COMPLIANCE WITH OUTDOOR LIGHTING ORDINANCE?*

(See attached agreement)

*If proposed subdivision is in the City Limits, compliance with the Lighting Ordinance is **mandatory**. If proposed subdivision is in the ETJ, compliance is **mandatory** when required by a Development Agreement, or as a condition of an Alternative Standard/Special Exception/Variance/Waiver.

Voluntary compliance is strongly encouraged by those not required by above criteria (see Outdoor Lighting tab on the city's website at www.cityofdrippingsprings.com and online Lighting Ordinance under the Code of Ordinances tab for more information).

YES (REQUIRED) YES (VOLUNTARY*) NO

APPLICANT'S SIGNATURE

*Note: An additional signature is required on page 7 of the application verifying completeness. Applications should be submitted **only** when all required information is included in the submittal.*

The above information is true to the best of my knowledge. I attest that the real property described is owned by me and all others as signed below. If the below signed applicant is not the owner of said property, the signature of the property owner must be included below, or consent must be attached (If a corporation, please list title, and name of corporation.)

FINAL PLAT INFORMATION REQUIREMENTS		
<input type="checkbox"/>	<input checked="" type="checkbox"/>	A vicinity, or location, map that shows the location of the proposed Plat within the City (or within its ETJ) and in relationship to existing roadways.
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Boundary lines, abstract/survey lines, corporate and other jurisdictional boundaries, existing or proposed highways and street right-of-way, bearings and distances sufficient to locate the exact area proposed for the subdivision, and all survey monuments including any required concrete monuments (per the City Engineer); the length and bearing of all straight lines, radii, arc lengths, tangent lengths and central angles of all curves shall be indicated along the lines of each lot or Unit (curve and line data may be placed in a table format); accurate reference ties via courses and distances to at least one recognized abstract or survey corner or existing subdivision corner shall be shown.
<input type="checkbox"/>	<input checked="" type="checkbox"/>	The name, location and recording information of all adjacent subdivisions (or property owners of adjacent unplatted property), including those located on the other sides of roads or creeks, shall be drawn to the same scale and shown in dotted lines adjacent to the tract proposed for subdivision in sufficient detail to show accurately the existing streets, alleys, building setbacks, lot and block numbering, easements, and other features that may influence the layout of development of the proposed subdivision; adjacent unplatted land shall show property lines, the names of owners of record, and the recording information.

PHYSICAL: 511 Mercer Street • MAILING: PO Box 384 • Dripping Springs, TX 78620

512.858.4725 • www.cityofdrippingsprings.com

<input type="checkbox"/>	<input checked="" type="checkbox"/>	The location, widths and names of all street right-of-way and easements (it shall be the applicant's responsibility to coordinate with appropriate utility entities for placement of necessary utility easements and for location of all streets and median openings on highways or arterial roadways), existing or proposed, within the subdivision limits and adjacent to the subdivision; a list of proposed street names shall be submitted (in the form of a letter or memo along with the application form) for all new street names (street name approval is required at the time the Plat is approved)
<input type="checkbox"/>	<input checked="" type="checkbox"/>	The location of all existing property lines, existing lot and block numbers and date recorded, easements of record (with recording information),
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Proposed arrangement and square footage of lots or Units (including lot and block numbers or Unit numbers).
<input type="checkbox"/>	<input checked="" type="checkbox"/>	All sheets shall have a title block which shows the title or name under which the proposed subdivision is to be recorded; the name, address and phone number of the property owner(s); the name, address and phone number of the licensed engineer or registered professional land surveyor who prepared the plat/plans; the scale of the plat/plans; the date the plat/plan was prepared; and the location of the property according to the abstract or survey records of Hays County, Texas.
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Sites, if any, to be reserved or dedicated for parks, schools, playgrounds, other public uses or for private facilities or amenities
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Scale (including a graphic scale), date, north arrow oriented to the top or left side of the sheet, and other pertinent informational data
<input type="checkbox"/>	<input checked="" type="checkbox"/>	All physical features of the property to be subdivided shall be shown, including: <ul style="list-style-type: none"> - The location and size of all watercourses; and - 100-year floodplain according to Federal Emergency Management Agency (FEMA) information; and - Water Quality Buffer Zones as required by [WQO 22.05.017] - Drainage ways and drainage easements. Drainage easements are required for bypass of any offsite flows and for concentrated flows conveyed across lots. Drainage easements shall be large enough to contain the 100-yr storm [Sub. Ord. 12.2.2]. - U.S. Army Corps of Engineers flowage easement requirements; and - All critical environmental features (CEFs) such as karsts, springs, sinkholes,

