**Sec. 20.02.006. - Application for service; rates.**

\* \* \*

(c) Wastewater service rates.

(1) The following monthly wastewater rates and charges for the collection, treatment and disposal of wastewater are in effect for residential customers, including multifamily and apartment, and commercial customers both within and outside the corporate limits of the city from the effective date of this article:

(A) Minimum usage charge per LUE: ~~\$26.25~~28.28.

(B) Excess usage charge per LUE: \$50.00.

(C) Gallonage charge: ~~\$3.68~~4.05 per 1,000 gallons.

(2) Minimum usage charges per LUE apply to each LUE for which a connection fee has been paid.

(3) Excess usage charges apply to each LUE (or fraction thereof) in use at a service address that exceeds the number of LUE's for which a connection fee has been paid. The number of LUE's in use is measured by the city, using methods authorized by this chapter for billing purposes, such as metered water consumption by the customer. The city may vote to waive excess use fees for a particular customer class until excess use exceeds a specified amount.

(4) In addition, the city shall charge each customer any regulatory assessment required by the state commission on environmental quality.

(5) The rates fixed herein are estimated to be sufficient to provide for the expenses of operation, maintenance, and replacement of the system, including debt service. Such rates may be revised from time to time as may be necessary. Prior to revising such rates, the city may obtain a cost-of-service audit to be used as the basis for a rate increase.

**Sec. 20.06.004 Water rates and charges.**

(a) Applicability . These rates and charges are applicable to all sales or service of water within and outside the corporate limits of the city.

(b) Rates and charges. The city's rates and charges to customers for the sales or service of water shall consist of two parts: (i) base rates, (ii) Special charges, and (iii) administrative fee.

(1) Base rates. For customers who live within the city limits of the City of Dripping Springs, the city shall charge as its base rates the same rates, fees, and charges (including, but not limited to, water impact fees, connection fees, minimum monthly charges, capital charges, and volumetric charges), the same as what is charged by the Dripping Springs Water Supply Corporation.

(2) Base rates. For customers who live outside the city limits of the City of Dripping Springs, the city shall charge as its base rates the same rates, fees, and charges (including, but not limited to, water impact fees, connection fees, minimum monthly charges, capital charges, and volumetric charges), the same as what is charged by the Dripping Springs Water Supply Corporation plus an additional twenty percent (20%) for the rates, fees, and charges.

~~(A) that are charged to the city by its wholesale water provider, WTCPUA pursuant to WTCPUA tariff and policies for water service and all contracts with the WTCPUA, and (B) that are charged to the city by any service provider or contractor that is engaged by the city to assist with the operation or maintenance of the city's retail water system. Except for special charges, all rates, charges, and fees imposed by the WTCPUA or by a city contractor providing services that allow the city to provide water service on the city will be passed through to each customer on a pro rata basis so that the city fully recoups from its retail customers the rates, fees, and charges that are billed to the city. The base rate will be shown separately on customer's water bill. Costs associated with water loss in the city's retail water system shall be allocated to retail customers on a pro rata basis.~~

~~(2)~~(3) Special charges. Each retail water customer shall be responsible to pay costs incurred that are attributable to a specific retail customer or retail customer account (such as, but not limited to, returned check fees, disconnect charges, and resumption of service charges).

~~(3)~~(4) Administrative fee. Except for wholesale water impact fees, the city shall charge an administrative fee calculated as a percentage of the sum of the base rates and special charges charged pursuant to subsections (b)(1), ~~and (b)(2), and (b)(3)~~ above. The applicable percentage shall initially be six percent and periodically reviewed and revised, as appropriate. The administrative fee will be shown separately on customer's water bill.
