**Parks and Recreation  
Commissions Meeting  
Date:** July 23, 2025

**Agenda Item Wording:** Update concerning the Stars of Dripping Springs Phase II Project.

**Summary/Background:** As part of the City's ongoing efforts to expand the Stars of Dripping Springs Public Arts Project, the primary focus of Phase 2 of the project is to install stars in each of the City's parks Charro Ranch Park, Dripping Springs Ranch Park, Founders Memorial Park, Sports and Recreation Park, and Veterans Park. This project was included in the approved FY 2024-2025 Visitors Bureau Budget. Star designs were submitted by local artists and 5 have been selected for the parks and locations in the parks have been determined by City and Park staff. Star selections for the parks will be based upon the recommendations to be made by Andrew Binz. Once the stars have been completed by the artists and clear coated, they will be installed in the parks. We plan to host an unveiling event on October 25 or 26 with a sort of trick or treat theme, encouraging residents to visit all of the star locations.
