

TREE BOARD MEETING

FEBURARY 15, 2023 at 5:00 PM

AGENDA ITEM TITLE:	DISCUSSION & ACTION, ARBORPRO TREE MAINTENANCE FINDINGS AND RECOMMENDATIONS
SUBJECT:	The Tree Board will consider the findings of the Arbor-Pro program and staff recommendations based on the findings.
STAFF ANALYSIS:	<p>After review of the arbor tree software findings, Staff has developed a plan of action for the trees that need attention or removal.</p> <p>There are multiple trees that are recommended for removal at both priority level one and two because of the tree condition.</p> <p>The board will discuss and determine what action that would like to take regarding the first stages of working through the ArborPro recommendations.</p> <p>Staff is recommending a new tree to be strategically planted for every tree that is removed.</p>
FISCAL IMPACT:	\$500.00 to \$2000.00 per tree
STAFF RECOMMENDATION:	At the pleasure of the board.
