical leave qualifying event. The only exception to the twelve (12) week maximum is the leave to provide care of an injured service member, described below, which allows for an extended FMLA leave of 26 weeks.

(8) Medical Certification

The Human Resources Director may require satisfactory proof of the proper use of medical leave and may disallow the applicability of medical leave in the absence of such proof.

The City requires medical certification from a healthcare provider to support a claim for leave to care for a seriously ill child, spouse, or parent, or for the employee's own serious health condition. Medical certifications must be submitted to the Human Resources Director within fifteen (15) working days. Recertification may also be required every 30 days. An employee will be notified if recertification is required. For leave to care for a seriously ill child, spouse, or parent, the certification must include an estimate of the amount of time the employee is needed to provide care. For the employee's own serious health condition, the certification must include a statement that the employee is unable to perform the essential functions of the position and expected duration. The City does not seek and should not be provided with genetic information. If an employee or applicant's genetic information is inadvertently received by the City; the City will return it to the healthcare provider and not use genetic information for any employment decision or action.

Failure to provide medical certification may result in a delay in the commencement or continuation of the FMLA leave. If a question arises whether an employee on FMLA is utilizing FMLA for reason(s) other than an FMLA-approved illness or injury, the City may take steps to verify the proper use of FMLA leave.

Upon returning to work after leave for the employee's own illness, an employee is required to provide certification to the supervisor that the employee is able to return to regular duties. If the validity of a certification is questioned, the City may require that a second opinion be obtained. If the first and second opinions differ, the City may require a third opinion be obtained. The employee and the City must agree upon a health care provider for the third opinion and this opinion shall be binding on both parties. The City shall bear the expense of second and third opinions.

(9) Return to Work

When an employee returns to work after Family and Medical Leave, the employee shall be restored to the same position or to an equivalent position involving the same or substantially similar duties and responsibilities. An employee will be restored to the same worksite or to a geographically proximate worksite. The employee is also entitled to return to the same shift or an equivalent schedule.

Employees eligible for Family and Medical Leave will generally be returned to their old position or to a position with equal pay, benefits, and other terms and conditions of employment. However, the City cannot guarantee that employees will be returned to their original jobs in all cases. The City will determine whether a position is an equivalent position.

This policy does not entitle any employee to any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken leave. For example, if during an employee's approved leave, the employee is terminated for reasons unconnected with a legitimate leave, or the employee's position is eliminated through a reduction in force, the commitment to return the employee to a position with the City will cease at the time the employee is terminated or the position is eliminated. An employee on medical leave for five (5) consecutive working days or more for the employee's serious health condition, must provide a "Return-to-Work" release from the employee's health care provider before the employee will be permitted to return to work. The "Return-to-Work" release must state that the employee is able to resume work and must specifically reference that employee's job description and specific duties.

The City reserves the right to consult with the employee's health care provider for clarification on "Return to Work" releases or other FMLA documentation provided by the employee. An employee's failure and/or refusal to provide the necessary FMLA documentation and the periodic written updates as to the employee's FMLA status, as required by the FMLA and the City's policies, shall subject the employee to the possible cancellation of the leave, and other disciplinary action up to and including termination.

(10) Failure to Return to Work

Employees who do not return to work after using all Family or Medical Leave will be subject to disciplinary action up to and including termination unless additional leave has been requested, in writing, and approved by the City in accordance with the City's policies. Employees should submit a written request for an extension of leave to the Department Director. This written request should be made as soon as the employee knows that they will not be able to return to work on the originally declared return date.

(11) Continuation of Health Coverage Benefits

While utilizing unpaid Family and Medical Leave, an employee's health coverage benefits will continue without interruption as long as the employee pays their portion of the health coverage premiums. Health coverage premiums can be deducted from the paycheck before the leave begins, or during the leave, if the employee continues to receive pay (pre-tax), bi-weekly. While on unpaid FMLA, the City will continue to pay its portions of the premiums during the duration of the FMLA.

