

TOWN COMMISSION MEETING

November 12, 2024 at 6:30 PM

AGENDA ITEM TITLE:	DISCUSSION & ACTION, GPS TRACKING UNITS FOR FLEET
SUBJECT:	Review of GPS Contract for Town-owned Fleet
STAFF ANALYSIS:	Town of Dundee staff have reviewed the current GPS contract for the Town-owned fleet and saw the need to request new bids to provide a better cost to the Town. Public Works staff has received three prices from Samsara, Michelin Connected Fleet, and Faster. Out of the three vendors, Samsara was the lowest quote and was able to meet all of the Town's needs. Staff is requesting that we use Samsara instead of renewing the contract with Michelin Connected due to the better pricing and customer service.
FISCAL IMPACT:	\$8,185.00
STAFF RECOMMENDATION:	Staff recommends approval
ATTACHMENTS:	Price Quote Sheets