		<p>caves, etc., to be located and documentation to be signed and certified by a geologist. All CEF to have a minimum setback of 150'. All designated wetlands to be certified as such by an accredited wetland biologist relying the presence of wetlands plant species.</p> <p>- Drainage area in acres or area draining into subdivisions (to be included in drainage report and construction plans); and</p>
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Existing zoning of the subject property and all adjacent properties if within the city limits.
<input type="checkbox"/>	<input checked="" type="checkbox"/>	<p>Provide notes identifying the following:</p> <ul style="list-style-type: none"> • Owner responsible for operation and maintenance of stormwater facilities. • Owner/operator of water and wastewater utilities. • Owner/operator of roadway facilities
<input type="checkbox"/>	<input checked="" type="checkbox"/>	<p>Certificates and other language shall be included on the plat, pursuant to the following Subsections: A statement signed by the property owner(s) and acknowledged before a Notary Public that the subdivided area is legally owned by the applicant.</p> <ul style="list-style-type: none"> - A statement signed by the property owner(s) and acknowledged before a Notary Public that the subdivided area is legally owned by the applicant. - An accurate legal, such as by metes and bounds, description by bearings and distances (including necessary curve and line data), accurate to the nearest one hundredth of a foot, for all boundary, block and lot lines, with descriptions correlated to a permanent survey monument. - The registered professional land surveyor's certificate, with a place for his or her signature and notarization of his or her signature. - A place for plat approval signature of the Chair or Vice Chair, in the Chair's absence) of the Planning and Zoning Commission, a place for the City Secretary to attest such signature, and the approval dates by Planning and Zoning Commission. - Appendices to this Chapter contain certificates and languages to be used on the plat to accommodate the above requirements:

NARRATIVE OF COMPLIANCE

A written narrative describing how all portions of the subdivision meets all requirements of this code and other codes, including landscaping, lighting, parkland dedication, site development, water quality protection, and zoning, as may be relevant.

Outdoor Lighting, Article 24.06	As required per Development Agreement
Parkland Dedication, Article 28.03	Parkland dedication provided
Landscaping and Tree Preservation, Article 28.06	Not subject to requirement (Development Agreement)

<p>Subdivision, 28.02, Exhibit A</p>	<p>This section shall also include, depending on what type of plat is being filed, how public or private improvements will meet City standards, including water quality, drainage, stormwater, and fire (if applicable).</p> <p>This project is subject to the water quality provisions of the Texas Commission on Environmental Quality (TCEQ) for the Edwards Aquifer Contributing Zone (CZP) with enhanced measures under RG-348A. The run-off from this project will be treated by proposed vegetative filter strips and two batch detention ponds. The ponds will control the 2 year, 10 year, 25 year, and 100 year storm event as described by the City of Austin Drainage Criteria Manual and return flows to below existing conditions. Majority of the storm runoff from onsite and entering the site from offsite will travel overland to streets, storm sewer lines and channels to the three batch detention ponds. Per the Development Agreement, the BMP's will be in series and will remove the required overall load to more than 80% for the site.</p> <p>Per the Development Agreement, TCEQ Optional Enhanced Measures apply to the project and all drainage is routed through a series of two BMP's minimum unless the runoff from the lots is naturally directed offsite.</p> <p>The tract is within the City of Dripping Springs Water Supply Corporation water service area. Caliterra Phase 4 Section 12 will utilize water stubs through existing water lines plugged at the boundary of the project which were provided in Caliterra Ph. 2 Section 8 subdivision construction.</p> <p>Wastewater service is within the City of Dripping Springs wastewater system installed with the subdivision. An 8" wastewater line was installed with the Caliterra Ph. 3 Section 9 through Bridgewater Loop.</p> <p>There is an existing treated effluent water line on the project site and will be extended from Phase 2 Section 8.</p> <p>Sedimentation/erosion controls are required and will be in accordance with TCEQ Contributing Zone requirements and City of Dripping Springs guidelines. The project proposes to use silt fence, stabilized construction entrances and inlet protections as temporary measures. Our revegetation plan will comply with City of Dripping Springs and Hays County standards.</p>
<p>Zoning, Article 30.02, Exhibit A</p>	<p>PDD Zoning</p>