(12) Intermittent Leave

When medically necessary, an employee may take Family and Medical Leave on an intermittent basis or work a reduced schedule. Arrangements should be made with the employee's immediate supervisor so that the operations of the department are not unduly disrupted. An employee taking intermittent leave or leave on a reduced schedule may be temporarily assigned to an alternative position with equivalent pay and benefits if it better accommodates the needs of the department.

Employees are not entitled to take family leave intermittently or on a reduced leave schedule unless approved by their Department Director and the Human Resources Director.

(13) Holidays

Holidays will be paid in accordance with the Holidays policy. City holidays will not be counted as part of the twelve (12) or twenty-six (26) weeks of Family and Medical Leave, whether the employee is on paid or unpaid leave.

(14) Texas Municipal Retirement System (TMRS)

Employee contributions to TMRS may be made on a voluntary basis through a special arrangement with the City while an employee is on leave without pay status. It is the employee's responsibility to initiate such an arrangement by timely contacting the City's Human Resources Director and completing the necessary paperwork. This arrangement is subject to approval by the City and TMRS.

(15) Recordkeeping

Family medical leave time will be tracked on an hourly basis for payroll and compliance purposes. To determine entitlement for employees who work variable

hours, the minimum hours required for eligibility is calculated on a pro-rata or proportional basis by averaging the weekly hours worked during the twelve (12) weeks prior to the start of family and medical leave.

(16) Military Family Leave Entitlement

Military Qualifying Exigency Leave: Employees who are otherwise eligible for FMLA and have a spouse, child, or parent on covered active duty (deployed to a foreign country) or called to covered active duty status in the National Guard or Reserves (deployment to a foreign country or in support of a contingency operation) may use their 12-week unpaid, job-protected leave to address certain qualifying exigencies including eligible: short-notice deployments; attendance at military events and related activities; childcare and school activities; addressing financial and legal arrangements; attending counseling sessions; attending post-deployment activities; up to 15 days of rest and recuperation; and parental care.

Military Caregiver Leave: Employees who are the spouse, parent, child, or next of kin of a service member who incurred a serious injury or illness while on active duty in the Armed Forces and is undergoing medical treatment, recuperation, or therapy, may take up to 26 weeks of leave to care for the injured service member in a single 12-month period. The covered service member must be a current member or eligible veteran of the Armed Forces (including a member of the National Guard or Reserves) with a serious injury or illness incurred in, or aggravated by, service in the line of duty on active duty that may render the service member medically unfit to perform their duties.

8.06 Guidelines for Marketing and Branding

To ensure consistent brand messaging and to protect brand integrity, the City has guidelines when it comes to marketing and branding of all city entities. The People & Communications Director or designated representative is the lead on any communications, design and marketing of city-related brands, events, programs, initiatives, departments, and facilities. All designs should follow the established brand guidelines that includes logo(s), typography, and photography. Any new city logo must be approved by the City Council. Compliance is mandatory, with the People & Communications Director responsible for enforcement and periodic reviews. Failure to adhere to these guidelines may result in disciplinary action.

SECTION 9: SURPLUS EQUIPMENT POLICY

9.01 Purpose

The purpose of this *Surplus Equipment Policy* is to establish procedures for managing and disposing of the City's surplus property and equipment in a manner that is fiscally responsible. This policy applies to all City of Dripping Springs personnel.

9.02 Definitions

Office Equipment: Not office supplies. Includes furniture, electrical appliances, wall hangings, and anything else valued over \$25.00 and/or listed in the City of Dripping Springs liability inventory.

IT Equipment: Machines used to acquire, store, analyze, or process data and information electronically, including for printing, transmitting, and receiving, or storing electronic information such as a computer, computer accessories, or copy machine.

Surplus Property: Equipment, furniture, scrap or salvaged material, or other tangible property that might still have some usefulness but is no longer needed or required by the City of Dripping Springs, regardless of its present condition or estimated value.

Office Supplies: Office tools such as staplers, writing utensils, scissors, and other tools used within the office with a replacement value of under \$25.00.

Salvage Property: Generally, refers to personal property that is damaged, used, or consumed so that it has no value for the purpose for which it was originally intended.

