Voluntary Annexation Application Checklist

Requirements as set out in Florida Statutes 171.044

All boxes must be checked or noted as non-applicable. Information indicated must be attached and submitted with this form or the application will be deemed incomplete. The voluntary annexation application and supporting documents must be submitted in digital format and hard copies.

What is this checklist?

- This checklist is based on Florida Statutes and Town of Dundee requirements and is being provided as a courtesy to help streamline the application review process.
- Plans and other submitted materials will be reviewed for compliance with requirements of the Town of Dundee Code of Ordinances and Land Development Code. This checklist is intended to give you the ability to be sure that the bulk of the requirements from the Codes have been incorporated into your submittal.
- The requirements from the Codes represent a large portion of the detailed content required for project submittals.

How should this checklist be used?

- *As a content guide.* Submitted applications must address each item in the Codes, as applicable to your project. You can smooth and shorten the review process by making sure that every item on the checklist has been fully addressed.
- *As a verification document.* When you submit your application, include a copy of the completed checklist with every item either initialed to indicate that it has been addressed in the design, or marked "N/A" to indicate the item is not applicable to your project.
- *As a means to speed up the review process.* Projects with completed checklists are easier to review and completion of the review may be achieved sooner.

NOTE: Town of Dundee requirements may differ from other agencies or municipalities. The way you as an applicant have addressed certain issues in the past or in other jurisdictions may not apply in Dundee. The Codes contain Dundee's requirements, and are the Town's rulebook.

Please initial each item on the following pages to show it has been incorporated into your submittal. If an item is not applicable to your submittal, enter "N/A" in the initial blank. Sign below to state that you have provided the information in your submittal and submit the initialed and signed checklist as part of your resubmittal package:
