Agenda Item Wording: **Discuss and consider City Council recommendation regarding Amendments to Youth Programs Standards of Care, Parks and Community Services Ordinance Division 3.**

Agenda Item Requestor: Caylie Houchin, DSRP Programs Coordinator

Summary/Background: Division 3: Youth Programs' Standards of Care also needs to be approved by City Council on a yearly basis. In 1995, during the 74th State Legislation Session, Senate Bill 212 was passed. This bill exempts certain youth programs from child-care licensing requirements including elementary-age (ages 5-13) recreation program operated by a municipality.

The governing body of the municipality must annually adopt "Standards of Care" by Ordinance with public hearing. The ordinances shall include, staffing ratios, staff qualifications, facility, health, and safety standards, and mechanisms for monitoring and enforcing the adopted local standards; and further provide that parents be informed that the program is not licensed by the state and the program may not be advertised as a child-care facility.

Notable changes include adding a section on transportation to the Standards of Care ordinance.

Staff Recommendation: Recommend approval of changes to Article 16.02 Parks and Recreation.
