Re: Wastewater Easement for South Regional Reclamation Project

Thank you for working on this with the City. The City seeks to procure a 15-foot wastewater easement across the eastern border of the DSISD Administration property at 510 W. Mercer Street. The City has worked with the DSISD facilities staff and the School District Attorney to find the optimal path for the wastewater line. The line will service the area north west of downtown and will be ideally located for future use by 510 W. Mercer St.

Please let us know if we can provide any additional information.

Respectfully,

Ginger Faught  
Deputy City Administrator
