

TOWN COMMISSION MEETING

June 13, 2023 at 6:30 PM

AGENDA ITEM TITLE:	RESOLUTION 23-10, EMERGENCY PURCHASE FOR REPAIRS TO THE WASTEWATER TREATMENT PLANT TRAIN 1
SUBJECT:	Town Commission will consider approval of Resolution 23-10 for emergency repairs to the wastewater treatment plant train 1.
STAFF ANALYSIS:	The need to complete treatment train 1 clean out/diffuser repairs and rehabilitation project is urgent and of the utmost importance to restore treatment services and to prevent any added treatment failures, capacity failures, and compliance issues of a more extensive nature. The RAS/WAS line is blocked, created by the proliferation of wipes and debris that has collected in the clean-out areas.
FISCAL IMPACT:	\$38,892.25.
STAFF RECOMMENDATION:	Staff recommends approval