9.03 Procedure

Under this policy, City staff are responsible for:

- (1) Coordinating the transfer of surplus equipment from the City;
- (2) Ensuring that the appropriate paperwork or forms are completed prior to transfer;
- (3) Providing temporary storage until sale or disposal of the surplus equipment or property;
- (4) Maintaining a master list of all surplus equipment that is transferred or is awaiting transfer;
- (5) Updating the master list of surplus equipment accordingly;
- (6) Allocating the proceeds from the sale of surplus equipment properly and in accordance with Texas Local Government Code Chapter 51, if necessary.

Unauthorized removal, disposal, or expropriation of City equipment or surplus property is considered theft and constitutes a serious breach of City policy and may result in disciplinary action, including, but not limited to dismissal, or criminal prosecution.

(a) Reporting Authority: Parks employees shall report issues related to non-IT equipment to the Parks and Community Services Director.

All other employees shall report issues related to non-IT equipment to the Maintenance Director and IT related equipment to the IT Director.

(b) Surplus Equipment: The Maintenance Director may declare equipment or property that is no longer useful for the City of Dripping Springs as surplus. Before declaring equipment or property as surplus, the Maintenance Director is encouraged to:

- (1) Trade in the property towards the purchase of new property;
- (2) Transfer the property within the City; or
- (3) Transfer the property to another City office.

The Maintenance Director shall oversee any of the above transactions or other disposal of surplus equipment or property.

(c) Broken Equipment (Non-IT): The City Parks and Community Services Director and the Maintenance Director can determine the procedure for the disposition of broken equipment that can be repaired.

If broken equipment cannot be repaired, an employee shall inform their immediate supervisor. The Department Director will work with the City Parks and Community Services Director or the Maintenance Director to dispose of that broken equipment or property with written approval by City Administrator. This does not govern the procedure for disposal or transfer of broken IT equipment or property.

(d) Unused Equipment (Non-IT): An employee shall inform their immediate supervisor if there is unused equipment at their workstation or site. The Department Director will work with the City Parks and Community Services Director and the Maintenance Director to determine the procedure for the disposition of unused equipment or property with

written approval of the City Administrator. Unused equipment is equipment that is no longer needed due to:

- Lack of continued need
- Lack of trade-in value
- Obsolescence
- Wear, damage, or deterioration
- Major repair is impractical
- Excessive cost of maintenance

(e) Broken Equipment (IT): The City IT Director is in charge of processing, transferring, and disposing of broken IT equipment or property. In general, the length of time that an electronic or computing device should be a consideration when determining whether such a device should be deemed surplus, especially if IT equipment is broken, or breaks often. Used IT devices, even broken devices, can contain confidential data and licensed software that are at risk of unauthorized use. To promote the security of confidential information, the IT Director is required to erase data stored on IT devices before their sale, disposal, or relocation.

Many IT devices contain harmful heavy metals that are harmful to the environment when improperly disposed. If these devices are subject to disposal, they cannot be disposed of in landfills or other scrap metal recycling programs. Compliance with local or state recycling programs is requested.

Employees shall inform IT Director of broken equipment. If broken beyond repair, IT equipment cannot be repaired, an employee shall inform IT Director. The IT Director may dispose of that the broken equipment or property with written approval by City Administrator.

(f) Unused Equipment (IT): The City IT Director is in charge of processing, transferring, and disposing of unused IT equipment or property. In general, the length of time that an electronic or computing device should be a consideration when determining whether such a device should be deemed surplus. If the equipment is unused and can be transferred or sold, then the City IT Director should make that consideration when determining proper disposition procedures for that equipment or property.

Unused IT devices still contain harmful heavy metals that are harmful to the environment when improperly disposed. If these devices are subject to disposal, they cannot be disposed of in landfills or other scrap metal recycling programs. Compliance with local or state recycling programs is requested.

Employees shall inform the IT Director if there is unused IT equipment at their workstation or site. The IT Director can determine the procedure for the disposition of

unused equipment or property with written approval of the City Administrator. Unused equipment is equipment that is no longer needed due to:

- Lack of continued need
- Lack of trade-in value
- Obsolescence
- Wear, damage, or deterioration
- Repair is impractical
- Excessive cost of maintenance

(g) Equipment for Sale: The Maintenance Director is in charge of selling any surplus equipment or property. Items may be transferred to other City departments, donated to non-profit organizations, or given away at no cost to avoid landfill disposal. Items will be sold at the discretion of the Maintenance Director with approval from the City Administrator. The City Maintenance Director, with the prior approval of the City Administrator, may donate surplus equipment or property directly to a non-profit organization with proof of the 501(c)(3) status of recipient.

