 - vi) Any indemnification hereunder shall not include claims of, or damages resulting from, gross negligence, or willful, wanton or intentional misconduct of the Town or its elected officials, officers, agents, and employees, or for statutory violation or punitive damages **except** and to the extent the statutory violation or punitive damages are caused by or result from the acts or omissions of the VENDOR or any of the VENDOR's subcontractors, sub-subcontractors, sub-consultants, sub-sub-consultants, materialmen, or agents of any tier or their respective employees.
- b) This contractual indemnity is authorized by Section 725.06 of the Florida Statutes.

This contractual indemnity is authorized by Sections 725.06 and 725.08 (if applicable) of the Florida Statutes. VENDOR also agrees to indemnify, defend, save and hold harmless the Town, its elected officials, officers, agents and employees, from all damages, liabilities, losses, claims, fines and fees, and from any and all suits and cause and causes of action of every name and description including but not limited to reasonable attorney's fees and reasonable attorney's fees in appellate or bankruptcy proceedings, that may be brought against the Town, its elected officials, officers, agents and employees, on account of any claims, fees, royalties, or costs for any invention or patent or for the infringement of any and all copyrights or patent rights claimed by any person, firm, or corporation.

- f) Additionally, if VENDOR, after receipt of written notice from the Town fails to make any payment due hereunder to the Town, VENDOR shall pay any reasonable attorney's fees or costs incurred by the Town in securing any such payment from VENDOR.
- g) Nothing contained herein is intended nor shall it be construed to waive the Town's Sovereign Immunity and/or the Town's limits of liability as set forth in Section 768.28 of the Florida Statutes, as amended from time to time, regardless of whether any such obligations are based in tort, contract, statute, strict liability, and negligence, product liability or otherwise. This obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist in the Town's favor
- h) The VENDOR shall not be entitled to an increase in the contract price or payment or compensation of any kind from Town for direct, indirect, consequential, impact or other costs, expenses or damages including but not limited to costs of acceleration or inefficiency or extended overhead, arising because of delay, disruption, interference or hindrance from any cause whatsoever whether such delay, disruption, interference or hindrance be reasonable or unreasonable, foreseeable or unforeseeable, or avoidable or unavoidable; provided, however, that this provision shall not preclude recovery of damages by VENDOR for hindrances or delays due solely to fraud, bad faith or active malicious interference on the part of Town. Otherwise, VENDOR shall be entitled only to extensions of the contract time as the sole and exclusive remedy for excusable events of delay.
- i) The Town reserves the right to include a provision for liquidated damages as a result of any delay by the VENDOR.

This "waiver of subrogation" requirement shall not apply to any policy, which includes a condition specifically prohibiting such an endorsement, or voids coverage should the VENDOR or subcontractor or sub-subcontractor enter into such an agreement on a pre-loss basis.
- k) Acceptance by the VENDOR of the last payment shall be a release to the Town and every officer and agent thereof, from all claim(s) and liability hereunder for anything

done or furnished for, or relating to the work, or for any act or neglect of the Town or of any person relating to or affecting the work.

- l) The parties agree that to the extent the written terms of this Indemnification conflict with any provisions of Florida law or Florida Statute(s), in particular Sections 725.06 and 725.08 of the Florida Statutes, the written terms of this Indemnification shall be deemed by any court of competent jurisdiction to be modified in such a manner as to be in full and complete compliance with all such laws or statutes and to contain such limiting conditions, or limitations of liability, or to not contain any unenforceable, or prohibited term or terms, such that this Indemnification shall be enforceable in accordance with and to the greatest extent permitted by Florida law.

If a more favorable bid is received by re-advertising, the defaulting bidder shall have no claim against the Town for a refund.

58) PAYMENT:

The Contract Documents shall set forth the terms and condition(s) relating to the contract price, payment(s), timing of payment(s), progress payment(s), and final payment. - b) Prior to the final inspection, the VENDOR shall clear the project site of all trash, rubbish, and debris and restore all damage done to the project site and adjacent areas during the performance of the project.
