<b>AGENDA ITEM TITLE:</b>	<b>DISCUSSION &amp; ACTION, ROAD CLOSURE, DECEMBER 20<sup>TH</sup> MOVIE NIGHT AT THE DUNDEE COMMUNITY CENTER</b>
<b>SUBJECT:</b>	Road Closure for December 20 <sup>th</sup> Centennial Festival and Movie Night with Santa
<b>STAFF ANALYSIS:</b>	The Town of Dundee has hosted several events this year for the Centennial Year Celebration. As the year comes to a close, we want to finish with a Centennial Celebration during the Movie with Santa event. To allow for safety during the event, staff is requesting that the road in front of the Dundee Community Center is closed. The areas to be closed include Lake Marie Boulevard and North 8 <sup>th</sup> Street between the Lake Marie Bike Trail and the playground, as shown on the attached map. This road closure and parking plan will be the same as is done during the 4 <sup>th</sup> of July event. Staff is asking to begin the road closure at 2:00pm on Friday, December 20 <sup>th</sup> , 2024. The road will reopen no later than 10:00pm.
<b>FISCAL IMPACT:</b>	None
<b>STAFF RECOMMENDATION:</b>	Staff recommends approval