(h) Office Supplies: For office supplies, as defined above, that are broken, such as a stapler or scissors, an employee may dispose of such supply. After disposing of any such property, the employee should inform their immediate supervisor and the Department Director will inform the Maintenance Director or City Parks and Community Services Director of the disposition.

For office supplies, as defined above, that are unused, such as a stapler or scissors, an employee shall inform their immediate supervisor. The Department Director will inform the Maintenance Director or City Parks and Community Services Director so that such supply can be stored.

If there is a question of whether an item can be disposed of as an “office supply” or whether an object is “equipment”, the employee should contact the Maintenance Director or City Parks and Community Services Director for verification and handle such property appropriately.

SECTION 10: TRAVEL AND REIMBURSEMENTS

10.01 Registration Fees

and responsibilities will comply with standard, uniform procedures. Reimbursements may be made for the following types of expenditures, upon submittal of an expense report along with the receipts:

- (a) Transportation:** Coach rate air fare, toll roads, out-of-pocket expenses incurred during use of a City vehicle, mileage at the current Internal Revenue Service established rate. Cost of any taxi fare incurred, plus gratuity. Cost associated with parking of personal or City vehicles resulting from travel or conduct of City business. Each official and employee will use best efforts to use the most cost-efficient travel for each trip. Reimbursements will only be given for the actual cost of travel and will not be given for the use of reward travel or “miles”.
- (b) Meals:** Cost of meal reimbursement will be based on actual charges and should be reasonable and prudent, not extravagant. The costs of meals will be reimbursed up to the state per diem rate for the location at which the meal is purchased pursuant to the rates established by the U.S. General Services Administration.
- (c) Entertainment:** Employees are responsible for the costs of their own entertainment.
- (d) Lodging:** Actual cost of room, plus appropriate taxes.
- (e) Per Diem:** The City Administrator or Mayor may establish per diem for certain travel events.

10.03 Cash Advances

Employees shall submit receipts accounting for all cash advances made from petty cash.

SECTION 11: DISCRIMINATION

11.01 Equal Employment Opportunity

The City’s employment decisions are made without regard to race, color, religion, sex, age, sexual orientation, military status, veteran status, national origin, mental or physical disability, pregnancy, or marital status. Discrimination or harassment against any person in recruitment, examination, appointment, training, promotion, discipline, or any other aspect of personnel administration because of political or religious opinions or affiliations, membership or non-membership in employee organizations, or because of race, color, national origin, age, disability, veteran status, sex, or marital status is prohibited. Any employee discriminated against or harassed shall report such conduct to his or her immediate supervisor, City Administrator or Human Resources Director; provided, however, if a City Administrator or Human Resources Director is the alleged source of a claim of discrimination or harassment, the aggrieved employee may address such claim directly to the Mayor, or if the Mayor is the alleged source of a claim, then the aggrieved employee may address such claim directly to any member of City Council.

11.02 General Prohibition

The City shall base all employment actions and decisions on a person's qualifications, experience, performance, demeanor, and behavior. The City shall **not** discriminate against employees on the basis of race, color, age, veteran status, military status, pregnancy status, ethnicity, sex, religion, sexual orientation, or nation of origin.

Every supervisor is expected to implement this policy through uniform and consistent employment practices. Management is also responsible for maintaining a professional working environment free of intimidation, sexual harassment, and all other forms of harassment and discriminatory conduct.

11.03 Discrimination and Harassment

(a) Harassment Prohibited

It is City Policy that all employees should be able to enjoy a work environment free from all forms of unlawful discrimination, including sexual, racial, religious, or other harassment. Accordingly, no employee shall engage in harassment of any employee, applicant, or any other individual.

