Agenda Item Wording: **Discuss and consider recommendation regarding a Request from the Dripping Springs VFW & American Legion for the placement of Parking Barriers at Veterans Memorial Park, commonly known as the Triangle.**

Agenda Item Requestor: VFW & American Legion Representative

Summary/Background: Often when events are held such as the Farmers Market, Christmas on Mercer, Founders Day and the like, the east corner of Veterans Memorial Park lawn area is negatively impacted. That area of the park gets inundated with overflow parking and if it has rained prior the lawn and the amenities therein (flagpole holders) get damaged.

The VFW & American Legion representatives met with Parks and Community Services Director Schmidt, City Maintenance Director Rice and Public Works Coordinator Reed at the site to review and go over their dilemma and request. As a solution, it was suggested by staff that we protect the area with a natural parking barrier and utilize surplus stones from Dripping Springs Ranch Park to block off the wood be parking and prevent further damage.
