MEETING DATE:		4/21/2026	Submitted By: Johnathon Vice, Public Works Director	
SUBJECT: <i>This will be the name of the Item as it will appear on the Agenda</i>		DISCUSSION & ACTION, LAKE DELL HYDRILLA TREATMENT		
STAFF RECOMMENDATION: (MOTION READY)		A motion to approve Lake Dell Hydrilla Treatment		
SUMMARY and/or JUSTIFICATION:		<p>This item was introduced to maintain and improve the water quality in Lake Dell. Staff have received a price from Applied Aquatics to treat the hydrilla and floating vegetation. The Town of Dundee currently has a contract with Applied Aquatics to treat other lakes in the Town on a regular basis this lake was “treat as needed” in the past since it does not belong completely to the Town at this time. Staff is recommending approval for all of Lake Dell to be treated for hydrilla with a price not exceed \$6,450.00.</p> <p>This will produce better water quality for wildlife and increase appearance throughout the area by preventing hydrilla from taking over the lake as it did back in 2024.</p>
