Each request shall be in writing and list the various times and the latest date by which each will be required by the Contractor. The first list shall be submitted, within two (2) weeks after Contract award and shall be as complete as possible at that time. The Contractor shall, if requested, furnish promptly any assistance and information the Town may require in responding to these requests of the Contractor. (2) General Liability Insurance:

- (a) Such insurance shall be no more restrictive than that provided by the standard Commercial General Liability Form (ISO Form CG 00 01) as filed for use in the State of Florida without any restrictive endorsements other than those required by ISO or the State of Florida or those described below.  - vi) Any indemnification hereunder shall not include claims of, or damages resulting from, gross negligence, or willful, wanton or intentional misconduct of the Town or its elected officials, officers, agents, and employees, or for statutory violation or punitive damages **except** and to the extent the statutory violation or punitive damages are caused by or result from the acts or omissions of the Contractor or any of the Contractor's subcontractors, sub-subcontractors, sub-consultants, sub-sub-consultants, materialmen, or agents of any tier or their respective employees.
- b) This contractual indemnity is authorized by Section 725.06 of the Florida Statutes.
 - c) This contractual indemnity shall survive the termination of this Contract.
 - d) Contractor shall indemnify, and hold harmless the Town, its elected officials, officers, agents, and employees from liability for damages to persons or property caused by any act, omission, or default of Contractor (specifically including, but not limited to, Contractor's negligent or grossly negligent acts, omissions, or defaults) to the extent it relates to, pertains to, or arises from the Contract or Contractor's performance thereof.

This contractual indemnity is authorized by Sections 725.06 and 725.08 (if applicable) of the Florida Statutes. Contractor also agrees to indemnify, defend, save and hold harmless the Town, its elected officials, officers, agents and employees, from all damages, liabilities, losses, claims, fines and fees, and from any and all suits and cause and causes of action of every name and description including but not limited to reasonable attorney's fees and reasonable attorney's fees in appellate or bankruptcy proceedings, that may be brought against the Town, its elected officials, officers, agents and employees, on account of any claims, fees, royalties, or costs for any invention or patent or for the infringement of any and all copyrights or patent rights claimed by any person, firm, or corporation.

- e) In the event of any claims or suits which fall within either of the foregoing indemnities, payment of any amount due pursuant thereto shall, after receipt of written notice by Contractor from the Town that such amount is due, be made by Contractor prior to the Town being required to pay same, or in the alternative, the Town, at the Town's option, may make payment of an amount so due and the Contractor shall promptly reimburse the Town for same, together with interest thereon at the rate of 6% per annum simple interest from the day of the Town's payment.
- f) Additionally, if Contractor, after receipt of written notice from the Town fails to make any payment due hereunder to the Town, Contractor shall pay any reasonable attorney's fees or costs incurred by the Town in securing any such payment from Contractor.
- g) Nothing contained herein is intended nor shall it be construed to waive the Town's Sovereign Immunity and/or the Town's limits of liability as set forth in Section 768.28 of the Florida Statutes, as amended from time to time, regardless of whether any such obligations are based in tort, contract, statute, strict liability, and negligence, product liability or otherwise. This obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist in the Town's favor
- h) The Contractor shall not be entitled to an increase in the contract price or payment or compensation of any kind from Town for direct, indirect, consequential, impact or other costs, expenses or damages including but not limited to costs of acceleration or inefficiency or extended overhead, arising because of delay, disruption, interference or hindrance from any cause whatsoever whether such delay, disruption, interference or hindrance be reasonable or unreasonable, foreseeable or unforeseeable, or avoidable or unavoidable; provided, however, that this provision shall not preclude recovery of damages by Contractor for hindrances or delays due solely to fraud, bad faith or active malicious interference on the part of Town. Otherwise, Contractor shall be entitled only to extensions of the contract time as the sole and exclusive remedy for excusable events of delay.
- i) The Town reserves the right to include a provision for liquidated damages as a result of any delay by the Contractor.

- j) The Contractor and its subcontractors and/or sub-subcontractors agree by entering into the Contract to a waiver of subrogation for each required policy herein. When required by the insurer or should a policy condition not permit the Contractor or subcontractor or sub-subcontractor to enter into a pre-loss agreement to waive subrogation without an endorsement, then the Contractor or subcontractor or sub-subcontractor agree to notify the insurer and request the policy be endorsed with a "waiver of transfer of rights against others" or its equivalent. This "waiver of subrogation" requirement shall not apply to any policy, which includes a condition specifically prohibiting such an endorsement, or voids coverage should the Contractor or subcontractor or sub-subcontractor enter into such an agreement on a pre-loss basis.
- k) Acceptance by the Contractor of the last payment shall be a release to the Town and every officer and agent thereof, from all claim(s) and liability hereunder for anything done or furnished for, or relating to the work, or for any act or neglect of the Town or of any person relating to or affecting the work.
- l) The parties agree that to the extent the written terms of this Indemnification conflict with any provisions of Florida law or Florida Statute(s), in particular Sections 725.06 and 725.08 of the Florida Statutes, the written terms of this Indemnification shall be deemed by any court of competent jurisdiction to be modified in such a manner as to be in full and complete compliance with all such laws or statutes and to contain such limiting conditions, or limitations of liability, or to not contain any unenforceable, or prohibited term or terms, such that this Indemnification shall be enforceable in accordance with and to the greatest extent permitted by Florida law.

- a) In cases where the bid price exceeds \$30,000.00, each bid must be accompanied by a certified check, cashier's check or a bid bond in an amount not less than five per-cent (5%) of the base bid, as guarantee that the Contractor will not withdraw from the competition after the opening of the bids, and will, within twenty-five (25) calendar days after receipt of written notice of award, enter into the Contract with the Town in accordance with the Contract Documents. **Should the Contractor fail to enter into a contract, the bid bond shall be forfeited as liquidated damages.**

If a more favorable bid is received by re-advertising, the defaulting bidder shall have no claim against the Town for a refund.

58) PAYMENT:

The Contract Documents shall set forth the terms and condition(s) relating to the contract price, payment(s), timing of payment(s), progress payment(s), and final payment. The Contract Documents shall be negotiated, approved, and executed by the Town and Contractor no later than 30 calendar days following the date on which the Town awards the contract and/or project.

- a) When the work on this project(s) is substantially completed, the Contractor shall notify the Town, in writing, at least three (3) business days before the inspection date that the work will be ready for final inspection on a definite date. The Contractor shall expressly provide the date for final inspection.
- b) Prior to the final inspection, the Contractor shall clear the project site of all trash, rubbish, and debris and restore all damage done to the project site and adjacent areas during the performance of the project. The Contractor's duty to clear the project site prior to final inspection does not relieve the Contractor of the obligation to keep the project site free from trash, rubbish, and debris during the performance of the Contract.

64) CONSTRUCTION AND CONSULTING EVALUATION:

- a) The award of contracts by the Town for construction and/or consulting service(s) is based on the lowest responsive/responsible bid (for construction) or in accordance with the guidelines and requirements of Section 287.055 of the Florida Statutes (Consultants Competitive Negotiation Act) for applicable consulting services.