(b) Discrimination and Harassment Defined

Discrimination and harassment is behavior that is motivated in whole or in part by a person's protected class, that is not welcome, and is personally offensive, or that lowers morale and that, therefore, interferes with an employee's work effectiveness. It can include verbal abuse and gestures. Harassment occurs in many forms, including but not limited to, unwelcome physical contact, verbal abuse, leering, gestures, electronic communication, and more subtle communication or advances and pressure involving the individual's protected class. Whether particular conduct constitutes, or harassment is based on the reasonable perception of the victim. Harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) adversely affects a term or condition of an individual's employment; or
- (2) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
- (3) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individuals; or
- (4) such conduct has the purpose or effect of interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment, whether or not it is directly linked to the granting or denial of an economic benefit.

(c) Discrimination and Harassment is Punishable

Discrimination and Harassment are forms of misconduct that undermines the integrity of the employment relationship. No employee should be subjected to unsolicited and

unwelcome sexual overtures or conduct, either verbal or physical or verbal abuse related to a protected status. A finding that any employee has committed any such form of harassment will result in disciplinary action.

Reporting Required

Any employee who believes that the employee has been subjected to any of the forms of harassment set forth above should report this harassment to:

- (1) the employee's supervisor;
- (2) the City Administrator;
- (3) the City Attorney;
- (4) the Human Resources, and/or
- (5) the Mayor.

Complaints against the City Administrator should be reported to the Mayor, the City Attorney, or a member of the City Council. Every supervisor or officer receiving a report of alleged harassment must notify the Mayor and all persons in the alleged offender's chain of command. Appropriate action must be promptly taken. The first action taken in such event shall include steps calculated to prevent reoccurrence of any such alleged incidents, pending investigation and final resolution of the complaint. Each such report shall be investigated promptly, and appropriate corrective action will be taken with the City Administrator's concurrence unless the allegation involves the City Administrator, in which case the appropriate corrective action will be taken by the Mayor.

(d) Investigation Without Retaliation

All good faith complaints of harassment will be promptly investigated, ensuring confidentiality to the maximum possible extent. Disciplinary action shall be taken against any employee in violation of this policy. Such disciplinary action will be determined by the nature of the wrongful act and may result in immediate dismissal of the offending employee. No employee of the City shall be retaliated against for filing a complaint of harassment in good faith or for participating and cooperating in the good faith reporting or investigation of such a claim. However, the City recognizes that false accusations of harassment can have serious effects on innocent men and women, their reputation, and their families. False accusations of sexual harassment will result in severe disciplinary action.

(e) Training Required

It will be the responsibility of the City Administrator to inform all employees of the policy concerning non-discrimination, equal employment opportunities, and harassment, as well as the gravity of such behavior and the procedure to be employed in the event an allegation develops.

11.04 Disabilities

The City shall evaluate all job applicants and employees based on ability to perform the essential functions of the position with or without reasonable accommodation. The City shall comply with the federal Americans with Disabilities Act (ADA).

11.05 Religious Affiliation

The City shall not evaluate or take employment action on job applicants or employees based on the applicant or employee's religious practices or membership. It is imperative, however, that employees do not allow their religious activities to interfere with the performance of work-related duties or the completion of assignments. Being a government institution, the City does not allow employees to proselytize.

11.06 Immigration Law Compliance

- (a) Federal law requires that the City ensure all employees are authorized for employment in the United States. Therefore, only individuals lawfully authorized for employment in the United States will be employed.
- (b) In connection with federal law, the City must collect certain information and review certain documentation concerning the employment authorization of individuals hired. This information and documentation will be used only for compliance with the Immigration Reform and Control Act, as amended, and not for any unlawful purpose. If an employee's employment authorization changes or terminates after the start date of employment, the employee will be responsible for informing the City Administrator or a Human Resources representative immediately.

SECTION 12: DISCIPLINARY MEASURES

12.01 Progressive Discipline

To the extent practicable, the City prefers to pursue a course of progressive discipline, which may include the following options (in no particular order): verbal counseling, training, verbal reprimands, written reprimands, suspension with pay, suspension without pay, demotion, reduction in pay, and discharge.

