

TOWN COMMISSION MEETING

December 10, 2024 at 6:30 PM

AGENDA ITEM TITLE:	DISCUSSION & ACTION, STREETS DIVISION ENCLOSED TRAILER
SUBJECT:	Purchase of one (1) 7x16 foot enclosed trailer
STAFF ANALYSIS:	<p>Town staff is trying to take care of the mowing equipment for the long term. Being able to house the equipment in an enclosed trailer will protect it from the weather and from theft. Not only that, but staff will be able to take shelter during unforeseen weather conditions as well as have a safe and secure place for equipment while performing other tasks in the assigned work area. Lastly, handheld equipment with small engines will be better protected from rain.</p> <p>This item was approved in the FY2024-25 budget, and staff is seeking approval for purchase from Brad's Tires, Autos, and Trailers in Davenport, Florida.</p>
FISCAL IMPACT:	\$7,662.00
STAFF RECOMMENDATION:	Staff recommends approval