12.02 Discretionary Discipline

Whether to take disciplinary action rests with the discretion of direct supervisor of the employee in consultation with the City Administrator and Human Resources Director and who shall not be bound by the terms or procedures of this Manual (which is solely a guide). The Mayor shall be consulted for any disciplinary action that involves an employee whose final hiring or firing authority rests with City Council.

12.03 Grievance Procedure

- (a) Employees or recently separated former employees dissatisfied with any employment issue, such as a possible job discrimination matter, health and safety issues, drug-related issues, or a disciplinary matter, may pursue a grievance.
- (b) Employees or recently separated former employees may submit a written grievance regarding any employment issue to the City Administrator within five (5) business days of the latest occurrence. A written grievance involving the City Administrator may be submitted to the Mayor within five (5) business days of the latest occurrence. The notice must specify what action was taken by the City or what action has been observed, and

how the action is either unwarranted or inappropriate.

- (c) The City will investigate, when necessary, allow the initiator of the grievance a reasonable opportunity to bring forth evidence and witnesses to support the initiator's case, and allow the initiator to question and fully refute any charges brought against the employee or recently separated former employee. The City Administrator shall issue a decision on all grievances to the submitting employee. For employees for which the City Administrator is the final hiring and termination authority, the City Administrator's decision is final. For employees for which the City Council is the final hiring and termination authority, the submitting employee may appeal the City Administrator's decision to the Mayor for consideration by City Council within five business days of receiving the decision of the City Administrator.

12.04 Personnel Files

Employees may request access to their personnel files via the City Administrator or Human Resources Director. In general, for individuals other than the employee, an employee's personnel file should be accessed only by those who have a job-related need to know or if a law requires the release. Under the Public Information Act, and subject to confidentiality rules set by state law, some or all of an individual's personnel file may be released to a member of the public if requested. Both at and following the time you separate from employment, the employee may make copies of documents in the employee's personnel file if you wish. Copying of such documents should be arranged with the Human Resources Director and will cost ten cents per copy, payable in advance. An electronic copy can be requested at no cost to the employee. Your personnel file will be maintained in City records in accordance with all applicable legal requirements.

SECTION 13: SEPARATIONS

13.01 Non-Disciplinary Separations

- (a) **Layoffs:** The City retains the ability to restructure all employment positions and perform any necessary Reductions in Force (RIFs).
- (b) **Resignation:** Employees may resign at any time. To remain in good standing, employees are encouraged to provide two (2) weeks' notice of any intent to voluntarily leave employment.
- (c) **Retirement:** Any retirement intentions must be in conformance with the City's retirement plan.

- 13.02 Incapacity:** An employee may be separated if such employee is unable to perform the functions of the employee's position, as expressly provided in the job description for such position, with or without reasonable accommodation. A finding that an employee is Unfit for Duty shall be made only through individual medical determination by a competent medical authority as prescribed by the City Administrator and Mayor. The City Administrator may require that a current employee undergo a Fit for Duty evaluation, at the City's expense, to determine if such employee is able to satisfactorily perform the

essential functions of the employee's current position, and whether the employee can satisfactorily perform such functions with or without reasonable accommodation.

13.03 Discharge

Authority to terminate resides with the City Administrator unless the employee is hired by City Council pursuant to state law or this Manual. The City Administrator shall consult with the employee's supervisor and the City Attorney prior to termination. During an investigation related to discipline or discharge, the City Administrator may place the employee on paid or unpaid administrative leave. Either the City or employees may terminate the employment relationship, for any reason, or no reason (so long as the reason is not discriminatory, as established by this Manual).

A non-exhaustive list of grounds for discipline or discharge of an employee by the City include (but is not limited to) the following:

13.05 Payment for Leave

The City will pay separated employees for untaken vacation leave of up to 120 hours if the employee has worked for the City for at least 1 year. Compensatory time will be paid-out upon termination for all exempt employees. Employees who are terminated or do not provide adequate notice of resignation shall not receive accrued vacation leave.

13.06 Reference

All reference inquiries are to be directed to the City Administrator or the City Administrator's designee. The City Administrator may designate an employee or former employee's supervisor or director as the appropriate individual to provide a reference.
